Final Report of Certification Course in Spoken English

The idea for a Spoken English course for the College's students was developed by the Department of English under the direction of Principal Dr. K Gnaneswar. By offering a certificate programme in spoken English for a total of 30 hours, the Department of English has made a modest start toward educating and enriching the students with English ability. The primary goal of the course, as previously stated, was to develop spoken English skills in the departing students. The needs of the final year students are taken into consideration when creating the course's basic structure. The aforementioned course began on August 2, 2017, and it ended on October 14, 2017.

The response from the students was overwhelming. In its introductory session the Seminar Hall was jam-packed and students enthusiastically wanted to be the part of it. Dr. K. Gnaneswar, the principal, addressed the students intimating them about the importance of English in social and corporate realms. He also appreciated the effort of English Department and congratulated Sri T N Masthanappa, HOD, English Department, who was the guiding force behind the entire course. The number of students attended the Course was good. 41 Students regularly attended the Classes conducted from 3.30 P M to 4.30 PM.

The sessions were interactive, informative and interesting. The usage of videos, hand-outs, stories, comics, suggestive books and interesting worksheets helped the students to grasp the tips to learn and understand English language. There were brain-storming sessions, debates, group activities and impromptu presentations which enhanced the confidence level of the students. The Course ran its entire course of 30 hrs and also took informal inputs from the students for making the course better next time.

A farewell celebration was organised on October 14th, 2017, following the successful conclusion of the aforementioned Certificate course. Sri Dr K. Gnaneswar, the college's principal, attended the event. The meeting was led by Sri. T N Masthanappa, HOD (English). The

Final Report Tally Certificate Course (2017-18)

By offering a certificate course in Tally for 45 days, the Department of Commerce has made a modest beginning in its effort to instruct and enhance the students with practical understanding of the accounting software. For the benefit of the students, Tally was developed by the Department of Commerce with Dr. K. Gnaneswar's aid. The primary goal of the course, as previously decided, was to teach the graduating students Tally. The needs of the final year students were taken into consideration when developing the course's fundamental structure. The aforementioned course began on October 10, 2017, and it ended on February 2, 2018.

The feedback from the students was extremely favourable. For the opening session, the Seminar Hall was packed with students who were eager to participate. Dr. K. Gnaneswar, the principal, addressed the students and explained the importance of technology in both the social and corporate realms. He also appreciated the efforts of the business department and paid tribute to Sri P Janardhan Sastry, HOD, who was responsible for designing the course. There were many pupils enrolled in the course. There were 45 students who regularly attended the 09.00 A.M-10:00 AM courses. The lectures were interesting, instructive, and entertaining. Through interactive exercises, movies, handouts, seminars, quizzes, suggested readings, and films, the students were able to acquire and comprehend Tally. Brainstorming sessions, talks, group activities, and impromptu presentations helped the students feel more confident. The 45-day course was completed, and throughout that time, students were asked for unofficial input to help the course move forward.

A farewell celebration was organised on 07/02/2018, following the successful conclusion of the aforementioned Certificate course. Sri Dr. K. Gnaneswar, the college's principal, attended the event. The HOD presided over the meeting (commerce), Janardhan Sastry, Sri P. The Department in charge explained the reason for and need of introducing the Certificate course in his introductory remarks. The Principal recommended that the students incorporate the input from the Department of Commerce. The 45 students were all given certificates. Sri G. Pavan Kumar, a lecturer in Commerce, proposed the vote of gratitude at the conclusion of the event.
