

**Proceedings of the Commissioner, Collegiate Education
Andhra Pradesh :: Vijayawada**

Present : Dr. Pola Bhaskar, IAS

Rc.No. 003/Academic Cell/AC-10/2022

Date : 6.4.22

Sub: Collegiate Education –Implementation of Continuous Internal Assessment (CIA) - Standard Operating Procedure (SOP) to be followed by all colleges – Reg

Ref:1. Outcome of the workshop held on Implementation of Continuous Internal Assessment (CIA) and Evaluation in Government Degree Colleges at SRR&CVR Government College (A), Vijayawada on 30.12.2021

In general sense both Assessment and Evaluation are considered synonymous. But actually, both have different meanings. **Assessment is the feedback from student to teacher and Evaluation is feedback from teacher to student.** It involves the use of empirical data on student learning to refine programs and improve student learning. It's a judgment on student's performance, which includes both tangible and intangible aspects. Assessment is the use of empirical data on student learning to refine programs and improve teaching and student learning. As learning styles differs from student to student, the teacher needs to be more cautious while assessing the students.

Need for the Assessment:

Continuous Assessment is a critical step in the learning process. It determines whether learning objectives of the course/programme have been met. A learning objective is the expectation about what students should know or be able to do by the time a lesson is completed. Assessment affects many facets of education, including student grades, placement, and advancement as well as curriculum, instructional needs, and funding. The following points highlight the significance of assessment in the learning process.

- Capturing student's time and attention
- Generating appropriate student learning activity
- Providing timely feedback which students pay attention to
- Helping students to internalize the disciplines standards and notion of equality.
- Generating marks or grades which distinguish between students or enable pass/fail decisions to be made.
- Providing evidence for others outside the course to enable to judge the appropriateness of standards of the course.

Types of Assessment:

In the past only observation by the teacher was the main mode of assessment. In the process of development of the system and skills, there occurred various types of assessment. Broadly they can be classified as 'Formative Assessment' and 'Summative Assessment'.

Formative Assessment:

Formative assessment is continuous and is conducted during the teaching-learning process using a variety of tools and strategies. The purpose of formative assessment is to monitor student learning and provide feedback during the teaching learning process. Here, the main role will be played by a teacher or a group of people through various transparent methods. The responsibility of evaluating the internal assessment is vested on the teacher/s who teach/es the course. Assessment will be conducted through the following strategies:

- Observation during class
- Tasks set for home learning
- Projects/presentations
- Open-ended tasks
- Performance tasks

The subject teacher prepares these assessments. Furthermore, it is continuous and does not replace exams. It is a suitable evaluation technique and tool. Also, they carry a fixed portion of marks for the assessment. Most noteworthy, it gives feedback to teachers so that they can improve their teaching. On the other hand, it gives students a chance to improve their external assessment grade by seeing internal assessment results. So, that student can improve their learning. For this, the internal grade awarded to the students in each course in a semester shall be published on the notice board at least one week before the commencement of end semester examination.

Summative Assessment:

The goal of **summative assessment is to evaluate student learning at the end of an instructional unit** by comparing it against some standard or benchmark. There will be University Examinations at the end of each semester for both Theory and Practical sessions. Semester End Examinations for all theory papers shall be got set/prepared by the Controller of Examinations as per existing norms and evaluation of all theory papers shall be set/prepared by the Controller of Examinations as per existing norms.

Existing system of Assessment in Govt. Degree Colleges: In the light of above discussion, it is observed that the summative assessment in Govt. Degree Colleges in Andhra Pradesh is found in Semester-end for 75/100 marks for each course. But in the case of formative assessment, it has been found that there are a number of differences/deviations in

autonomous and non-autonomous colleges due to differences from University to University in awarding Internal marks to the students. The following tables show the existing system of awarding internal marks in colleges under various university jurisdiction.

INTERNAL ASSESSMENT IN NON-AUTONOMOUS COLLEGES

S No	Zone	District	Affiliated University	Mid Exam / CIA / CIE Marks	Online Exam if Any	Assignments Marks	Seminar / Quiz/ Field Trips / Group Discussion / Survey	Attendance	Project / Objective Test	Viva	Total
1	I	Srikakulam	Dr BRAU	10	--	5	5	5	--	--	25
2	I	Vijanagarm and Visakhapatnam	AU	15	--	5	5	--	--	--	25
3	II	East Godavari and Westt Godavari	AKNU	15	--	5	5	--	--	--	25
4	II	Krishna	KU	10	--	5	5	5	--	--	25
5	III	Guntur and Prakasam	ANU	15	--	5	--	5	--	--	25
6	III	Nellore	VSU	15	--	5	5	--	--	--	25
7	IV	Chittoor	SVU	25	--	--	--	--	--	--	25
8	IV	Kadapa	YVU	10	--	5	5	5	--	--	25
9	IV	Kurnool	RU	20	--	--	10	--	--	--	30
10	IV	Ananthapuram	SKU	15	--	5	5	--	--	--	25

- It is observed that, the CIA Pattern is followed in all Autonomous and Non- Autonomous Government Degree Colleges which are affiliated to 11 Universities in the State with the pass mark being 8 out of 25 and 27 out of 75.
- In autonomous colleges, the internal marks are being awarded in the range of 30 to 50 marks.
- In case of non-autonomous colleges it is differed from University to University, however, most of the Universities have opted for 75+25 External and Internal system respectively.
- In 09 State Universities, the colleges are following 75+25 pattern and 02 Cluster Universities adopted 70+30 pattern. But, the procedure of awarding internal marks differs from University to University and College to College, with huge deviations in awarding criteria without any commonality.

INTERNAL ASSESSMENT IN AUTONOMOUS COLLEGES

S No	Zone	District	Name of the GDC	Mid Exam / CIA / CIE Marks	Online Exam if Any	Assignments Marks	Seminar / Quiz/ Field Trips / Group Discussion / Survey	Attendance	Project / Objective Test	Viva	Total

16	IV	Kurnool	SJGDC, Kurnool	20	--	5	5	--	5	5	40

In order to understand different criteria adopted by different Colleges, a One day workshop was conducted with RJDCEs, Principals (39 in number) and Subject Experts (40 in number) to invite ideas from the Principals and Subject experts with an aim to formulate uniformity in the assessment procedures in all the Government Degree Colleges in the State of Andhra Pradesh.

The Commissioner, Collegiate Education invited the Principals and Subject Experts to present their existing awarding criteria in the workshop and after the submission of Principals and Subject Experts, the CCE made the following remarks by suggesting a common pattern of Internal and External exams that needed to be followed in both Autonomous and non-Autonomous colleges in the State of AP in a uniform manner. The following Standard Operating Procedure (SOP) for Continuous Internal Assessment is prescribed.

SOP ON CONTINUOUS INTERNAL ASSESSMENT AND EVALUATION

1. The following citations should be kept in view by all the faculty members with regard to Teaching, Learning and Evaluation.

“When learning and teaching continuously improves everything improves. Quality is never an accident. It is always the result of intelligent effort. Ignorance is bliss until it hits you on the face. The real education is the one that will set you free”
----- Nelson Mandela

“The correct analogy for the mind is not vessel that needs filling; but wood that needs igniting”.
----- Plutarch

2. While measuring the qualitative aspect of higher education, it is essential for everyone involved in the assessment process to understand the concepts clearly. Unless the correct interpretations and benchmarking are understood by everyone, there will be ambiguity in judgments.
3. In a changing context, the needs and aspirations of the students have to be met through the curriculum and curricular transactions to enable them to play an effective role in the employment sectors. The thrust of the education is shifting to employability based on the changing philosophy from idealism to pragmatism.
4. One of the key insights into the knowledge issue is that what you know is less important than how you know it and how you apply it. It boils down to the difference between two types of thinking. Low level concrete thinking, concerns simple observations, facts and figures and is the foundation of the next level of thinking-high level abstract thinking – concerns and relationships. Both kinds of thinking are necessary.
5. Examination reforms has been a prominent theme in the deliberations in connection with higher educationalists apparently had little impact; examinations are universally associated with anxiety and stress both for students and others. There are various malpractices that reduce the dependability and credibility of the examination system.
6. The academic quality of actual examination has long been a major complaint. The methodology in the system is the root cause that needs to be tackled on priority basis. The sizable weight for internal assessment is a major step. The main problem is the incomplete development and articulation of relevant and systematic schemes for internal assessment designed to suit the needs of different subjects and levels of the students.
7. In this regard, faculty members have not been offered sufficient support through clearly spells out SOPs specific to their subjects and effective orientation through manuals or workshops. The absence of clarity is leading students to perceive internal assessment lacking objectivity and transparency.
8. Benjamin Bloom, an educational Psychologist devised a pyramid model that represents different ways of learning which is known as “Blooms Taxonomy” and is described below:

A learner is expected to progress from the lowest level of the pyramid to the highest i.e. from the Lower Order Thinking Skills (LOTS) to the Higher Order Thinking Skills (HOTS)

9. There is every need for a change in focus in the internal assessment from question patterns that require simple memory recall to a judicious mix of questions which assess,
 - ✓ Knowledge acquired
 - ✓ Standard application of knowledge
 - ✓ Application of knowledge in new situations
 - ✓ Critical evaluation of knowledge
 - ✓ Ability to synthesize knowledge drawn from different sources
10. Therefore, the internal assessment should be aimed towards ensuring the descriptions of the abilities and other qualities a course seeks to develop in students. In other words, from inert product to processes and capacities that point to continued learning.
11. The major principle for improving the quality of internal assessment is that a variety of means of assessment should be used to match many dimensions of learning objectives. The use of many such devices is possible only in the college setting of internal assessment handled directly by the individual faculty member.
12. Under the above circumstances, the CIA has been divided into four categories of inventory tasks and activities as detailed below:

S.No	Type of Assessment	Weightage Assigned
(i)	Assignments	5
(ii)	Project-Work/Seminar/Group Discussion/Role play/Quizzes/Presentations	5
(iii)	Cleaning, Greening and Attendance	5
(iv)	Testing of knowledge through Mid-term examinations (Mid -1 + Mid -2)	20 + 15
	TOTAL	50

13. **Assignments:** A writing assignment encompasses any writing task a teacher asks of students that involves more and more thought processes including analysis, evaluation, interpretation, narration, syntheses, reflection, clarification summarization, creative expression and application or demonstration of knowledge or learning. Every faculty member should determine the purpose of the assignment and the levels of students and accordingly assignments should be given. There should be

at least one assignment for each unit/module as and when the syllabus (unit/module) is completed. The weightage of marks, assigned for the assignments should be awarded after completion of all the assignments in respect of all the units/modules and it should be finished before conduct of II Mid examination.

