**Report on Guest Lecture**

**Date: 17-08-2017**

A Guest lecture by Lecturer of KSN Govt. Degree College(W), Ananthapuramu, Sri.K.Prabhakar Reddy, on the topic "Plato's Philosophy" was conducted by the department of Political Science on 17-08-2017 in the III B.A Class Room of SKP Govt. College, Guntakal has explained about the Plato's Philosophy to the students.

Plato's theory of the forms is considered to be the first famous metaphysical debate in Western philosophy. It explores the ultimate structure of reality, and questions what reality actually is, as opposed to what it appears to be. Plato came to conclude that everything in our world is only a copy of a perfect form existing in a realm attainable to us only through contemplation. However, Plato's premise was mainly ethical, rather than metaphysical. His teacher, Socrates, in his lifetime, has turned the accepted concepts of virtue and justice on their heads to show that we do not truly know what these things are. Plato wanted to find out whether this can be known and has come to a positive conclusion using his theory of forms. He believed that philosophers are able to comprehend the ultimate form of good via their intellect and therefore what virtue and justice really are. This served as a basis for his political writing about what an ideal society would look like.

**Date: 07-02-2018**

A Guest Lecture on Span of Control and Unity of Command was organized on Wednesday, the 07th February 2018 in the B.A Class Room for all the students of III B.A(VI semester) Students. Sri.M.P.Rama Krishna, Lecturer in Political Science, S.V. Degree College, Guntakal of the resource person for the session. This session delivered about the number of employees that can be controlled directly by a manager is called the manager's **span of control**. Span of control depends on such factors as the type of work, the complexity of the work and the variability of the work task. Another important management principle for Terrance is unity of command. The employees under Terrance answer only to him. He's the only one that gives them orders and listens and take direction only from him.

**Report on Guest Lecture**

**Date: 17-08-2017**

A Guest lecture by Lecturer of KSN Govt. Degree College(W), Ananthapuramu, Sri.K.Prabhakar Reddy, on the topic "Plato's Philosophy" was conducted by the department of Political Science on 17-08-2017 in the III B.A Class Room of SKP Govt. College, Guntakal has explained about the Plato's Philosophy to the students.

Plato's theory of the forms is considered to be the first famous metaphysical debate in Western philosophy. It explores the ultimate structure of reality, and questions what reality actually is, as opposed to what it appears to be. Plato came to conclude that everything in our world is only a copy of a perfect form existing in a realm attainable to us only through contemplation. However, Plato's premise was mainly ethical, rather than metaphysical. His teacher, Socrates, in his lifetime, has turned the accepted concepts of virtue and justice on their heads to show that we do not truly know what these things are. Plato wanted to find out whether this can be known and has come to a positive conclusion using his theory of forms. He believed that philosophers are able to comprehend the ultimate form of good via their intellect and therefore what virtue and justice really are. This served as a basis for his political writing about what an ideal society would look like.

**REPORT ON GUEST LECTURE**

**Date: 07-02-2018**

A Guest Lecture on Span of Control and Unity of Command was organized on Wednesday, the 07th February 2018 in the B.A Class Room for all the students of III B.A(VI semester) Students. Sri.M.P.Rama Krishna, Lecturer in Political Science, S.V. Degree College, Guntakal of the resource person for the session. This session delivered about the number of employees that can be controlled directly by a manager is called the manager's **span of control**. Span of control depends on such factors as the type of work, the complexity of the work and the variability of the work task. Another important management principle for Terrance is unity of command. The employees under Terrance answer only to him. He's the only one that gives them orders and listens and take direction only from him.

### Brief Report on Field Trip

Department of chemistry SKP Government College has planned field trip to Guntakal municipal water works as a part of field study and to acquaint students with practical knowledge for Chemistry as a part of paper semester- 6 . The students are taken to educational field trip to Guntakal municipal water works.

Prior permission and approval is taken from The Principal to visit the Municipal Water treatment plant. Proper arrangements were done and students are informed by Circular, to participate in the field trip. Total of 25 students as given their names. The students are given proper instructions and precautions to be followed at the field site. The students gathered in the college, bus is arranged for transportation. The place of visit is approximately 3 km from the Guntakal town.

After reaching the site, students were taken to the Summer storage tanks, where water is filled by Handri Neeva Sujala Sravanthi Branch canal from Krishna river from PothiReddypadu/Sri Sailam Dam . The summer storage tanks are used to store water, treat and convert into potable drinking water.

The students visited the summer storage tank, collected the samples of water and observed the physical parameters of water like – TDS, Dissolved particulate matter, pH. Later, students were taken to Water treatment plant where Chlorination. Sedimentation and Alum addition and processing of water is done. Finally different stages of Water explain by the staff and the municipal water works personal letter in the afternoon and students collected the samples different stages and report is submitted to the principal after reaching the college

## Memorandum of Understanding

Between

Partner - 1

Department of Chemistry  
S.K.P. Government Degree College  
Guntakal, Ananthapuram District

And

Partner- 2

Department of Chemistry  
S.S.G.S Degree College  
Guntakal , Ananthapuram District

This Memorandum of Understanding (MOU) sets for the terms and understanding between the partner-1 and the partner- 2 for benefit and academic excellence of students.

