

VISION

- To make quality higher education accessible to the marginalized sections of society making them responsive to its objectives by creating dynamic environment for enlightening of student community embodying them with modern scientific temperament and cultural heritage and tradition.

MISSION

- To fulfill the vision, the college has adopted a missionary approach to redefine the goals and objectives of spreading education and to meet the needs and aspirations of the region in tune with changing times.
- Introducing Restructured courses to develop global competence among the students and to make the institution self supporting.
- Creating a conducive academic ambience of higher learning with main focus on Scheduled Tribes, Scheduled Castes and other economically and socially backward students.
- Raising the quality of education and making the college as an effective human Resources institution
- The stake holders are made aware of the vision and mission through action and various programmes. The vision and mission statement is also available in the college website.
