# WEBINAR ON INTELLECTUAL PROPERTY RIGHTS

### REPORT

On the occasion of the 75th anniversary of independence, the Government of India has begun a mission to spread awareness on IPR among college and school students under the scheme – National Intellectual Property Awareness Mission (NIPAM). Intellectual Property Rights (IPR) are exclusive rights granted in the form of Patents, Designs, Trademarks, and Geographical Indications. This awareness program would expose the students of your institution to various types of IPR which will ignite their intellectual thoughts and motivate them to innovate and further transform their innovative ideas into Intellectual Property assets. Further IPR has been recognized as an important factor in grading/ accreditation of institutions/departments under NAAC/NIRF/NBA, etc. frameworks.

Shri Thilak Vadicherla NIPAM Officer / Examiner – Patents & Designs, [also Examiner - International Search Authority (ISA) / International Preliminary Examination Authority (IPEA) - World Intellectual Property Organization (WIPO)] Intellectual Property Office, Govt. of India. GST Road, Guindy, Chennai has addressed the audience. He enlightened the audience about the proceduyres, objectives and benefits of the programme.

## Objectives of the program:

- To spread awareness on Intellectual Property (IP) so that a more conducive environment of innovation and creativity is established in the country.
- To ignite and inspire students, faculty members to innovate and protect their creation.

## Benefits of the programme:

- Awareness on Intellectual Property (IP)
- Innovate and protect their creations like projects etc.
- Participate in Science / Project exhibitions etc.
- Due recognition, awards / rewards
- File Patents, Designs, Copyright etc.
- Increase the value of college/ faculty members / students
- Earn money as royalty, incentives etc. through technology transfer, licensing etc
   Staff and students from all departments attended the programme.