### Purpose

- To expose students to experts of partner Institution.
- To develop core competencies of students by providing expertise needed in their domain .
- To give practical experience to students of partner Institution/Industry .
- To inculcate soft skills and to increase employable skills of the students .
- To train students in certain specific subject domains .

This MOU will purpose the goals of partnership

### The above goals will be accomplished by undertaking the following activities:

- Extension Classes will be conducted by mutual exchange of Faculty .
- Training will be given in areas of expertise of staff to the partner institution .
- Students will be taken a visit to the partner Institution for exposure to wide range of experience

With reference to the above cited subject, I submit to your consideration that Department of Chemistry, S.K.P. Government College has Memorandum of Understanding with S.S.G.S Degree College, Guntakal.

As a part of the MoU, I submit that subject expert from the S.S.G.S Degree College are invited under Teacher exchange programme. Hence, I request you Sir, to grant us permission to invite Sri S.Khajavali, Lecturer in Chemistry, S.S.G.S. Degree College, Guntakal on 13/8/2018 to deliver an extension lecture on "*Trans Effect in Complex Compounds in Complex Compounds*"

Thanking You Sir

Yours Sincerely

### Circular

16/08/2019

This is to inform to All the Students of I, II and III year that Department of Chemistry is going to organize a Field Trip for III B.Sc.students on 19-08-2019 to "Guntakal Municipal water works" and Summer Storage Tanks (SS-1 and SS-2) at G.Kottala Village along with Water Treatment Plant. Hence all the students who joined Certificate Course and other students who didn't opt for certificate course are eligible to participate in field trip. Preference will be given to final year/ Certificate course students. Hence All the students are requested to attend the trip and to enhance your practical knowledge on water-treatment and analysis. Priority will be given to III Year Students.

#### NOTE:

All the students interested to participate in the Field Trip should give their Names to T.Jithendra, Lecturer in Chemistry for further details and Schedule.

Date: 16.08.2019

Place: Guntakal

### Brief Report on Field Trip

Department of chemistry SKP Government College has planned field trip to Guntakal municipal water works as a part of field study and to acquaint students with practical knowledge for Chemistry as a part of paper semester- 6 . The students are taken to educational field trip to Guntakal municipal water works.

Prior permission and approval is taken from The Principal to visit the Municipal Water treatment plant. Proper arrangements were done and students are informed by Circular, to participate in the field trip. Total of 25 students as given their names. The students are given proper instructions and precautions to be followed at the field site. The students gathered in the college, bus is arranged for transportation. The place of visit is approximately 3 km from the Guntakal town. After reaching the site, students were taken to the Summer storage tanks, where water is filled by Handri Neeva Sujala Sravanthi Branch canal from Krishna river from PothiReddypadu/Sri Sailam Dam . The summer storage tanks were used to store water treat and convert into potable drinking water. The students visited the summer storage tank, collected the samples of water and observed the physical parameters of water like - TDS, Dissolved particulate matter, pH.

Later, students were taken to Water treatment plant where Chlorination. Sedimentation and Alum addition and processing of water is done. Finally different stages of Water explain by the staff and the municipal water works personal letter in the afternoon and students collected the samples different stages and report is submitted to the principal after reaching the college

## **CHEMISTRY DEPARTMENT FIELD TRIP**

### Place visited

1. Students are suggested to collect Water samples at different stages of purification for further analysis in Department Lab for Practicals in Chemistry Elective Practicals Paper-Sem-6
2. Raw water collection point from HNSS To SS tank-1 and SS tank-2
3. Pump house from SS tanks to water treatment plant
4. Chlorination process
5. Alum additon process
6. Water quality testion of 2% cholorination
7. Distribution of water to towers

The students are instructed to submit a brief report on the process and narate their experiences, feed back is collected from the students on the field trip for future inpruments.

## FIELD TRIP REPORT

శ్రీ కన్యకా పరమేశ్వరి ప్రభుత్వ డిగ్రీ కళాశాల గుంతకల్లుకు చెందిన మేము ఫీల్డ్ ట్రిప్ కు వెళ్ళుటకు ప్రిన్సిపాల్ గారి వద్ద అనుమతి పొందాము.