- 14. In class activities:** laboratory/manipulative skill which include as described below for different subjects should be organized by every faculty member in respect of the subjects being taught by him/her

Sl. No	Subject	Suggested Activity/Activities for CIA
1	Chemistry Physics Mathematics Electronics	Peer teaching, Student seminars, quiz, worksheets on subjects, KWL (Know, Want-to-know, and Learned) Group work, Work sheets on subject, Industrial visit, Individual and Group Projects
2	Zoology, Botany, Geology, Geography, Computer Science	Field visit, Student projects, Student seminars, peer teaching, filling gaps, Matching, quiz, worksheets on subjects, KWL, Hydroponic gardening, live projects, Vermi compost Preparation, growing Nursery plants, Aquarium maintenance, Fish farming
3	Micro Biology, Bio chemistry, Food & Nutrition, Home Science, Horticulture, Agriculture, Aquaculture, Home Science	Industrial visit, Lab visit, Student seminars, quiz, worksheets on subjects, KWL, Student projects, Hydroponic gardening, live projects, Vermi compost Preparation, growing Nursery plants, Aquarium maintenance, Fish farming, Mushroom Cultivation, Organic farming
4	Statistics, Economics, History, Archeology, Political Science, Public Administration	Socio economic survey, Group discussions, Student seminars, peer teaching, quiz, worksheets on subjects, KWL, Field visits, Mock Parliament, Web assignments
5	Languages	Comprehension paragraphs, Book review, Think-pair-share actions, Student seminars, peer teaching, filling gaps, quiz, worksheets on subjects, KWL, Group Discussion, LSRW activities
6	Commerce and Management	Industry visits and tours, group discussion, group projects, Student seminars, one-word answers, Multiple choice questions, peer teaching, filling gaps, Matching, quiz, worksheets on subjects, KWL, Socio economic surveys

- 15.** Students should be encouraged to participate in **Activities** like Clean & Green of the campus/in the community etc. Pucca record should be maintained showing the authenticity of the participation and accordingly marks should be awarded to each student. There should not be any malpractices in this regard. Attendance should also be taken into account for awarding total marks of 5. The award of marks for this should be completed before conduct of II Mid examinations.

16. **Testing of knowledge** subject-wise **Mid Examinations** is a very important outcome of learning, with a weightage to the extent of 70% of the total internal assessment.

17. Suggested to conduct **Mid I** Examination through three kinds of questions:

- Firstly, One out of Three Essay type questions carrying 5 marks should be given.
- Second, five out of seven short answer questions should be set carrying $5 \times 2 = 10$ marks with weightage and
- Third, ten objective type questions should be framed carrying $10 \times \frac{1}{2} = 5$ marks with weightage comprising multiple choice answers, fill in the blank questions, matching answers questions, comprehension etc.,
- The duration of examination is 1 Hour per paper for a total of 20 Marks.

18. **Mid II** examination is to be conducted after the completion of syllabus choosing two kinds of question, as explained above for a total of 15 Marks.

19. Two mid-term examinations as explained above should be conducted, I Mid after completion of 50 % syllabus and II Mid after completion of total Syllabus with 35 marks for Mid Exam (Mid -1 for 20 Marks and Mid-2 for 15 Marks).

For Assignment, Seminar/Quiz/Field trip/ Project work and Clean, Green and Attendance etc., for the three components, the marks to be allotted once in a semester before conduct of II Mid Examinations.

The marks obtained by a student for 50 marks (Total of two Mid exams for 35, Assignments 5, Classroom Activities 5, Clean, Green and Attendance 5) is to be scaled down to 25 and this should be treated as the CIA score of the student in that subject.

In case of Autonomous colleges whatever the weightage of internal assessment is fixed, it should be scaled down accordingly.

20. Blended mode of internal assessment should be followed. At least one-mid should be conducted through online and records of every student should be documented for reference.

21. All the staff members should maintain records/registers properly in the prescribed format. The details of the marks secured by the student subject-wise and component-wise should be uploaded by each faculty member in the **SEMS App (Students Evaluation Management System)** on real time basis without fail.

22. The Principals should see that, 04 types of records are to be maintained in the college which are to be submitted during inspection.

- (i) Student-wise and Semester-wise CIA Record is to be maintained by the concerned faculty member as per STUDENT EVALUATION REPORT (Proforma Enclosed)
- (ii) Subject-wise and Semester-wise CIA Record is to be maintained by the concerned In-charge of the department of all the students of the subject as per STUDENT EVALUATION REPORT prepared by concerned faculty
- (iii) Program-wise and Semester-wise consolidated CIA Records of all students of the college are to be maintained by the Principal of the College/Examination i/c. Similar Registers are to be maintained for Life Skills, Skill Development Courses etc., as per STUDENT EVALUATION REPORT (CONSOLIDATED) (Proforma Enclosed)
- (iv) Semester wise PROGRESS REPORT generated through SEMS (Students Evaluation Management System) App

Rc.No:03/Acad.Cell /A.C-7/2022

Date: 03-02-2022.

Sub: Collegiate Education - Standard Operating Procedures (SOP) for
NAAC submission of AQAR/SSR Records – Instructions - Reg.

Ref: Review Meetings with Principals of GDCs.

The National Educational Policy 2020 (NEP-2020) emphasizes the need and importance of accreditation as a means to ensure quality education. In this regard, the NEP-2020 recommended mandatory accreditation of all Higher Educational Institutions (HEIs) in a time bound manner. The Govt. of Andhra Pradesh is committed to provide quality education to all the students of the state and ordered for mandatory accreditation of all the HEIs offering conventional, technical and professional programmes within three years vide G.O. RT. No. 13, Higher Education (U.E) department, Dated. 02-02-2021.

In this connection the Commissionerate of Collegiate Education, AP has conducted several review meetings with the Principals, Internal Quality Assurance Cell (IQAC) Coordinators, Criterion in-charges of certain Government Degree Colleges to review their preparedness for assessment and accreditation by NAAC.

In the review meetings it is noticed that some Government Degree Colleges are not maintaining the records in the required format of Revised Accreditation Framework (RAF) as desired by NAAC. It is also noticed further that some colleges have not even submitted AQARs even though the timelines for submission have expired and, in some cases, AQARs are submitted with 'Nil' reports and certain records are not available in the departments / college level IQACs.

In view of the above, all the Principals, IQAC Coordinators, Criterion in-charges / members and in-charges of departments are informed to maintain all the records pertaining to NAAC Assessment and Accreditation in the Revised Accreditation Framework (RAF) method and follow the guidelines mentioned below scrupulously at college level:

APCCE - NAAC

**SOP for Maintaining NAAC Records in Government Degree Colleges (GDCs)
in AP**

1. Vision and Mission

- Each GDC shall prepare their own *Vision* and *Mission* statements as part of their action planning process for achieving the desired goals of the institution. Similarly, IQAC and each department in the institution shall also prepare their Objectives in line with institution's *Vision* and *Mission*.
- The *Vision* statement envisages the long-term goals of the institution. It is the big picture of what the leadership wants the Institution to look

like in the future. Therefore, a vision statement does not change from year to year until the completion of a cycle. It should be comprehensive and holistic and should be presented in a single sentence.

- The *Mission* explains how the vision of the institution gets translated through various strategic plans. The vision represents the big picture and the mission represents the necessary work that should be taken up stage – wise constructively.
- Both the ‘vision’ and ‘mission’ explain the goals and objectives and the steps planned for achieving the outcomes.
- At the end of the cycle, the institution shall present the vision achievement of the stated *Vision* before the NAAC.

2. IQAC Committee

Since quality enhancement is a continuous process, as per the mandate of NAAC, the Internal Quality Assurance Cell (IQAC) shall be established to achieve the goals of quality enhancement and sustenance. The primary task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the institution. The success of IQAC depends upon the sense of personalization and participative attitude along with committed hard work and team spirit of all the stakeholders.

Composition of the IQAC Committee:

The composition of the IQAC should be constituted according to the guidelines prescribed in the NAAC Manual.

3. Functions of IQAC

The IQAC has to ensure outcome-oriented quality work is taken up by different departments of the HEI and the stakeholders in tune with the ‘Vision’ and ‘Mission’. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on various aspects of the functioning of the institution. The IQAC Coordinator has a major role in implementing these functions. The IQAC may derive support from the already existing units and mechanism that contribute to the functions:

Some of the functions expected of the IQAC are:

- a) Development and application of quality benchmarks / parameters for various academic and administrative activities of the institution
- b) Creation of a learner-centric environment conducive to quality education and faculty knowledge / skill promotion to adopt the required knowledge and technology for participatory teaching and learning process
- c) Arrangement for feedback from students, parents, alumni and other stakeholders on quality-related institutional processes

- d) Dissemination of information on various quality parameters of higher education
- e) Organization of inter and intra institutional workshops, seminars, conferences and symposia on quality related themes and promotion of quality circles;
- f) Documentation of the various programmes / activities leading to quality improvement as per SOP
- g) Acting as the nodal agency of the Institution for planning, monitoring and coordinating quality-related activities, including adoption and dissemination of best practices
- h) Development and maintenance of institutional database related to SSR / AQAR through MIS for the purpose of maintaining and enhancing the institutional quality
- i) Development of Quality Culture in the institution
- j) Guiding the institution and members for preparation and timely submission of the Annual Quality Assurance Report (AQAR) and preparing the Institutional Information for Quality Assessment (IIQA) and Self Study Report (SSR) for Assessment and Accreditation as per guidelines and parameters of NAAC

4. Role of the Principal

- The Principal, being the head of the institution, must be innovative, creative and logical in steering the institution.
- He / She must thoroughly be well versed with the NAAC methodology and should be able to assess the needs of the institution properly and should conduct the SWOC analysis.
- The Principal should be a visionary, critical and independent in thinking, collaborative in achievement, and unbiased in judgement.
- The Principal should start the re-assessment plan by studying the recommendations made by the previous Peer Team of NAAC.

The Principal should

- ❖ go through the quality documents (AQAR / SSR) along with the SOP and discuss with the IQAC Coordinator and Criterion In-charges before planning the course of action
- ❖ appoint the Criterion in-charges to procure data related to various qualitative and quantitative metrics of the Institution across five years for assessment
- ❖ appoint two additional coordinators (1.Academic and 2.Technical) to coordinate with IQAC coordinator for procuring the necessary data for metrics and to upload the finalized data on the College/NAAC website from time to time
- ❖ should convene periodical meetings, know about the progression and monitor the whole process to achieve the stipulated vision for each cycle

- ❖ should strategically plan events and activities for the growth and development of the institution with a focus on the seven criteria of NAAC
- ❖ should include the IQAC Coordinator in all decision-making meetings, namely Staff Council etc.

