DEPARTMENT OF ECONOMICS

**MINUTES OF THE DEPARTMENT MEETING FOR THE CONDUCT
OF CERTIFICATE COURSE IN BASICS OF STOCK MARKET BY
DEPARTMENT OF ECONOMICS**

Department of ECONOMICS, pioneer in catering to the needs of the students has decided to be a trend setter for the First year Second year students of our college in introduction of Certificate Course.

There are various types of stock markets and there are ample opportunities in this sector for the people looking for building a career or earning extra income. Anyone who is interested in trading can easily learn about this and excel. The courses are designed in such a way that it becomes very easy for everyone to learn and grow. Both online and offline classrooms are conducted along with special live doubt sessions for better understanding of the subject. The major advantages of doing a course in Stock Market course is that they get to learn plenty of things about the subject to thrive in this field. Students are trained to set goals of a properly planned investment.

The department of chemistry has conducted a meeting with the members of the department in the Departmental Staffroom on 25/7/2019. The meeting is chaired by the Head of the Department and on the instruction by The Principal. The department has unanimously resolved to conduct certificate course in Water Analysis for the First year and Second year year degree students of our college.

The course is designed to be for a duration of 45 days. Further it is resolved to concentrate on students with rural background and total intake of the students shall be less than 45. Circular, informing the students will be sent after the approval by the Principal and the classes of the Certificate Course shall be conducted off the time table of the college.