సెప్టెంబర్ 30వ తారీఖున ఉదయం 11 గంటలకు బిఎ గ్రూపుకు చెందిన ప్రథమ, ద్వితీయ మరియు తృతీయ సంవత్సర విద్యార్థులందరము ఇంకా చరిత్ర ఉపన్యాసకులు శ్రీ గోపి నాయక్ గారు రాజనీతి శాస్త్ర ఆచార్యులు అయినటువంటి శ్రీ బాబు గారు మరియు అర్థశాస్త్ర ఉపన్యాసకులు అయినటువంటి శ్రీ శివ గారు, తెలుగు ఉపన్యాసకులు శ్రీ జయమ్మగారు అందరూ ఒక చోట సమావేశమయ్యారు. ఫీల్డ్ ట్రిప్ కు ఏ ప్రదేశానికి వెళ్లాలి అని చర్చించాము. ముందుగా చిప్పగిరి కి వెళ్లాలని అనుకుంటున్నాము కానీ, వర్షం కారణంగా ఆ ప్రాంతమంతా బురదగా ఉంటుందని తెలుసుకొని చివరికి గుత్తి కి దగ్గరగా ఉన్నటువంటి ఎర్రగుడి శిలా శాసనాలను మరియు గుత్తి కోటను దర్శించాలని నిర్ణయించుకున్నాము.

అక్టోబర్ మూడో తారీఖున పరీక్షలు ఉన్న కారణం చేత ఆ మరుసటి రోజు అనగా అక్టోబర్ 1వ తేదీన ఫీల్డ్ ట్రిప్ కు వెళ్లాలని నిర్ణయించుకున్నాము. ఈ ఫీల్డ్ ఎలా వెళ్లాలి అనే ప్రణాళికను సెప్టెంబర్ 30వ తేదీ సాయంత్రానికి సిద్ధం చేసుకున్నాము. మేము ప్రయాణించటానికి నాలుగు ఆటోలను బాడుగకు మాట్లాడుకున్నాము.

అక్టోబర్ 1వ తేదీ ఉదయం 8:30 గంటలకు అందరం కళాశాలకు చేరుకున్నాము. ముందుగా మాట్లాడుకున్నట్లు ఆటోలు వచ్చేశాయి. విద్యార్థులు మరియు గురువులు అందరూ కలిసి ఆటోలో బయలుదేరాము, ఆనందోత్సాహాల మధ్య మా ప్రయాణం ప్రారంభమైంది. దారిలో పాటలు వింటూ, పాడుతూ కేరింతలతో ప్రయాణాన్ని సాగించాము. ఉదయం 10 గంటలకు చేరుకున్నాము కానీ మేము ముందుగా ఎర్రగుడి లో ఉన్న అశోకుడి శిలా శాసనం చూసే విధంగా ప్రణాళిక ఏర్పాటు చేసుకున్నాము. అలా ఉదయం 11 గంటలకు అంత ఎర్రగుడి చేరుకున్నాము.

### ఎర్రగుడి

అనంతపురం జిల్లా గుత్తికి ఎనిమిది కిలోమీటర్ల దూరంలో ఉంది ఎర్రగుడి నాలుగు కిలోమీటర్ల దూరంలో ఎత్తయిన కొండపైన అశోకుడి శిలా శాసనాలు ఉన్నాయి ఈ ప్రదేశం ఎంతో ఆహ్లాదకరంగా ఉంది కారణం ఇక్కడ ప్రభుత్వం వారు ఏర్పాటు చేసిన పూదోటలు మేము ఆటో దిగగానే పూల చెట్లు మాకు స్వాగతం పలికాయి. చుట్టూ రాళ్లగుట్టలతో ఒక వింతైన అనుభూతి పొందేలా ఉంది. ఆ శిలా శాసనాలను చూడాలంటే కొండ పైకి వెళ్ళవలసి ఉంటుంది అలా శాసనాల వద్దకు చేరుకున్నాము. ఫోటోలు దిగుతూ చరిత్ర ఉపన్యాసకులు గోపి సార్ మాకు ఆ శాసనాలకు సంబంధించిన విషయాలను వివరించడం జరిగింది. దాదాపు రెండు వేల సంవత్సరాల క్రితం వేయించిన శాసనాలు ఎండకు ఎండుతూ వానకు తడుస్తూ ఇప్పటికీ ఆనాటి చరిత్రను మనకు తెలపటానికి అన్నట్లు నిలిచి ఉన్నాయి.

### ఎర్రగుడి చారిత్రక నేపథ్యం

ఎర్రగుడి ఈ శాసనం గుత్తి నుండి ఆదోని కి పోవు దారి ప్రక్కన ఉంది. ఈ శాసనాలు 1353 - 54 లో కనుగొనబడ్డాయి. ఈ శాసనం ఈ క్రింది విధంగా ధర్మాన్ని సూచిస్తుంది , దేవతలకు ప్రియమైన వీరు దేవతల ప్రియమైన సూచనల మేరకు వ్యవహరించాలని చెప్పారు. వీరు రాజులను ఆదేశించాలి గ్రామీణ ప్రజలతో పాటు రాట్లకుల అని పిలవబడే స్థానిక అధికారులను ఆదేశించారు. తల్లి తండ్రి మరియు పెద్దలను ప్రేమించాలి, నిజాయితీగా జీవిస్తూ వ్యవహరించాలి, నిజం మాట్లాడాలి అనే విషయాలు లిఖించబడి ఉన్నాయి. ఈ శాసనం పాలి భాష బ్రాహ్మీ లిపి లో ఉన్నాయి. ఈ శాసనం లోని అంశాలు