5. Role of the IQAC Coordinator

- The role of the coordinator of the IQAC is crucial in ensuring the effective functioning of all the departments. The coordinator of the IQAC may be a senior lecturer with a positive attitude, knowledgeable and should possess expertise with a good track record in quality aspects.
- It is preferable that the coordinator must have sound technical knowledge to document the information periodically, the Agenda, Minutes and Action Taken Reports along with the reports of various activities and maintain them electronically in a retrievable format.

The following are the expected roles and responsibilities of the IQAC Coordinator:

- To visualize and prepare a qualitative 'vision' and 'mission' statements
- To plan, monitor and coordinate various quality initiatives in the institution
- To examine, guide and coordinate the documentation of the various activities leading to quality improvement collected by the Criterion in-charges with the help of Additional Coordinators
- To coordinate with criterion-wise in-charges, department in-charges and staff members
- To guide and coordinate in the preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters by conducting timely review meetings
- To coordinate the timely and efficient execution of the decisions of the IQAC committee.
- To visit NAAC website at frequent intervals and inform the Institution about updates and deadlines from time to time

6. Role of the Additional Coordinators:

a. Additional Coordinator (Academic):

The Additional Coordinator (Academic) will monitor the qualitative metrics prepared by the Criterion In-charges and in association with the IQAC Coordinator will finalize them for upload. *The Additional Coordinator (Academic) shall be a committed teacher with a positive attitude for the development of the college.*

b. Additional Coordinator (Technical):

The Additional Coordinator (Technical) will monitor the Quantitative Metrics collected by the Criterion In-charges and in association with the IQAC Coordinator will finalize them for upload.

The Additional Coordinator (Technical) shall be a committed teacher with a good attitude and innovation and shall have practical experience in using technology, and should preferably be a Computer Science faculty.

The IQAC Coordinator should finalise the metrics – both the Quantitative and Qualitative metrics after discussion with the Additional Coordinators and the Principal and after personal verification of the data.

7. IQAC meetings

- The IQAC should conduct meetings periodically to plan and monitor the IQAC Calendar for the development of the Institution.
- The IQAC should fix targets, timelines and discuss various assignments allotted to the Criterion In-charges.
- The meetings should review, monitor and replan activities for achieving target-oriented activities.

8. IQAC Chamber and Facilities:

As the IQAC functions like the brain of the college, the following facilities must be provided by the Principal:

- ❖ The IQAC must be provided with a well-ventilated chamber large enough to conduct review meetings.
- ❖ It should have an uninterrupted internet facility with a good bandwidth and a functional Computer system with best configuration.
- ❖ A UPS must be provided for saving the data in times of power interruption.
- ❖ A functional scanner and printer, stationery and closed almirahs must be provided to store the data under lock and key.
- ❖ A data processing person/ attendant is to be provided to upload data / collect data from the departments from time to time.

9. Role of the Website In charge:

- The website in-charge of the college must be dynamic, creative and innovative to present the institutional website in a constructive way with all visual appeal and academic dynamics.
- He / She should be able to work in collaboration with the IQAC teams and should incorporate all the required documents as required by NAAC from time to time.
- He / She should see that a dedicated functional and dynamic website is maintained up to date with necessary space for uploading various scanned documents for a complete cycle - i.e , five years.

- A list of items that should be displayed on the website is enclosed as an appendix. (Website Checklist)

10. Maintenance of Records at IQAC

The following records/documents are to be maintained by the IQAC

- College establishment GOs / UGC and affiliating University docs
- Land related documents
- Peer Team recommendations
- Accreditation certificates
- Strategic Plan Deployment Documents (2(f) and 12(b) status documents / Autonomous status / RUSA, AISHE and NIRF submitted data and certificates, etc.,)
- Year wise Staff and Students' Data
- College Activities Register
- IQAC Circular Book
- IQAC Minutes Book and Action Taken Reports
- CPDC Minutes copy
- Staff Council /Academic Council Minutes Copy
- Syllabus documents
- Result Analysis Reports
- Month wise Activity Reports
- Criteria wise reports with evidences in the NAAC report format with proofs
- Monthly Newsletters

11. Role of the RJDCE, ID College Principal and Zonal Resource Persons

The RJDCE, in consultation with the ID College Principal, and the appointed Zonal Resource Persons should monitor the status and progress of the district colleges from time to time. They should prepare a calendar for personal visits to guide the colleges from time to time either virtually or personally and submit a report to the in-charge concerned at the Academic Cell.

12. Handing Over charge / records during transfers / retirements

- All the records maintained by the in-charges of various Departments, IQAC Coordinator, additional coordinators and members (Regular, Contract and Guest) shall be handed over to the new incumbent in the event of transfer or retirement of the incumbent in order to maintain continuity in the assessment and accreditation process.
- The Principal of the college shall give the LPC / relieving order to the incumbent only after verifying the handing over of the charge and records lists to the new incumbent personally.
- In case the Principal gets transferred or retired from service, he /she shall submit the AQARs of the previous years during which he/she worked in the institution to the next principal as Chairman of the IQAC.

13. Disciplinary action for dereliction of duty

Disciplinary action will be initiated and the incumbent shall be punishable for dereliction of duty in accordance with the procedure laid down in the Andhra Pradesh Civil Services (CCA) Rules, 1991, if

- a. Any Principal, IQAC coordinator or Criterion In-charge submits the AQAR with 'Nil' reports despite availability of data or
- b. does not submit the AQAR within the stipulated time or
- c. does not maintain the records as per the instructions given above
- d. does not submit the records to the next In Charge in case of transfer or superannuation

14. NAAC Mandate

- All Government Degree Colleges (GDCs) in the state shall be accredited by NAAC within the time frames and any negligence/lapses in submission of AQAR/SSR will be viewed seriously and liable for disciplinary action.
- The GDCs also shall examine the necessity for "Provisional Accreditation of Colleges" (PAC) as prescribed by the NAAC and may opt for PAC only after obtaining the due permission from the CCE

All the Principals of GDCs shall bestow their personal attention on the above SOP and submit their action plans pertaining to NAAC assessment to this office promptly.

For further information Dr.K.Vijaya Babu, Coordinator, APCCE – NAAC can be contacted on mobile number 8801823244.

Proceedings of the Commissioner, Collegiate Education
Andhra Pradesh::Vijayawada
Present: Dr.Pola Bhaskar, IAS.,

Proc No: 001 / CCE – NAAC/ Acad. Cell / AC - 7 / 2022

Date: 07.02.2022

**Sub: Monitoring and Guiding Colleges for Assessment and Accreditation by NAAC –
Nomination of Resource Persons for Consultancy - Reg.**

With a view to strengthen the quality of Government Colleges in the state, the Academic Cell of APCCE has been monitoring the qualitative and quantitative aspects of GDCs on the seven parameters of NAAC.

NAAC asks the Higher Education Institutions to submit **IIQA** (Institutional Information for Qualitative Assessment) in two windows that open in March and December respectively. These colleges also have to submit **Annual Quality Assurance Report (AQAR)** online as prescribed by NAAC, which qualifies the colleges to submit the **Self-Study Report (SSR)** after every five years.

As the new methodology is complex and requires guidance for comprehension of different metrics, along with monitoring and guidance from Academic Cell, the following Principals / Senior lecturers are nominated to guide and support the IQACs of the colleges. The Principals of NAAC going colleges are instructed to seek help / guidance from the under mentioned Resource Persons on phone during their free time.

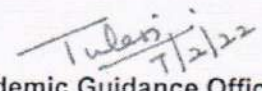

Zone	Name of Resource Person	Phone Number
Zone 1	1. Dr.P.Anil Kumar, Principal, MR College, Vizianagaram	9441257827
	2. Dr. S. Sobha Rani, Principal GDC(W), Vizag	8912541156
Zone 2	1. Dr. M.R.Gowtham , Lecturer , GDC(A), Rajahmundry	94416 54840
	2. Dr. A.Annapurna , Lecturer, GDC(A), Rajahmundry	89787 37858
Zone 3	1. Dr. M. Ravi Kumar, Principal. TRR GDC, Kandukur	94402 21228
	2. Dr. K. Padmaja , Lecturer, GCW(A), Guntur	9502455588
Zone 4	1. Dr. Jithendra, Lecturer, Guntakal	94408 73638
	2. Dr. Fareeda Begum, Lecturer, KVR GDC(W), Kurnool	98662 87072

The RJDCs are also instructed to monitor the NAAC going colleges from time to time and submit the **Visit Report** to the office of the CCE.

For any other information, Dr.K.Vijaya Babu , Coordinator, APCCE – NAAC can be contacted on mobile 8801823244.

PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION

AP::VIJAYAWADA

Present: Sri Pola Bhaskar, IAS.

Re.No:04 /Acad.Cell-Policies/A.C-6/2022

Date: 17-05-2022

Sub: Commissionerate of Collegiate Education – Code of Professional Ethics, Roles and Responsibilities of Principals, Lecturers, Physical Directors, and College Librarians working in Government Degree Colleges – Standard Operating Procedure (SOP) to be followed- reg.

Ref: 1.G.O Ms.No.14, Higher Education (U.E) Department dt.13-02-2019.
2.HandBook for College Principal, Commissionerate of Collegiate Education, dated: Nil.
3.A.P.Civil Service (conduct) rules of 1964 issued in G.O.Ms.No.468 G.A (ser .C.) dept dated 17-04-1964.

The Government of Andhra Pradesh is committed to maintain standards in Higher Education and prescribed the Code of Professional Ethics for College Teachers, Principals, Physical Directors and College Librarians vide ref.no1 cited, which emphasizes that whoever adopts teaching as a profession assumes the obligation to conduct himself / herself in accordance with the ideal of the profession. A teacher is constantly under the scrutiny of his students and the society at large. Therefore, every teacher should see that there is no incompatibility between his precepts and practice. The national ideals of education which have already been set forth and which he/she should seek to inculcate among students must be his/her own ideals. The profession further requires that the teacher should be calm, patient and communicative by temperament and amiable in disposition.

