Final Report of Certification Course in Spoken English

Department of English, under the guidance of the Principal Dr. K Gnaneswar, came up with idea of Spoken English Course for the students of the College. The Department of English has made a humble beginning to impart and enrich the students with proficiency in English by conducting a certificate course in Spoken English for the duration of 30 hrs. As it was resolved earlier, the main thrust of the course was to inculcate spoken skills in English for the out-going students. The basic structure of the course is prepared keeping in view the needs of the final year students. The said Course was started on 01.10.2021 and completed on 15.12.2021.

The response from the students was overwhelming. In its introductory session the Seminar Hall was jam-packed and students enthusiastically wanted to be the part of it. Dr. K. Gnaneswar, the principal, addressed the students intimating them about the importance of English in social and corporate realms. He also appreciated the effort of English Department and congratulated Sri T N Masthanappa, HOD, English Department, who was the guiding force behind the entire course. The number of students attended the Course was good. 38 Students regularly attended the Classes conducted from 4.00 PM to 5.00 PM.

The sessions were interactive, informative and interesting. The usage of videos, hand-outs, stories, comics, suggestive books and interesting worksheets helped the students to grasp the tips to learn and understand English language. There were brain-storming sessions, debates, group activities and impromptu presentations which enhanced the confidence level of the students. The Course ran its entire course of 30 hrs and also took informal inputs from the students for making the course better next time.

After the successful completion of the said Certificate course, a valedictory function was held on 15th December 2021. The Principal of the College, Sri Dr K. Gnaneswar, graced the occasion. The meeting was presided over by the HOD (English), Sri T N Masthanappa. In his opening remarks, the Head of the Department explained the need

Final Report of Certification Course in commerce

MS-Office was developed by the Department of Commerce with the help of the Principal, Dr. K. Ganeswar, for the College's students. By offering a certificate course in MS-Office for 45 days, the Department of Commerce has made a modest start in its effort to teach and enhance the students with practical knowledge of the accounting software.

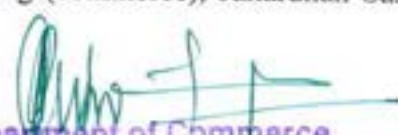

The primary goal of the course, as previously decided, was to impart MS-Office knowledge to the departing pupils. The needs of the final year students are taken into consideration when creating the course's basic structure. The aforementioned course began on October 6, 2020, and ended on December 10, 2020. The pupils' response was overwhelmingly positive.

The Seminar Hall was crowded for its opening session as students eagerly desired to participate. The principal, Dr. K. Ganeswar, spoke to the students and informed them of the significance of technology in both the social and business spheres. He also praised the work of the department of business and complimented Sri P Janardhan Sastry, HOD, who served as the course's architect. The course had a high turnout of students. Regular attendance for the classes, which ran from 09.00 am to 10.00 am, was 50 students. The sessions were engaging, educational, and fascinating.

The students were able to understand how to learn and understand MS-Office with the use of hands-on activities, films, handouts, seminars, quizzes, suggested books, and engaging exercises. The students' confidence level was raised by brainstorming sessions, discussions, group exercises, and impromptu presentations.

The course ran its 45-day course and also solicited informal feedback from the students to improve the course in the future. A farewell celebration was organised on December 10, 2020, following the successful conclusion of the aforementioned Certificate course.

Sri Dr. K. Ganeswar, the college's principal, attended the event. The HOD presided over the meeting (commerce), Janardhan Sastry, Sri P. The Department Head explained the reason for

CETIFICATE COURSE IN "WATER ANALYSIS"

BRIEF REPORT

A majority of the people rely on the private water supply. This includes ponds, dugouts, and wells. A superior quality of water is crucial to the economic, health, and social well-being of the people. Monitoring the quality of your water and testing it regularly is very important to maintain reliable and safe water sources and eliminate the potential health risks related to water contamination.

When the water is tested it offers the knowledge; we require to address the problem that is currently involved with the water quality. It will also ensure that the water quality is protected from every potential cause of contamination and an appropriate approach is involved with the treatment system. It is vital to check the suitability of the water quality before its use. It can be for irrigation, livestock watering, drinking, or spraying. It will also help you in making an informed decision about how to use the water and what should be done about its purity.

The water quality management in India is performed under the provision of Water (Prevention and Control of Pollution) Act, 1974. The basic objective of this Act is to maintain and restore the wholesomeness of national aquatic resources by prevention and control of pollution. • The act prescribes various functions for the Central Pollution Control Board (CPCB).