అశోకుని ఇతర శాసనాల సమూహంతో వేరు పడి ఉన్నాయి. ఇక్కడ రాజును ప్రేయదర్శి మరియు దేవతల ప్రేయమైన అని సూచిస్తున్నాయి. తొమ్మిది, ఇరవై ఎనిమిది భాగాలుగా ఉన్న శాసనాలు తల్లిదండ్రులకు విధేయులుగా ఉండాలని అదేవిధంగా పెద్దలకు దయ చూపాలని, నిజం మాట్లాడాలని ధర్మం కాపాడాలని జీవహింస చేయరాదని శిలాశాసనాల్లో రాసి ఉంది. రహదారుల పక్కన చెట్లు నాటడం మరియు జంతువులు మనుషులు ఆనందం కోసం దాహార్తి తీర్చడం కోసం బావులు తవ్వడం జరిగింది అని ఈ శాసనాల్లో పేర్కొని ఉంది. ధర్మానికి సంబంధించిన రికార్డులు నా చేత అంటే అశోకుని చేత మనుగడ సాగించే ఉద్దేశంతో మరియు నా కుమారులు మరియు మనవాళ్ళు అందరి శ్రేయస్సు కోసం తమను తాము రక్షించుకొనుటకు, మొత్తం వన్యప్రాణుల సంక్షేమం కోసం రూపొందించిన మొదటి చట్టంగా శిలాశాసనాన్ని పరిగణించ వచ్చు అని చరిత్రకారులు వాపోతున్నారు. వాస్తవానికి అవి మౌర్య రాజ్యం యొక్క రాష్ట్ర విధానం, ఆ రాష్ట్రం లేదా ఆ రాజ్యపు మౌలిక సూత్రాలుగా పేర్కొనవచ్చు. అశోకుడు దానిని వంశపారంపర్యంగా రక్షించుకోవాల్సిన అవసరం అని నొక్కి చెప్పారు. ఈ విధంగా ఆ శాసనం గురించి ఉన్న విషయాలను చక్కగా మా గురువులు వివరించారు.

అక్కడ ఉన్నంతసేపు ఎంతో ఆనందంగా గడిపాము దాదాపు రెండు గంటల సేపు అక్కడే గడిపిన తర్వాత మధ్యాహ్నం ఒంటిగంటకు అక్కడి నుంచి గుత్తి కోట కు బయలుదేరాము. గుత్తి కి వెళ్ళాక కోట చేరుకున్నాము 1- 40 సమయానికి గుత్తి కోట దగ్గరికి చేరుకున్నాము.

## గుత్తి కోట

గుత్తి కోట అనంతపురం జిల్లా గుత్తి పట్టణ సమీపంలో ఉంది ఇది అత్యంత పురాతనమైన దుర్గా లలో ఒకటి గుత్తి కొండ ఎక్కడానికి సిద్ధమయ్యాను కొండ ప్రారంభంలో మాకు రెండు ఫిరంగులు ఆహ్వానం పలికాయి మేమంతా ఇక్కడ ప్రారంభించాము కొండ ఎక్కడానికి చక్కగా దారి ఉంది మేమంతా ఎంతో ఉత్సాహంగా ఆడుతూ పాడుతూ ఫోటోలు దిగుతూ కొండలు ఎక్కడం ప్రారంభించాము కొండ ప్రారంభంలో కొంత దూరం వెళ్ళాక అక్కడ ఒక దర్గా కనిపించింది దర్శించుకుని ముందుకు సాగాము.

విద్యార్థులు అందరూ ఎంతో ఆనందంగా కొండ ఎక్కుతూ ఉన్నారు కొందరు విద్యార్థులు వేగంగా ముందుకు సాగుతున్నారు మరికొందరు అలసటతో నిదానంగా ఎక్కుతున్నారు కొంత దూరం వెళ్ళాక అక్కడ అ మాకు ఒక బావి కనిపించింది చుట్టూ రాళ్లతో ఏమాత్రం ఎంత చక్కగా విని ఆ కొండపైన నిర్మించిన నిర్మాణ కౌశలానికి అబ్బురపడ్డాను ఎత్తయిన ప్రాంతం నుండి వచ్చే నీటిని వాళ్ళు ఎంత చక్కగా కాపాడుకున్నారు దాన్ని చూసి అర్థం చేసుకున్నాము.

మరి కొంత దూరం వెళ్ళాక అక్కడ మాకు సైనికుల సమావేశ మందిరం కనిపించింది సైనిక రహస్యాలను మందిరాలలోనే చర్చించుకున్నట్లు తెలుస్తుంది కారణం ఏమిటంటే ఆ మందిరాల్లో మాట్లాడుకునే మాటలు బయటికి వినపడవు అలాగే లోపల ఎంతగా మాట్లాడుకున్నా గట్టిగానే వినిపిస్తోంది సైనిక మందిరాలను సందర్శించుకుని మేము ముందుకు సాగాను అక్కడి నుండి చుట్టూ చూస్తే ప్రకృతి ఎంతో అందంగా కనిపిస్తుంది మా ప్రయాణం సాగించాము కొంత దూరం వెళ్ళాక అక్కడ అశ్వాసాలు కనిపించాయి అవి ఐదు పెద్ద గదులుగా నిర్మించబడి ఉన్నాయి.