Educational institution is a place where the future of the students is shaped and thereby the destiny of the nation is carved. Hence it has a special place in the society and needs special code of conduct. National Education Policy (NEP) 2020 states that in order to ensure positive learning environments, the role expectations of Principals and teachers will explicitly include developing a caring and inclusive culture at their institutions for effective learning and the benefit of all stakeholders.

Along with general conduct rules prescribed by the Government and UGC, the Principals, Lecturers, Physical Directors, and College Librarians working in Government Degree Colleges shall follow the code of conduct and perform the following duties and responsibilities.

I. General: (AP Civil Services Conduct Rules)

The employees working in the department of Collegiate Education are governed by A.P.Civil Service (conduct) rules of 1964 issued in G.O.Ms.No 468 G.A (ser .C.) dept dated 17-04-1964.

The salient features of the conduct rules are:

1. Every Govt. employee shall be devoted to his/her duty and shall maintain absolute integrity, discipline, impartiality and sense of propriety. He/ she shall not join any organization or association, the objects of which are prejudicial to the state.
2. The Govt. employees shall not participate in any strike or similar activity and shall not participate in any demonstration, which is against the interest of the state.
3. The Govt. employees or his/her family members shall not accept gifts of any sort from any body.
4. The Govt. employees shall not raise subscription or any other pecuniary assistance in pursuance of any objective what so ever.
5. The Govt. employees or his/her family members shall not lend or borrow or deposit money or lend money to any person on interest.
6. The Govt. employees or his/her family members shall not acquire or dispose movable or immovable property exceeding the monetary limits prescribed by the Govt. except after previous intimation to the govt.
7. The Govt. employees shall not engage directly or indirectly in any trade or business.
8. The Govt. employees shall not promote or manage companies in private capacity.
9. The Govt. employees shall not, except with previous sanction of Govt. negotiate or undertake any employment or work other than that of his official duties,
10. No Govt. employee who has a wife living shall contract another marriage without obtaining permission of the Govt. No female Govt. employees shall marry any person who has a wife living without obtaining the permission from the Govt.
11. No Govt. employees shall, while on duty, be under the influence of liquor or drugs, which render him incapable of discharging his/her duty. No employee shall appear in a public place in a state of intoxication.
12. No Govt. employees shall criticize the policy and action of the Govt. or any other State Govt. or central Govt.
13. No Govt. employees shall participate in politics or elections.

Any violation of conduct Rules attracts the provision of APCS (CCA) Rules, 1991 for initiation of disciplinary action against such employee.

II. Code of Conduct for the College Principal:

A College Principal is the hub around which the entire activity of the institution revolves. The motive forces of activities in a College campus apparently are students,

academicians and non-teaching staff members. The latent forces, which work on the Principal, not felt by other, are the University, the Government and the Public at large. The Principals of the past also had to face several challenges posed by their own times. But the challenges faced by the present day Principals are far greater in their magnitude and complexity.

In day to day functioning, a Principal is expected to find solutions to many a tricky situations. He/she is cast in a multipurpose role. As a teacher, as an administrator, he/she is expected to project a good image of his/her College. By his/her conduct and behaviour, a principal is expected to be an example to others and provides inspiring leadership.

He/she is accountable to the CCE, the University, the Government, the Parents, and the Public and also no less to faculty and students. A Principal is expected to be endowed with such attributes as tact, patience, understanding and be at the same time able to maintain strict discipline in the campus.

Principal should:

- (a) Provide inspirational and motivational value-based academic and executive leadership to the college through policy formation, operational management, optimization of human resources and concern for environment and sustainability;
- (b) Conduct himself/herself with transparency, fairness, honesty, highest degree of ethics and decision making that is in the best interest of the college;
- (c) Act as steward of the College's assets in managing the resources responsibility, optimally, effectively and efficiently for providing a conducive working and learning environment;
- (d) Promote the collaborative, shared and consultative work culture in the college, paving way for innovative thinking and ideas;
- (e) Endeavour to promote a work culture and ethics that brings about quality, professionalism, satisfaction and service to the nation and society.
- (f) Adhere to a responsible pattern of conduct and demeanor expected of them by the community;
- (g) Manage their private affairs in a manner consistent with the dignity of the profession;
- (h) Discourage and not indulge in plagiarism and other non ethical behaviour in teaching and research;
- (i) Participate in extension, co-curricular and extra-curricular activities, including the community service.

- (j) Refrain from allowing considerations of caste, creed, religion, race, gender or sex in their professional endeavour.
- (k) Conduct himself/herself in such a way that both the staff and the students look upto him/her for guidance
- (l) Be impartial, secular, dignified and punctual in discharging his duties.
- (m) Be present in the college at least half-an-hour before the commencement of the college timings and leave the college after the day's work is over.
- (n) Be a pace setter in dress, demeanor, attendance, punctuality etc.
- (o) Handle the minimum number of classes prescribed in the rules and should endeavor to be an example as the first teacher in the college.
- (p) The Principal should be in constant touch with students and residents of the hostel (wherever hostel is attached) which will greatly solve the problem of indiscipline and discontent in the college and on the campus.
- (q) The Principal should be a true academic and administrative leader and assume full responsibility for discipline in the college.
- (r) The Principal should exhibit qualities of effective leadership in all academic and administrative activities of the college.

III. Duties and Responsibilities of the College Principal:

- (a) As an administrator, he/she is supposed to administer the College in such a manner that the stakeholders viz., students, academicians, non-teaching staff function promptly.
- (b) Should oversee the conduct of classes and other academic activities such as Curricular, Co-curricular and extra-curricular activities given by CCE and universities and implement academic innovations given by apex bodies from time to time.
- (c) To Implement Continuous Internal Assessment (CIA) as per the Standard Operating Procedure (SOP) issued by the CCE.
- (d) To take classes as per the teaching workload norms in vogue for college principals
- (e) To maintain the college Website as per the SOP issued by the CCE.
- (f) To prepare the Monthly News Letters and upload in College Website and CCE website.
- (g) To organize the placement drives at college level in order to explore and promote better employment opportunities for students.
- (h) To mobilize resources for the development of the college through CSR/Alumni/Philanthropic contributions

- (i) Maintain records, files, note files of academic, administrative and financial activities
- (j) Should make sure that each staff member handover the records of that particular academic year (ASAR with evidences, Lecturer wise Academic Audit forms with evidences, Departmental NAAC records as per NAAC SOP) before the summer vacation
- (k) Should take measures to utilize the available resources in the college, Virtual Class, Digital Class, ELL, Library, Laboratories, Sports facilities etc.,
- (l) To take measures for improving college admissions
- (m) maintenance of stock registers and Stock verification in March/April every year
- (n) To maintain the Service Registers of all teaching and non-teaching staff
- (o) Should implement e-office and other digital initiatives such as biometric and TLP
- (p) To prepare Annual Confidential Reports (ACRs) of the teaching staff and non teaching staff (Superintendents and Administrative Officers).
- (q) To maintain staff attendance registers and Movement register.
- (r) To support for research
- (s) To prepare the college for assessment and rankings
- (t) To update the data from time to time
- (u) To implement green initiatives and best practices

IV. Code of Conduct for Lecturers:

Lecturer should:

- (a) Respect the rights and dignity of the student in expressing his/her opinion;
- (b) Deal justly and impartially with students regardless of their religion, caste, gender, political, economic, social and physical characteristics; Recognise the difference in aptitude and capabilities among students and strive to meet their individual needs;
- (c) Encourage students to improve their attainments, develop their personalities and at the same time contribute to community welfare;
- (d) Inculcate among students scientific temper, spirit of inquiry and ideals of democracy, patriotism, social justice, environmental protection and peace;
- (e) Treat the students with dignity and not behave in a vindictive manner towards any of them for any reason;
- (f) Pay attention to only the attainment of the student in the assessment of merit;
- (g) Make themselves available to the students even beyond their class hours and help and guide students without any remuneration or reward;

- (h) Aid students to develop an understanding of our national heritage and national goals; and
- (i) Refrain from inciting students against other students, colleagues or administration.
- (j) Treat other members of the profession in the same manner as they themselves wish to be treated;
- (k) Speak respectfully of other teachers and render assistance for professional betterment;
- (l) Refrain from making unsubstantiated allegations against colleagues to higher authorities; and
- (m) Refrain from allowing considerations of caste, creed, religion, race or sex in their professional endeavour.
- (n) Discharge their professional responsibilities according to the existing rules and adhere to procedures and methods consistent with their profession in initiating steps through their own institutional bodies and / or professional organisations for change of any such rule detrimental to the professional interest;
- (o) Refrain from undertaking any other employment and commitment, including private tuitions and coaching classes which are likely to interfere with their professional responsibilities;
- (p) Co-operate in the formulation of policies of the institution by accepting various offices and discharge responsibilities which such offices may demand;
- (q) Co-operate through their organisations in the formulation of policies of the other institutions and accept offices;
- (r) Co-operate with the authorities for the betterment of the institutions keeping in view the interest and in conformity with the dignity of the profession;
- (s) Adhere to the terms of contract;
- (t) Give and expect due notice before a change of position takes place; and
- (u) Refrain from availing themselves of leave except on unavoidable grounds and as far as practicable with prior intimation, keeping in view their particular responsibility for completion of academic schedule.
- (v) Treat the non-teaching staff as colleagues and equal partners in a cooperative undertaking, within every educational institution;
- (w) Help in the functioning of joint-staff councils covering both the teachers and the non-teaching staff.
- (x) Recognise that education is a public service and strive to keep the public informed

- of the educational programmes which are being provided;
- (y) Work to improve education in the community and strengthen the community's moral and intellectual life ;
 - (z) Be aware of social problems and take part in such activities as would be conducive to the progress of society and hence the country as a whole;
 - (aa) Perform the duties of citizenship, participate in community activities and shoulder responsibilities of public offices;
 - (bb) Refrain from taking part in or subscribing to or assisting in any way activities, which tend to promote feeling of hatred or enmity among different communities, religions or linguistic groups but actively work for national integration.

V. Duties and Responsibilities of a Lecturer:

The Lecturer is the main pillar on which the system of Collegiate Education rests. Teaching is the most important function of the lecturer which should be undertaken with utmost dedication and sincerity. The duties and responsibilities of lecturers are detailed below.

