S.K.P. GOVERNMENT COLLEGE :: Guntakal

DEPARTMENT OF ECONOMICS

MINUTES OF THE DEPARTMENT MEETING FOR THE CONDUCT OF CERTIFICATE COURSE IN BASICS OF STOCK MARKET BY DEPARTMENT OF ECONOMICS

Department of ECONOMICS, pioneer in catering to the needs of the students has decided to be a trend setter for the First Year and Second Year students of our college in introduction of Certificate Course.

Indians are well-known for their intelligent thinking when it comes to money, however, when it comes to understanding investment and financial diversification there is a huge lack of knowledge and investment appetite. Young professionals find it hard to file their taxes, understand the equity markets or practice trading & investment as not enough emphasis was given to teaching the students about these potentially important life-subjects in schools or colleges.

We as millennial have always been taught that investment in stocks is the riskiest and we will end up losing money.

The department of Economics has conducted a meeting with the members of the department in the Departmental Staffroom on 22/08/2016. The meeting is chaired by the Head of the Department and on the instruction by The Principal. The department has unanimously resolved to conduct certificate course in BASICS OF STOCK MARKET Analysis for the First Year Second year degree students of our college.

The course is designed to be for a duration of 45 days. Further it is resolved to concentrate on students with rural background and total intake of the students shall be less than 45. Circular, informing the students will be sent after the approval by the Principal and the classes of the Certificate Course shall be conducted off the time table of the college.