మరి కొంత దూరం వెళ్ళాక అక్కడ ఒక గుహ లాంటి నిర్మాణం కనిపించింది అక్కడే స్తంభాలను మరియు నిర్మాణాలను చూస్తే అవి విజయనగర రాజుల పాలనలో జరిగిన నిర్మాణాల పోలికలు కనిపిస్తున్నాయి, వాటి గురించి గోపి సార్ వివరించడం జరిగింది మరి కొంత దూరం ప్రయాణించాక అక్కడ కొన్ని చిన్న చిన్న నీటి కుంటలు కనిపించాయి అవి చూడటానికి ఎంతో అందంగా ఉన్నాయి.

అలా అలనాటి అద్భుతమైన కట్టడాలను, నిర్మాణాలను చూసుకుంటూ ముందుకు నడిచాము. చివరికి కొండపైకి చేరుకుని అక్కడి నుండి గుత్తి మరియు చుట్టుపక్కల ఉన్న

గ్రామాలు కూడా కనిపిస్తున్నాయి, ఎంతో ఆహ్లాదకరమైన వాతావరణాన్ని మేము బాగా ఆనందించాము, ఫోటోలు దిగాము. ఇక తిరుగు ప్రయాణంలో వేగంగా కిందికి దిగుతూ కొంతదూరం వెళ్లొక అక్కడ కాస్త విశ్రాంతి తీసుకుని భోజనాలు చేశాము. మేమంతా తీసుకొచ్చిన క్యారియర్ లలోని భోజనాలు అందరూ పంచుకుని తృప్తిగా భోజనం చేశాము.

### **గుత్తి కోట చారిత్రక నేపథ్యం**

గుత్తి కోట చాళుక్యుల కాలంలో కట్టబడింది అని భావిస్తారు. అయితే విజయనగర రాజులు దీనిని పటిష్ఠం చేశారని అక్కడ లభ్యమైన ఆధారాలను బట్టి చరిత్రకారులు చెబుతున్నారు. ఈ కోట పేరు ఒక శాసనంలో ఇవ్వబడింది. విజయనగర చక్రవర్తి బుక్కరాయలు తన శాసనంలో, గుత్తి కైఫియత్ ప్రకారము కోటను ఆక్రమించినట్లు, ఆ తర్వాత ఇది కుతుబ్ షాహీ వంశస్థుల పాలనలో వెల్లిపోయిందని, 1756లో మురారి రావు ఆధ్వర్యంలో మరాఠాలు దీనిని చేయించారు. 1775 లో హైదర్ అలీ 9 నెలల యుద్ధం తర్వాత ఈ కోటను వశపరచుకున్నాడు. 1779 లో టిప్పుసుల్తాన్ మరణానంతరం ముస్లిం మారిన బ్రాహ్మణ సేనాని ఆధీనములో ఈ కోట ఉండగా నిజాం తరపున బ్రిటిష్ బ్రౌసర్ కోటను ఆక్రమించుకొని బ్రిటిషు వారి పాలనలోకి తెచ్చాడు.

గుత్తి కోట, దాని చుట్టూ ఉన్న మైదానము కంటే దాదాపు 300 మీటర్ల ఎత్తున ఉంది. ఈ కోట శంఖం ఆకారంలో నిర్మించబడి 15 బురుజులతో, 15 ముఖ్య ద్వారములు కలిగి ఉంది. ఇందులో రెండు శాసనములు, వ్యాయామశాల మరియు మురారి రావు గద్దె ఉన్నాయి. ఇలా ఈ కోటకు సంబంధించిన చరిత్ర గురించి మేము క్లుణ్ణంగా గురువుల దగ్గర్నుంచి తెలుసుకోవటం జరిగింది.

**REPORT ON GUEST LECTURE**

**Date: 06-01-2020**

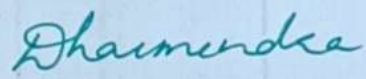

The Department of Computer Science of SKP Govt. College had arranged a guest lecture on 06th January 2020 for the fourth semester students. The lecture on the topic "Fundamentals of Data Structures" was provided by Sri. P.Sreenivasulu, Lecturer in Computer Science, Government Degree College, Tadipatri, is a 10 years Experience in the field of Degree College. He has his expertise in the field of C, Data Structure and Algorithm and OOP's in Java .

He gave us an insight on the industrial application and usage of the various types of available data structure. He kept the session engaged with the various available data structures and each types' specific application. He started the session with the type "Struct". He explained the basics of the data type and went on to explain the Industrial application of the same. The session went the same with sir explaining the various types such as : union, Tree, Stack, Linked list etc.

The entire session was extremely informative and practically for students. It not only gave us an insight on the topic of Data Structures, but also on the various opportunities and fields available in the industry for the application of such.