- (a) The lecturer has the primary duty to disseminate the knowledge in his/ her subject to all the students.
- (b) At the beginning of the academic year, the lecturer in-charge of the department should distribute syllabus to the members of the department, by convening the meeting of all staff members in the department.
- (c) Taking into consideration the number of working days and periods available for each subject, the month-wise annual plan should be prepared for each lecturer in the department. Provision should be made for revision of the syllabus before the end of the academic year.
- (d) The lecturer should follow the month-wise annual plan and complete the syllabus allotted to him/her. In case of any dislocation in working days, either due to disturbances or due to his/her own absence in the college, the syllabus should be completed by taking extra classes.
- (e) The lecturer should inform the students regarding the schedule of coverage of syllabus.
- (f) The lecturer-in-charge of the department should review the progress of coverage of syllabus at the end of every month and inform the Principal. If the schedule is not completed, he/she should discuss with the concerned lecturer and plan for the completion of the backlog in the succeeding month.
- (g) The lecturer concerned should also plan the seminars, tutorial and assignments and such other academic activities.

- (h) Along with the lecture method, the lecturer should also motivate the students and enliven the process of learning by adopting student centric methods
- (i) To achieve the best results, it is necessary for the lecturer to give regular assignments to the students, preferably every fortnight.
- (j) The lecturer should compulsorily take the help of audio-visual methods of teaching by using over-head projector, slide projector, charts, etc.
- (k) He should also organise screening of educational films where-ever possible.
- (l) The lecturer should maintain the teaching diary in the given proforma. This should be submitted to the Principal, through In-charge of department every month.
- (m) The lecturer should maintain synopsis of each lesson prepared by him/ her. As far as possible, a copy of the synopsis should be provided to the students. The record of synopsis maintained by the lecturer will be checked by the Principal every month.
- (n) The lecturer should conduct periodic tests in the subject and motivate the slow-learners to bring them on par with other students in the class. A record of internal tests should be maintained in the department. Incentives in the form of prizes may be provided to those who get higher ranks. The progress of the students should be submitted to the Principal through in-charge lecturer, so that a consolidated progress report can be sent to the parents.
- (o) Remedial coaching should be arranged for academically backward students, outside the college hours.
- (p) The lecturer should participate in Students Counselling/mentoring Programmes organized by the Principal. He/she should give necessary counselling to 20 to 30 students allotted to him/her. As a Counsellor, the lecturer should act as a liaison between college administration and his wards. He/she should enlighten the wards about the facilities available in library, games etc., and orient them to the traditions, rules and regulations of the college.
- (q) The lecturer working in Science subjects should see that practical classes are conducted immediately after the theory class of a particular topic is completed. There should be a perfect co-ordination of theory and practical classes. In practical classes, the lecturer should bestow personal attention on every student and verify his/her work. The practical class should be continued till the end of the specified period.
- (r) The lecturer should co-operate and participate in all co-curricular and extra-curricular activities in the college.

- (s) He/she should accept the membership of the Committee to which he/she is nominated by the Principal and discharge the duties with commitment.
- (t) The lecturer should attend to all examination duties without fail.
- (u) The lecturer should assist the Principal in the maintenance of the discipline in the college.
- (v) He/she should remain in the college premises during the college working hours and even beyond the working hours, if required.
- (w) The lecturer should also conduct seminars, expert talks, commemoration days, etc., involving local experts, and the users for the benefit of the students and community. The lecturer of the subject concerned can act as moderator.
- (x) The lecturers should attend to any duty assigned to him/her by the Principal or any other higher authority.
- (y) As per the orders of the Government and the concerned University from time to time, the lecturers have to adhere to the work load prescribed.
- (z) The lecturer is accountable to the Principal of the College.
- (aa) The lecturers shall attend the college during the working hours on all working days. The staff is required to sign in the Attendance Register as soon as they come to college. For every three late attendances, one casual leave will be forfeited.
- (bb) One hour permission can be given to the staff to attend office / to leave office with valid reasons, occasionally and it is purely at the discretion of the Principal / Administrative Officer. Similarly, members of staff should not leave college during working hours without prior permission, save for valid reasons as in the case of late attendance. The period of absence in this case also should not exceed one hour. The members of the staff should obtain specific written permission for leaving the college and such permissions shall be recorded in a register
(Movement Register)
- (cc) Lecturer shall maintain personal and departmental records for NAAC, Academic Audit, ASAR and update all the records monthly and submit to the Principal for verification.
- (dd) Lecturer shall make use of active blended learning pedagogical approach in order to make learning more experiential and activity-based.

VI. Code of Conduct for College Physical Director & College Librarian:

- (a) Adhere to a responsible pattern of conduct and demeanor expected of them by the community
- (b) Manage their private affairs in a manner consistent with the dignity of the

profession

- (c) Discourage and not indulge in plagiarism and other non ethical behaviour in teaching and research
- (d) Participate in extension, co-curricular and extra-curricular activities, including the community service.
- (e) Refrain from allowing considerations of caste, creed, religion, race, gender or sex in their professional endeavour

VII. Duties and Responsibilities of a College Physical Director

- (a) Ensures the regular functioning of the department by organizing games and sports in college.
- (b) Organise the practice of all games available in the college in consultation with the games committee of the college and the Principal.
- (c) As the convener of the Games and Sports committee of the college and organizes the meetings of the games committee at the beginning of every year to plan the Physical Education Programmes for the year (Semester Wise), which is to be reviewed every month.
- (d) To provide coaching to the students, with the correct techniques of various games and sports. Top players shall be encouraged to participate in District Level and University Level events.
- (e) To plan and invite experts in various games and sports to enable the students to learn correct techniques of various games.
- (f) To prepare the lists of games material, to be purchased every year, keeping in view the stocks available in the college and stocks required for the current year. The lists are to be placed before the games committee for approval.
- (g) To prepare the annual budget requirements for games and sports events and equipment.
- (h) To conduct coaching camps in the college to train students in various games and sports.
- (i) To inculcate general discipline among the players in particular and students of the college in general.
- (j) To encourage the students to develop sportsman spirit.
- (k) For making purchases of games and sports material the Physical Director should follow the purchase procedures prescribed by the Government from time to time. He should verify the samples before placing the orders, for the supply of material.
- (l) The Physical Director should follow the prescribed procedures while fixing the conveyance charges, training allowances, refreshments to the students taking part in games and sports competitions conducted outside the college.

- (m) The Physical Director, being the in-charge of the department of should maintain all records pertaining to the stocks, purchases and accounts of the department. The stock registers of consumable and non-consumable material should be maintained separately and the stock registers should be submitted to the Principal for verification once in every term.
- (n) Should help the annual stock verification of department of Physical Education conducted by the Committee appointed for the purpose by the Principal.
- (o) Physical Director should conduct annual games and sports of the college as per the Annual Institutional Plan.
- (p) The Physical Director is accountable to the Principal of the College.
- (q) While sending the teams to participate in tournaments, the Physical Director has to take care of the following.
- The well-trained teams will be sent to participate in the Inter-College tournaments.
 - The participating teams / players should be provided proper uniforms, playing material (sports kit), refreshment amount and conveyance charges.
 - The teams are instructed to maintain dignity, decency and decorum, at the venue of the tournaments.
 - They should participate with a "will to win", respecting the rules and regulations.
- (r) To improve General Knowledge on Sports and Games a Sports Quiz may be conducted in the college and prizes will be awarded at the Annual Day Function.
- (s) Sports Persons of high caliber shall be invited for Sports Day functions to inspire the students.
- (v) Annual stock verification report, submission of all records, and accounts of that particular academic year shall be submitted to the principal before the summer vacation

VIII. Duties and Responsibilities of a College Librarian

- (a) The Librarian is the convenor of the college Library Committee nominated by the Principal of the college.
- (b) He is responsible for properly administering the library grants in consultation with the Library Committee. The Committee shall allot funds to the various subject departments of the college.
- (c) The Librarian will ensure that an amount not exceeding 20% of the grant is normally utilized for purchase of reference books.
- (d) The Librarian will take necessary steps for the purchase of books as per the orders of the Principal. Books can be purchased directly from

the publishers and their sole distributors by taking usual discount or the books can be purchased from reputed and outstanding firms in the book trade after calling for quotations for terms of supply and the discount they offer.

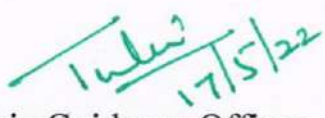

- (e) The Librarian shall maintain an Accession Register.
- (f) The Librarian shall adopt the scientific system of classification and cataloguing of books in the Library and library shall be fully automated
- (g) The Librarian shall maintain a catalogue of the books available in the library.
- (h) The library fee collected under special fee funds can be utilized for the purpose with the prior approval of the Commissioner/Director of Collegiate Education.
- (i) The Librarian shall frame the rules (Library Policy) and get the approval of the Principal regarding the issue of books, time limit for return of books and number of books to be issued to the students and the staff.
- (j) The Librarian should fully co-operate with the annual stock verification committee appointed by the Principal.
- (k) As per the report of the annual stock verification committee, the Librarian should prepare the list of books lost and books damaged after annual stock verification and submit the same for condemnation to the Principal, who will take appropriate action as per existing rules/waste management policy.
- (l) The Librarian is responsible for maintaining all records pertaining to the library like records relating to catalogues, accession registers issue registers, stock registers, etc,
- (m) The Librarian should see that the annual stock verification of books in the library is done before the end of each academic year (Before summer vacation). For the purpose of the stock verification, it should be seen that all staff and students return all the books borrowed by them to the library before the stock verification commences.
- (n) Fine for late return of copies, Cost of book for loss to be decided and collected by the Librarian as per the Library Policy of the College.
- (o) Librarian shall prepare the List of journals and newspapers subscribed for library (including e-books, e- journals etc.,)
- (p) Disposal of old magazines is to be done by the Librarian in accordance with the existing rules Library Policy of the College.
- (q) The Librarian is accountable to the Principal of the college.
- (r) The library shall be kept open at least one hour before and one hour after the regular College timings for the benefit of students.
- (s) Librarian shall take initiative to digitalize the library

(t) Librarian should encourage the students to make use of digital resources such as NLIST, INFLIBNET, e-sho dhsindhu, e-shodhganga etc.,

**PROCEEDINGS OF THE COMMISSIONER, COLLEGIATE EDUCATION
ANDHRA PRADESH :: VIJAYAWADA
PRESENT : DR. POLA BHASKAR, IAS**

Proc. No. 001/Academic Cell/RDC - Research & Innovation/AC-11/2022 Date :10.05.2022

Sub: - Establishment of RDCs in GDCs & SOP for Research & Innovation - Reg.