**(Memorandum of Understanding)**

## S.K.P.GOV'T DEGREE COLLEGE, GUNTAKAL DEPT OF ZOOLOGY

### MEMORANDUM OF UNDERSTANDING

This memorandum of understanding is signed between:

Sri Kanyaka Parameshwari Government Degree College is located at Guntakal and established in 1968. This college was recognized by UGC in 1988 under 2(f) 12(B) it is affiliated to Sri Krishnadevaraya University Anantapur.

It is the object of this institution to disseminate and advance knowledge to acquire research and extension facilities in the branch of Zoology with **MOU** through department of **A.P Veterinary science** with special reference to **poultry** development. It shall provide necessary facilities and atmosphere for the promotion of following objectives.

- 1) New methods of poultry development with regard to broiler production and layers production.
- 2) Studies on **poultry** management.
- 3) Poultry diseases and control.
- 4) Analysis of protein content and other nutrients by using conventional feed.

The Guntakal town surrounded by several poultry farms, hence students will have wide opportunities in pursuance of above **MOU**. The above aspects provide to develop research, and advance studies with special emphasis on practical knowledge. It also helps in extension services.

#### **1. FIELD OF COOPERATION:**

- a. The department of **A.P veterinary science** and intuition mutually accepted for holding seminars and field trips.
- b. There will be interaction with the faculty of veterinary department.
- c. Students will be provided with practical knowledge in the field of **poultry**.
- d. Seminars and workshops can be conducted.
- e. Collaboration in sharing of data scientific information articles, publications and training.

#### **2. VISIT TO THE LOCAL POULTRY FARMS:**

#### **3. MISCELLANEOUS:**

The **MOU** shall be jointly worked out in terms of the above parameters. The parties of memorandum by mutual consult they can add modify delete review any terms and conditions. The **MOU** remains in force for a period of 5 years and it may be terminated by either side by giving 6 month notice to that effect in writing.

The parties of MOU under take to treat as confidential and privileged information of the other institution which so classified in advance. The terms of confidentiality and mode of disclosure shall be as per mutually acceptable terms.

GUNTAKAL

Department of Mathematics  
SSGS Aided Degree College,  
Guntakal

Department of Mathematics, **SSGS Aided Degree College, Guntakal** and the Dept of Mathematics, **S.K.P Government College, Guntakal**, agree to work towards establishing an academic cooperation in areas of students interest by mutual agreement as set forth in this Memorandum of Understanding (MOU).

### OBJECTIVES :

1. To help the students to have knowledge about various applications of Mathematics in different fields and recent developments in research.
2. To enhance quality of the students by providing need based knowledge in the areas of practical aspects of Mathematics in daily life.
3. To enhance the employability of students by providing them add on courses and by organizing guest lecturers and short-term educational programmes (on personality development, career guidance etc.,) and thus providing learning material and other relevant literature to enrich their educational talent and research attitude in Mathematics.

### NATURE OF COLLABORATION :

This MOU shall be valid initially for three years (2018-2021) from the date of execution from both the parties and extendable further as per the need of both the parties.

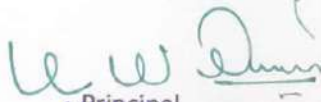

Both the parties shall take reasonable steps to ensure the successful completion of the collaboration and shall cooperate with each other in performance of their respective obligations.

Each party shall be at liberty to terminate this MOU with a written notice period of three months, to the other party without any compensation selecting legal redress. Further, protection and exploitation of any data and/or intellectual property rights that arise as a result of any collaborative research or activity will be agreed on a case-to-case basis.

This MOU is signed subject to approval of the respective academic/administrative bodies and not intended to be legally binding, nor to create any evidence or imply any contract obligation to enter into a contract or obligation to negotiate.

## Memorandum of Understanding

Between

Partner - 1

Department of Chemistry  
S.K.P. Government Degree College  
Guntakal, Ananthapuram District

And

Partner- 2

Department of Chemistry  
S.S.G.S Degree College  
Guntakal , Ananthapuram District

This Memorandum of Understanding (MOU) sets for the terms and understanding between the partner-1 and the partner- 2 for benefit and academic excellence of students.

### Purpose

- To expose students to experts of partner Institution.
- To develop core competencies of students by providing expertise needed in their domain .
- To give practical experience to students of partner Institution/Industry .
- To inculcate soft skills and to increase employable skills of the students .
- To train students in certain specific subject domains .