--o0o--

The National Education Policy 2020 (NEP 2020) emphasizes on the need for development in research in higher educational institutes (HEIs) in India in Chapter 17 of the policy, saying "A robust ecosystem of research is perhaps more important than ever with the rapid changes occurring in the world today, e.g., in the realm of climate change, population dynamics and management, biotechnology, an expanding digital marketplace, and the rise of machine learning and artificial intelligence. If India is to become a leader in these disparate areas, and truly achieve the potential of its vast talent pool to again become a leading knowledge society in the coming years and decades, the nation will require a significant expansion of its research capabilities and output across disciplines. Today, the criticality of research is more than ever before, for the economic, intellectual, societal, environmental, and technological health and progress of a nation".

It has arisen a critical necessity for Government Degree Colleges (GDCs) in the state of Andhra Pradesh to chase such challenging future goals while playing the pivotal role of HEIs, particularly in terms of research, innovation, and incubation. There must be an effective implementation plan to match the expectations of the NEP. The UGC, has released guidelines (enclosed) to establish Research and Development Cell (RDC) in Higher Educational Institutes (HEIs) in March 2022. The guidelines included a clear Vision, Mission, and Objectives of establishing RDCs in HEIs. Most importantly, National Assessment and Accreditation Council (NAAC) assesses Research, Innovation and Extension as a criterion for accreditation; so also "Research and Professional Practice" is a major influential parameter in National Institute Ranking Framework (NIRF) ranking.

Research may be envisaged as a means of acquisition and use of expert skills for the professional development of students, faculty and the HEIs. Innovation is the essential need to inculcate and develop novel skills to match the ever-evolving job market/industry requirement. The following activities are proposed to be undertaken in GDCs as a Standard Operating Procedure (SOP). In this context, the CCE is coming up with this SOP.

In this context, All GDCs are advised to scrupulously go through, adopt, and adhere to the procedures mentioned hereunder. Failing in which shall result in low/nil progression of research-based activities at the HEIs which could have a negative impact on the performance indicators of the HEIs with respect to recognition, accreditation, ranking etc., On the other hand, most importantly, the absolute purpose of HEIs as human resource development centres cannot be fulfilled.

I. ESTABLISHMENT OF RESEARCH AND DEVELOPMENT CELL

The UGC launched an initiative to establish a RDC in each HEI with the mandate for promoting quality research that contributes meaningfully towards the goal of a self-reliant India ("Atma-Nirbhar Bharat"), aligned with the provisions of NEP-2020. The UGC issued guidelines for the establishment of RDCs are extracted and reiterated hereunder to frame within the scope of GDCs.

Vision

“To put in place a robust mechanism for developing and strengthening the research ecosystem within HEIs, aligned with the provisions of NEP-2020.”

Mission

- ❖ To create a conducive environment for enhanced research productivity.
- ❖ To encourage collaboration across industry, government, community- based organizations, and agencies at the local, national, and international levels.
- ❖ To facilitate greater access to research through mobilization of resources and funding.

Objectives

1. To create an organizational structure with role-based functions of RDC, formulate Research Policy for the HEIs, identify thrust areas of research, and form related cluster groups/frontline teams/consortia of researchers.
2. To create enabling provisions in Research Policies for recruitment of research personnel, procurement of equipment, and financial management with adequate autonomy to the Principal Investigator(s) and disseminate research outcomes to stakeholders and the public at large.
3. To establish a special purpose vehicle to promote researchers and innovators, identify potential collaborators from industry, research organizations, academic institutions & other stakeholders for cooperation and synergistic partnerships.
4. To act as a liaison between researchers & relevant research funding agencies, extend guidance in preparation & submission of project proposals and post-sanctioning of the grants to oversee adherence to timelines.
5. To have better coordination among other cells/centres dealing with University-Industry Inter Linkage, Incubation, Innovation and Entrepreneurship Development and Intellectual Property Rights (IPR).
6. To develop an Institutional Research Information System for sharing the status of ongoing/ completed research projects/Programmes, expertise & resources, etc., making effective use of Information & Communication Technology (ICT) for preparing the database of in-house experts to provide industrial consultancy and services.

7. To engage & utilize the services of superannuated active faculty/scientists in research capacity building of talented young minds and promote mobility of researchers across institutions and R&D Labs.

8. To serve as nodal centre for ideation and conceptualization of research topics/themes by organizing workshops and training programs and ensuring the integrity and ethical practices in research activities including clearance of bioethical committee wherever required.

ORGANIZATIONAL STRUCTURE & FUNCTIONS

1. Governance

A Research Advisory Council (RAC) is to be constituted with the following composition to function as RDC.

1. Principal as the CHAIRMAN
2. A senior faculty (research experience is preferable but not compulsory) shall be nominated to act as CONVENER, & Committees, with two to three nominated faculty members and student representatives, to function as
3. Finance and Infrastructure Committee
4. Research Program Policy Development Committee
5. Collaborations and Community Committee
6. Product Development Monitoring and Communication Committee
7. IPR, Legal, & Ethical Matters Committee

The RAC shall look after all the research activities of the HEI with clear allocation of functions to respective committees and work as a Single-Window Operating System for effective functioning.

2. Administration

Planning, implementation, and monitoring of research activities in HEIs, formulating rules, regulations, and policy frameworks for utilization of facilities and resources at HEIs. The activities of RDC will be mentored and monitored by above committees for devising research models, technology, appraisal, foresight & review functions, mediating sectoral R&D progress, and IPR protection. RDC should keep a close contact with the Ministry Innovation Cell to make use of various innovative plans for facilitating the researchers.

3. Research Ecosystem/Collaboration

Building a 'Research Ecosystem' which is sustainable and leading to consistent quality research outcomes and enhanced productivity does encourage the students and faculty to take up research-based activities. The HEIs that are relatively new or not so well established should develop a connection with RDCs of already well-known/established HEI. Facilitating all the networking requirements, funding opportunities, faculty/student exchange, academic & industry collaborations, MoU opportunities, conducting FDPs or provision of such opportunities etc., under a single window functioning system helps in bringing up the research prospective of the HEI,

which is otherwise neglected due to existing guideless condition, or the hardships faced by individuals in the due course of taking up research and innovative activities.

4. Information Management System

To establish such an ecosystem as discussed above, a Research Information Management System (RIMS) is essential. RIMS shall maintain research-oriented information related to research databases, publications, research projects, fellowships, collaborations, patents, thrust research areas, innovations, conferences, workshops, publishing houses & publications etc. aligned with the institution's research policies. Also, it shall gather the information pertaining to subject experts, state-of-art research laboratories and sophisticated instrumentation facilities, digital libraries, intellectual property facilitation, quantitative methods, data analysis, analytical and consultancy services etc.,

Each HEI needs to create a blog or portal for Institutional Research Information and Institutional Repository and sign an MoU with UGC- INFLIBNET to access and upload the research information through Shodh Ganga, Shodh Gangotri, Shodh Sindhu, Shodh Shuddhi, and Shodh Chakra.

5. Human Resources for Research and Innovation

Procurement of Human Resources by collaborating and inviting Visiting faculty, Superannuated faculty, Expert Alumni, Scientists, Industry Experts and Emeritus Professors would fetch the HEI ecosystem an expert guidance and mentorship without much financial burden/no financial commitment.

6. Research Promotion

Promotion of research and innovation related activities by encouraging the staff and students by providing awareness of Research Thrust and Clustered Areas, Research Incentives and Recognition Opportunities like various Awards, providing Technology Development and Business Centred Facility to support the conceptualization of start-up ideas, pre-incubation, and guidance to establish start-ups and procure financial grants for such activities and scaling-up of the same.

7. Integrity and Ethics

Sensitizing of and ensuring the implementation of fair research practices like plagiarism check using standard software, fair publishing practices, ensuring that the research work gets published only in peer reviewed journals e.g., UGC-CARE listed journals.

8. Capacity Building

Building the capacity of faculty and students to undertake research problems in line with the latest advances in diverse disciplines to push the boundaries of knowledge through publications and contribute to technological developments relevant to societal needs. It would also pave the way for HEI to attract more research grants under norm-based funding, improve its accreditation ranking and enhance its brand image. Regular events such as refresher courses, workshops, training/internships, group discussions and seminars/conferences may be organized for capacity

building. RDC would play a pivotal role in creating central R&D facilities with the provisioning of associated training/internship thereon.

9. Research Monitoring

The current policy environment in India encourages HEIs to be responsible and accountable for research development and innovation activities through the creation of infrastructure, generation of resources, promotion of business, and facilitation of policy framework to nurture the culture of quality research by adhering to ethical practices. Among the standard functions, the RDC in an HEI needs to monitor and oversee research progress, coordinate program, manage and facilitate optimizing resources, and timely review of research activities for completion of the projects as per schedule. HEIs need to formulate and adhere to specific quality benchmarks for research to meet the global/ international standards. The proposed RDC should conduct a quality review (SWOC Analysis) or internal evaluation of the research papers and suggest Scopus Indexed, Web of Science (WoS), or UGC-CARE recognized journals for appropriate publications. R&D Cell of HEIs must ensure that all the Research Labs in the institution fulfil the norms of Good Laboratory Practices (GLP) and Safety (Bio and Chemical) measures. Getting recognition as a QIP centre would be an added advantage to the HEI.

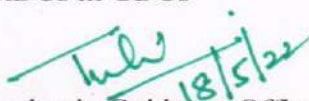

Some important Research and Innovation based activities to be taken up by RDCs, their standard operating procedures, outcome, role of RDC, students, faculty, HEI/Principal are discussed hereunder. Activities that are suggested to be implemented at the level of students must be monitored by concerned mentor/faculty & RDC, likewise, activities to be implemented at the level of faculty/HEI must be monitored and taken care of by RDC and Principal. Apart from the outcomes discussed, a better score in NAAC evaluation, NIRF, ISO certification etc would result. Though the terms used in this document sound sophisticated, the very nature of their functioning is as basic as gathering all the necessary information and disseminating it to the needy staff or students, encouraging them to apply/participate, follow up & maintaining records of the activities for uplifting of the research ecosystem in the college, which eventually help the institution in accomplishing the vision statement. Some web links are also provided to help in better understanding and adopting the activities discussed. HEIs (GDCs) shall strive sincerely to implement the maximum, but not limited to, the activities discussed in the document. Although the roles of student/faculty/in-charges of the departments/Principal are suggested in the document, collective effort of all the stakeholders is required to implement the guidelines. Most important to note is that funding required for any activity may be met from internal resources or external grants.