This MOU will purpose the goals of partnership

### The above goals will be accomplished by undertaking the following activities:

- Extension Classes will be conducted by mutual exchange of Faculty .
- Training will be given in areas of expertise of staff to the partner institution .
- Students will be taken a visit to the partner Institution for exposure to wide range of experience

GUNTAKAL, ANANTHAPURAM Dist.**

1. **PURPOSE:** With the object of promoting the cooperation and understanding at UG level for B.Com courses and sharing of knowledge resources for the benefit of students the Department of Commerce S K P Government College, Guntakal enters into the following Memorandum of Understanding with Sri Sanakarananda Giri Swamy Degree College.
2. **Areas of Cooperation:** Within such areas as are mutually acceptable for the parties, the following areas of cooperation amongst other may be per sued hereunder
  - Joint teaching activities
  - Visits by teachers
  - Joint curricular activities such as seminars, group Discussion, Debate, Quiz etc.,
  - Sharing of Infrastructural facilities viz., Digital Class rooms, Virtual Class rooms, Library, Departmental Computer Lab etc.,

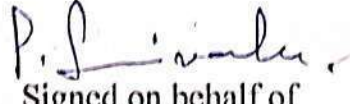

3. **Financial Arrangements:** It is clear for both the parties that there are no financial implications what so ever. If the contingency arises both the parties understand that, the expenditure will be borne from the internal sources of the concerned parties.
4. **Coordinators:** To facilitate the smooth conduct of intended academic programme, both the parties will entrust the responsibility of coordination to the In charges of the concerned Departments. In charges of Departments will regularly communicate with each other in planning and execution of the academic activity for the benefit of students.
5. **Liability for the loss or damages:** Both the parties will not have any liability for the loss or damages incurred during the execution of academic activity except in case of misuse of equipment out of negligence of the students.
6. **Legal Implications:** This Memorandum OF Understanding is only a document of Statement of purpose for mutual benefit of ultimate stakeholders i.e., the students. Therefore, this Memorandum of Understanding is not legally binding and does not have any sort of legal implications.
7. **Duration of Memorandum of Understanding:** This MOU is effective from the date of signing for a period of 5 years (From 2019-20 to 2023-24). Further it may be renewed as per the requirement of both the parties.
8. **Over all Authority:** The Principals of both the Institutions are the final authority in decision making for effective implementation of the intended academic programmes.

9. **Implementation:** MOU is to be implemented in true letter and spirit under the supervision and control of the In charges of both the Institutions .the In charges are in turn are responsible to the Principal for all the issues concerned.

This MOU is drawn up in two copies, one for each party duly signed by both the parties.

## MEMORANDUM OF UNDERSTANDING (MOU)

Department of Mathematics  
S.K.P Government College,  
GUNTAKAL

Department of Mathematics  
SSGS Aided Degree College,  
Guntakal

Department of Mathematics, **SSGS Aided Degree College, Guntakal** and the Dept of Mathematics, **S.K.P Government College, Guntakal**, agree to work towards establishing an academic cooperation in areas of students interest by mutual agreement as set forth in this Memorandum of Understanding (MOU).

### OBJECTIVES :

1. To help the students to have knowledge about various applications of Mathematics in different fields and recent developments in research.
2. To enhance quality of the students by providing need based knowledge in the areas of practical aspects of Mathematics in daily life.
3. To enhance the employability of students by providing them add on courses and by organizing guest lecturers and short-term educational programmes (on personality development, career guidance etc.,) and thus providing learning material and other relevant literature to enrich their educational talent and research attitude in Mathematics.

### NATURE OF COLLABORATION :

This MOU shall be valid initially for three years (2018-2021) from the date of execution from both the parties and extendable further as per the need of both the parties.

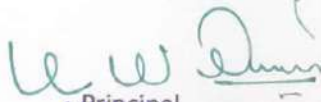

Both the parties shall take reasonable steps to ensure the successful completion of the collaboration and shall cooperate with each other in performance of their respective obligations.

Each party shall be at liberty to terminate this MOU with a written notice period of three months, to the other party without any compensation selecting legal redress. Further, protection and exploitation of any data and/or intellectual property rights that arise as a result of any collaborative research or activity will be agreed on a case-to-case basis.

This MOU is signed subject to approval of the respective academic/administrative bodies and not intended to be legally binding, nor to create any evidence or imply any contract obligation to enter into a contract or obligation to negotiate.

## Memorandum of Understanding

Between

Partner - 1

Department of Chemistry  
S.K.P. Government Degree College  
Guntakal, Ananthapuram District

And

Partner- 2

Department of Chemistry  
S.S.G.S Degree College  
Guntakal , Ananthapuram District

This Memorandum of Understanding (MOU) sets for the terms and understanding between the partner-1 and the partner- 2 for benefit and academic excellence of students.

### Purpose

- To expose students to experts of partner Institution.
- To develop core competencies of students by providing expertise needed in their domain .
- To give practical experience to students of partner Institution/Industry .
- To inculcate soft skills and to increase employable skills of the students .
- To train students in certain specific subject domains .

This MOU will purpose the goals of partnership

### The above goals will be accomplished by undertaking the following activities:

- Extension Classes will be conducted by mutual exchange of Faculty .
- Training will be given in areas of expertise of staff to the partner institution .
- Students will be taken a visit to the partner Institution for exposure to wide range of experience

### Brief Report on Field Trip

Cold storage is a facility that primarily stores food items that are short-lived and highly likely to get spoilt under normal conditions. These may include fruits, vegetables, fish, meat etc. These food items are stored under optimum temperature (primarily low) and humid environment as required for individual items. Almost all cold storage rooms are designed such that these properties are pre-configured based on what is being stored. Some cold rooms are made such that these properties are adjustable.

Department of chemistry S.K.P. Government College has planned field trip to "S.V.Rural Farmers Cold Storage" at G.Kottala Village, Guntakal as a part of field study and to acquaint students with practical knowledge for Chemistry as a part of paper semester- 4&6. The students are taken to educational field trip to "S.V.Rural Farmers Cold Storage". Prior permission and approval is taken from The Principal to visit the plant. Proper arrangements were done and students are informed by Circular, to participate in the field trip. Total of 25 students as given their names. The students are given proper instructions and precautions to be followed at the field site.

The students gathered in the college, bus is arranged for transportation. The place of visit is approximately 6 km from the Guntakal town. After reaching the site, students were taken to the

Later, students were taken to Tammarind Processing and silk spinning area in the premises. The processes were explained to students on Food Storage and specifically packaging and storage of Tammirind, which is running currently on the day. and report is submitted to the principal after reaching the college

DEPARTMENT OF BOTANY

**A BRIEF REPORT ON FIELD VISIT**

We the members of Botany department along with students of I BZC, visited the crop fields of surrounding the college campus which are 2 kilometers away from the college. We reached the destination by 9:30 am. After taking breakfast, moved in to the field. The area is occupied by agricultural fields and the type of the soil is red and black. Geographiically it is a rocky soil which is suitable for ground nut and some pulses crops. The students observed the fields and weeds in the crop fields , and identified the families of some plants by seeing their characters, also observed some plant diseases in crop fields. All the information was noted by the students. Our team returne to college by 4pm, and the information was transferred to practical note books. All the students were dispersed to their homes after 5pm.

**Date: 22-12-2021**

A guest lecture by Sri.C.Chandranna, Lecturer in Political Science from SSGS Degree College, Guntakal was held on 22 December 2021 by the Department of B.A Political Science. The lecturer delivered lecture on Public Administration - the success of any government depends upon effective functioning of Public Administration. Public administration is government in action. The significance of public administration increases manifold in a developing country. India being a developing country depends upon the vital role of public administration. We all know that India is politically developed but the pace of socio economic development is not at par with political growth. Therefore it becomes imperative for the government to champion the cause of socio economic growth which is actually implemented by the private agencies in many developed countries and they are proved to be successful, but in India government has to play a crucial role in the process of socio economic uplift.

**REPORT ON GUEST LECTURE**

**Date: 23-03-2022**

A guest lecture by Sri.C.Chandranna, Lecturer in Political Science from SSGS Degree College, Guntakal was held on 23 March 2022 by the Department of Political Science. He delivered lecture on the Voting Behaviour in India and its Determinants. He strated the lecture by defining Voting as it is one of the most commonly used terms in democratic politics. Voting is the life and soul of democracy because it is through elections the people elect their representatives, forms their government. Citizen uses voting as a means for communicating his endorsement or objection to governmental decisions, policies and programmers of various political parties.

Voting behaviour refers to actions and inactions of citizens in respect of participating in the elections that take place for members of their local, regional, or national government. The study of determinants of electoral behaviour constitutes a very significant area of empirical study. An empirical study of the determinants which inspire and influence the voters to exercise his right to vote in favour or against a particular candidate is influenced by different factors such as gender, race and pressure groups in invoking religious and communal factors, the influence of money or charismatic personality of a leader. The main purpose of the present study is to focus interest on voting behaviour in India and to emphasize the factors that determine the voting behaviour in India Key Words: Voting,

**A BRIEF REPORT ON GUEST LECTURE**

Date: 20-08-2022

Today Department of Arts arranges a Guest Lecture with Dr.H.Marriswamy, from Govt. Degree College Pattikonda on "The Role of Government schemes". Government Schemes in India are launched by the government to address the social and economic welfare of the citizens of this nation. These schemes play a crucial role in solving many socio-economic problems that beset Indian society, and thus their awareness is a must for any concerned citizen. He explained about some of the core schemes launched by the Modi government like swachh Bharat Abhiyan, Pradhanmantri Jan Dhan Yojana, Digital India Pradhanmantri ujwala plan, Namami gange Yojana and many more. Make in India is a major national programme of the Government of India designed to facilitate investment, foster innovation, enhance skill development, protect intellectual property and build best in class manufacturing infrastructure in the country

Dr.H.Marriswamy delivered his lecture on various government schemes from the beginning of the First Five Year Plan. He beautifully explained the various schemes and its benefits, and how the beneficiaries benefitted and uplifted their lives. The benefit of government intervention is the possibility of reducing potential political risk, and the cost is that such a government needs to mobilize public or private resources to share the corresponding economic risks. Governments can intervene to provide a basic security net – unemployment benefit, minimum income for those who are sick and disabled. This increases net economic welfare and enables individuals to escape the worst poverty. This government intervention can also prevent social unrest from extremes of inequality.