ANNEXURE: Important activities to be implemented & monitored by RDCs in GDCs

//ATTESTED//

18/5/22
Academic Guidance Officer

ANNEXURE - IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
1	Student Study Projects (SSPs)	Student	Implementing Regular SSPs ensuring that every student undertakes at least one (1) SSP in all the core subjects with proper study report/ dissertation.	Experience in framing and testing hypotheses, skills in research methodology, understanding results as per research logic /conclusions, and writing research reports.	<ol style="list-style-type: none"> 1. RDC shall collect and keep the list of topics in each subject/course in research thrust areas. 2. Design / Approve convenient formats for Project-log and SSP register. 3. Design / Adapt Evaluation Weightages for SSPs. E.g., Weightages for Project Log, Project Implementation, Project report, Presentation etc., 4. Maintain a database of all the SSPs and their outcomes 5. Encourage the concerned mentor/student to publish, patent, and scale-up the project outcome. 	<ol style="list-style-type: none"> 1. Study mentor with subject expertise must be assigned to each student, so that an SSP will be a 'One on One' project 2. Every student must select a unique topic related to the course/program, and chalk-out timeframe, requirements, and methodology with the help of the mentor. 3. Project-log must be maintained by every student in a convenient format, in consultation with the mentor. It should contain a list of project activities, methodologies used, results obtained/data gathered, documentation done, on a daily basis like a diary. 4. At the end of SSP, students must submit a Dissertation along with the Project log for evaluation; Also, a Presentation or Viva-voce may be conducted according to the SSP weightage. 5. An SSP register with all the details of each SSP, including awarded score/grade must be maintained by the mentors, semester/year-wise.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
2	Internships	Student	Undergoing Internships at Recognized research institutes or R&D departments of various industries.	Fulfilment of program credits and simultaneous research upskilling in the latest industrial need.	RDC, as part of its RIMS, shall maintain a database of available recognized Research Institutes or R&D departments of various industries that offer/accept internships, and make MoUs with them. Database must include Regional/National/International Internships opportunities.	As part of Internship programs intended for UG/PG courses as prescribed by APSCHE Revised CBCS framework, Students must be encouraged to take up internships at recognized Research Institutes or R&D departments of various industries, duly following the procedures prescribed by APSCHE for Internships.
3	Apprenticeships	Student/Institute	Introducing Apprenticeship based programs or obtaining apprenticeship opportunities from R&D departments of various industries.	Increased admissions in the HEI. Assured placements and upskilling in the latest industrial need.	1. RDC, as part of its RIMS, shall maintain a database of the courses offered by skill sector councils, a database of available recognized Research Institutes or R&D departments of various industries that offer apprenticeships, and make MoUs with them. 2. RDCs of autonomous colleges may try to start at least one of these courses from AY 2022-23.	1. Introduction of Skill-embedded UG/PG courses by obtaining MoUs with recognized research institutes or R&D departments of various industries, duly following the procedures. 2. Advertise/Popularize the program and its benefits through admission campaigning, detailed brochure on the program with program outcomes and attract students. 3. Maintain a record of 'Research and Innovation Based Apprenticeships', separately, for each skill embedded course, student-wise with all the details including the stipend particulars.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
4	Inclusive activities	Student	Introduction of research learning platforms like CUBE, Chai & Why (references given below) and such outreach programs offered by prestigious research institutions to students.	Development of curiosity for research, Understanding of science concepts	1. RDC shall identify the inclusive programs like CUBE and Chai & Why and send the information to all the departments. 2. RDC shall track and keep a record of the activities undertaken and try to adopt such programs as part of the college outreach programs. 3. Based on the feedback, RDC shall bring any changes in the implementation of the inclusive activities.	1. Students shall be sensitized of such programs and be formed into groups as per their interest, from each department. 2. Each group shall choose a supporting Mentor from faculty. 3. With the help of RDC, a schedule for participating in these programs shall be prepared and informed to all the participating students. It is preferable that the schedule is planned beyond teaching hours or on holidays. 4. Mentors must provide links to these inclusive programs as per the schedule and encourage them to participate. 5. After participation, feedback may be received from participated students and record the outcome of participation. 6. With due popularization of these programs in the campus, other students may also get inspired and participate.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
5	Student Exchange Programs	Student	Exchange of students within GDCs nearby or with HEIs under collaboration for a short span.	Exposure to new research and academic environment and acquisition of new skills and academic contacts	RDCs shall identify the research-infrastructure gaps in the college and make MoUs with member DRC colleges, other Academic institutions with such facilities and plan for short term student exchange programs for research training.	<ol style="list-style-type: none"> 1. Students must be encouraged to go on exchange and prepare a list of students who are interested. 2. A detailed SE schedule must be prepared and communicated in advance to the partner HEI. 3. Arrangements must be made for travel & hostel accommodation of students as per the MoU. 4. After completion of the program as per the schedule, feedback must be obtained, and action may be taken accordingly. 5. All records shall be maintained by the department/mentor who sends/hosts the students for exchange.
6	Research Competitions	Student	Conduct of research competitions like Quiz, Article writing, Science Shows etc.,	Assessment of self-skills and interaction with other similar minded students and gets incentivized.	Plan various academic competitions in a Research-oriented way. i.e., Topics for competitions may be chosen from research thrust areas identified by the RDC.	<ol style="list-style-type: none"> 1. All departments shall encourage students to participate in research-oriented competitions as planned by RDC. 2. Organize the competitions like Science shows at college level, Article writing at department/college level. Notifications shall be given in advance which allows the students to prepare for the competitions innovatively. 3. Records of list of participants, evidences of participation, score sheets and award list must be preserved for verification.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
7	Trips to Research Centres	Student	Planning to visit science museums, research centres and interaction with scientists at the place of visit.	Introduction to the new horizons, & scope of research and a means of inspiration.	Ensure that some of the field trips are conducted in a Research-oriented way. i.e., Trips to nearby research centres, R&D departments or nearby University departments that have good potential in research. RIMS maintained by RDC is useful for planning.	1. Convert the regular subject field trips to research-orienting trips, so that students are motivated to take up research activities. It also motivates them in setting their career goals in research. 2. Same procedures followed for field trips are to be followed and records shall be maintained.
8	Academic writing	Student/Faculty	Encouraging and ensuring that the students and staff do take up (or) Implementation of - Academic writing programs either offline in the institute or online via MOOCs.	Skills in writing manuscripts such as articles, columns, chapters, books, dissertations, theses etc.,	1. There are many Academic writing courses available online like Coursera, Udemy, edX etc. Identify, maintain, and circulate such details among the students. 2. With the help of interested faculty, Add-on courses must be planned in coordination with IQAC. 3. Faculty must be encouraged to take up the online courses, so that they can conduct add-on courses in the HEI.	1. All departments, particularly, Arts, Languages and Commerce departments shall motivate the students to take up Academic writing courses either Online or Offline (if offered by the HEI) 2. List of students/faculty who take up the activity shall be maintained. 3. Follow-up shall be done with respect to timely completion of the courses and records shall be maintained. 4. Interested faculty/departments shall conduct Add-on courses by following the due procedures for the conduct of Add-on courses.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
9	Research Projects	Faculty	Encouraging & ensuring that maximum staff members do write for project grants (Minor/Major Research Projects) offered by various funding agencies like UGC, DST, DBT, CSIR, etc., This can be achieved with the help of RDC of the HEI.	1. Mobilization of research grants, 2. Improvement of research facilities and infrastructure. 3. Scope for high impact publications, 4. Opportunities for students to participate in sponsored research projects. 5. Scholarly recognition for the HEI.	1. RIMS shall include the funding programs of various funding agencies like UGC, DST, DBT, CSIR, ICMR etc., 2. Regular meetings shall be conducted to identify and motivate the faculty with research interests. 3. Research proposals from the staff shall be invited regardless of the funding opportunities; so that these proposals can be readily submitted when funding windows are open. 4. RDC must monitor the advertisements / notifications issued by the funding agencies, timelines as advertised by the agencies must be circulated among the staff well in advance. 5. Any help required, may be extended to the faculty who apply for funding. e.g., drafting of the proposals.	1. In-charges of all departments shall identify the scope for the conduct of research with the help of the faculty. 2. Research topics in thrust areas as identified by the RDC must be discussed among the staff members during departmental meetings and identify the topics that match the scope of the department. 3. Research proposals must be prepared in the format of the funding agency to which proposals are intended for and kept ready for submission through RDC. 4. Once sanctioned, Principal investigator must ensure that all due procedures are followed while utilizing the grants as per the sanction guidelines and submit 'utilization certificates' in the prescribed formats with proper auditing. 5. Involve faculty/students of the department in research projects sanctioned wherever possible, which helps to create an active research ecosystem in the department. 6. PI shall submit project reports within the timeframe of the project. 7. PI shall write research articles with the research data obtained in the project and communicate for publications.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
10	Publishing Books/Articles	Faculty	Encouraging the staff to publish their research work, manuscripts as original research articles/review articles/letters/correspondence in peer reviewed research journals that are listed in UGC-CARE.	Increase in 'h' index of the faculty/HEI, attaining National/International recognition.	1. RIMS includes the database of all the journals that are indexed in Scopus, Web of Science, UGC-CARE. Also, a list of potential Publishers (who publish books with ISBN/ISSN no.) and their contact details. 2. This list must be circulated among all the departments. 3. RDC shall also identify the journals/book publishers who publish research papers/book chapters with no or minimum fee and encourage the staff to publish their research articles in these journals. 4. Drafting/Editing help may be provided for the purpose by the RDC with coordination with IQAC;	1. All PIs shall invariably publish their funded-research work in the journals that are indexed in Scopus, Web of Science, UGC-CARE. 2. Faculty who did not have research projects can publish review articles, book chapters, letters etc., in coordination with RDC. 3. Taking Academic Writing courses helps in writing good articles/chapters with higher acceptability. 4. Having collaborations with experienced and already published scholars helps improve the chances of publications getting accepted.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
11	Presentation of Research Work	Faculty/Students	Presenting the research work of staff/students in various seminars/webinars of National/International level as Papers/Posters/Abstracts	Increase in 'h' index of the presenter or HEI, National/International recognition. Exposure to the concurrent scientific community and exploration of research domains and research opportunities.	<ol style="list-style-type: none"> 1. RIMS shall include the calendar of National/International Symposia/Seminars/Webinars etc., Since this is dynamic, regular updating is essential. 2. RDC shall circulate the schedules well in advance, so that the students and faculty would not miss deadlines. 3. RDC shall follow up the faculty/students who are engaged in the active research to participate in paper/poster presentations 4. Seminars/Webinars that publish their proceedings with ISBN/ISSN numbers must be encouraged to apply for. 	<ol style="list-style-type: none"> 1. With the help of RDC, PIs, interested staff and students shall plan to apply for paper and poster presentations. It is advisable to keep the work prepared and apply as soon as an appealing opportunity arises. 2. Students in groups, with the help of mentors, must work on poster presentations, initially, to nurture their research abilities. 3. Staff/Students must try to collaborate with experienced researchers to increase the chances of successful participation.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
12	Organizing National/International Seminars/Webinars	Faculty/Institute	Applying for seminar grants & conduct of seminars/webinars/workshops at National & International level. (at least one on IPR).	National/International recognition. Institution-wise exposure to the concurrent scientific community and exploration of research domain and research opportunities.	<ol style="list-style-type: none"> 1. RDC shall identify the agencies that offer funding for seminars/workshops/webinars etc. and circulate the list among the faculty. 2. Staff shall be motivated to apply for the grants, which enables the HEI to conduct the activity, which is otherwise a financial burden to the HEI. 3. RDC shall also devise a plan for utilizing District Resource Centre (DRC) funds, when allocated for the purpose. 	<ol style="list-style-type: none"> 1. PIs, interested staff shall apply for grants with the help of RDC. 2. Once sanctioned, Conveners/Co-conveners/Organizing members must ensure that all due procedures are followed while utilizing the grants as per the sanction guidelines and submit 'utilization certificates' in the prescribed formats with proper auditing. 3. Draft and Communicate the Brochure/Invitation for Lectures/Papers/Posters well in advance and scrutinize the applications. 4. Communicate the accepted works well in advance. 5. Involve faculty/students of the department/college in organizing, which helps to create/nurture an active research ecosystem. 6. Publish the proceedings with ISBN/ISSN numbers.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
13	Collaborations	Faculty/Institute	Obtaining valid MoUs/Collaborations from various research organizations, R&D departments for specific periods particularly with research-goals.	Readily available platforms for research activities like student exchange, conduct of seminars, workshops, opportunities for students to undergo internship and flexibility for the introduction of apprenticeship-based skill embedded programs.	1. RIMS shall include the details of successful MoUs and potential collaborators from the Academia/Research institutes/Universities/R&D departments and circulate that among the staff. 2. Making as many MOUs/collaborations as possible within the scope of the HEI; with the help of individual departments. 3. Services of interested retired faculty can be utilized with collaboration.	1. As described above collaborations increase the chances of getting research grants, acceptance of publications, etc. It also enhances the research abilities of the beginners. 2. Therefore, All the faculty are advised to find suitable collaborators, communicate with them, visit their workplaces, make proposals for collaborations/MoUs wherever possible. 3. Collaborations within GDCs may be more successful. 4. Once collaboration/MoU is achieved, strict adherence to the MoU or collaboration guidelines must be done; failing to which, prospects of collaborations are affected.
14	Patenting	Faculty/Institute	Filing for grant of the patent for discoveries/inventions made by faculty/students of the HEI in the HEI.	Acquisition of commercially scalable patents for start-ups, industrialization of the patented concept. Recognition and revenue generation for the HEI	1. In consultation with IQAC, RDCs must conduct workshops in IPR, in collaboration with National Intellectual Property Awareness Mission (NIPAM). 2. Patenting manuals, procedures must be kept available in the RDC for reference use of the staff.	1. All the staff members must acquaint themselves with IPR procedures and participate in the IPR workshops conducted by the HEI. 2. PI/HEI shall obtain the patent rights for novel discoveries/ inventions made as part of the research projects duly following the procedures. Help may be sought from RDC.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs

S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
15	Central Instrumentation Facility (CIF)	Institute (Autonomous Colleges)	Establishment of CIF by pooling instruments from various departments in the HEI, which may be used by any department as a central facility with ensured maintenance and mandatory recording the usage in logbooks. Consumables required may be borne by the using department. Trained lab attendant(s) be assigned to look after the facility.	Universal access to research tools within the HEI and consultancy research/technical services can be offered.	<ol style="list-style-type: none"> 1. RDC shall invite the proposals for contribution of all the departments towards establishing a CIF. 2. Contribution can be in the form of equipment, consumables, chemicals etc., 3. RDC in consultation with IQAC and the Principal, shall arrange for a convenient facility to establish the CIF. 4. RDC shall chalk out the maintenance procedures of the CIF by assigning an I/c with due permission from the Principal. 	<ol style="list-style-type: none"> 1. Principal shall encourage the departments to contribute for the CIF, provide facilities and manpower (maintenance, preferably a lab assistant) for CIF 2. All contributions must be recorded and approved by the RDC, avoiding the custody ambiguity of the equipment. 3. All departments can freely use any of the equipment available with the CIF with prior booking in the booking register and entering the usage in the logbooks (to be maintained at the facility for each instrument). 4. Departments contributed must ensure that the instrument is properly maintained and used. 5. Proper credits must be given to the facility in all the publications which resulted out of using the CIF. 6. ALL AUTONOMOUS HEIs are requested to invariably establish the facility by following the due administrative procedures.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs

S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
16	Consultancy	Institute	Providing consultancy services (research or technical) either through CIF or department-wise for Public/Private sectors by establishing a consultancy division in the HEI; enlisting all the services the HEI can provide. Proper maintenance of records of such services, records on income generated and auditing.	Helpful in good peer perception and inclusivity. Revenue generation.	<ol style="list-style-type: none"> 1. RDC shall identify the departments that can offer consultancy work with respect to research services and publish it on the college website, social media, local media, and popularize them. 2. Charges for each service may be fixed in consultation with the Principal, Department I/c and IQAC. 3. A special account for such funds generated may be maintained for utilization of the funds with prior approval from the principal, staff council. 	<ol style="list-style-type: none"> 1. All department In-charges shall identify whether their departments can offer consultancy and communicate the same to the RDC. 2. Staff/Departments shall devise a plan for offering such services in terms of time frames, expenses, charges etc., and communicate the same to RDC. 3. Maintaining proper record for each service request, approval, details of service provided, reports, income receipts, cashbook must be maintained by the department.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
17	Outreach	Institute	Extension activities that target the Public.	Helpful in good peer perception, reputation and increase in admissions.	1. RDC shall identify the important research activities that are being undertaken at the institute, particularly, that are conducted in public interest. 2. Event calendar must be prepared with outreach activities like visiting the nearby Jr Colleges, Schools, Hostels, Colonies and Organizing a day or half-a-day camp to explain the target audience about the research activities that are conducted by the HEI. 3. Records of these activities must be maintained by the RDC.	1. Principal, shall arrange for the outreach activities well in advance, with respect to administrative approvals, funding required etc., 2. Such activities must be incorporated in the College calendar and better be consistently organized on the same dates in each year for better outreach.
18	Open day	Institute	Keeping the institute open for the public visit for a day in a year	Helpful in good peer perception, reputation and increase in admissions.	1. RDC in consultation with the IQAC and principal shall declare an Open day for the visitors from the HEI neighbourhood well in advance and announce it on the website, social media and in local media, if possible. 2. RDC shall motivate and ensure that maximum departments do participate in the open-day exhibiting all their research-works and facilities.	1. Principal shall arrange for the Open day well in advance, with respect to administrative approvals, funding required etc., 2. Such activities must be incorporated in the College calendar and better be consistently organized on the same dates in each year for better outreach.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs

S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
19	Internal Funding	Institute (Autonomous HEIs)	Pooling/ maintaining a substantial research fund for the purpose of research by the aspirant faculty, preferably, those starting the research work.	Helpful to start research work by the beginners/ helpful for the pilot projects and Helpful in maintaining a continuous research ecosystem. Also, the experience acquired helps to get external research grants.	<ol style="list-style-type: none"> 1. RDC shall frame the "Internal HEI Funding Policy", Application proforma, Award criteria etc., 2. RDC shall invite research proposals from the faculty for Internal funding, ideally, the proposals should address the research thrust areas identified by the RDC and span for 1 year. 3. After examination of the proposals by the RDC, the Principal may finalize and allocate the grant with help of the staff council's resolution. 4. RDC shall maintain a record of each proposal, comments of RDC on them, award list, utilization certificates and bills duly following all the procedures stipulated for expenditure. 5. RDC shall also devise ways to allocate funds for supporting research publications, presenting papers in high-impact journals and seminars. 	<ol style="list-style-type: none"> 1. Faculty who wish to start their research work, who wish to do pilot research projects, who have little departmental funds and need funds for research etc., may apply to the Internal funding in the prescribed proforma as devised by RDC. 2. Once sanctioned, Principal investigator must ensure that all due procedures are followed while utilizing the grants as per the sanction guidelines and submit 'utilization certificates' in the prescribed formats with proper auditing. 3. Involve faculty/students of the department in research projects sanctioned wherever possible, which helps to create an active research ecosystem in the department. 4. PI shall submit project reports within the timeframe of the project. 5. PI shall write research articles with the research data obtained in the project and communicate for publication. 6. Based on this experience, PI may write for MRPs and Major grants. 7. ALL AUTONOMOUS HEIs are requested to examine the scope of internal funding scheme and implement.

II. IMPORTANT ACTIVITIES TO BE IMPLEMENTED & MONITORED BY RDCs IN GDCs						
S#	Activity	Level of Implementation	Description	Possible Outcome	Role of RDC	Standard Operating Procedure (SOP)
20	Use of Virtual Labs	Institution	Procurement and use of Virtual lab technology through purchase or open educational resources (OER) like that of MHRD, Govt. of India, for transferring experimental knowledge without sophisticated set up of actual laboratories.	Demonstration or hands on virtual experimentation of more expensive state of the art techniques without financial burden to the HEI.	<ol style="list-style-type: none"> 1. Every year, RDC shall identify the Virtual lab software packages/facilities which are available on OER platforms or for purchase. 2. Upon consultation with all the departments RDC shall finalize on the procurement of necessary Virtual lab technology with the help of internal resources. 3. RDC shall provide initial training on the usage of VL technology. 4. RDC shall take feedback from students on usage and the results of such technology and update accordingly. 	<ol style="list-style-type: none"> 1. In-charges of all departments shall identify the VL facilities required for the department in consultation with staff and students, the same may be communicated to RDC or seek help from RDC on the availability and usage of VL technology. 2. Procurement of virtual lab software packages and installing/using them on ICT facilities like DC/VC or a PC with appropriate configuration. 3. Design a timetable for the use of VL facilities and popularize among students. 4. Ensure that every student of respective programs use the technology and assess the skills acquired by them regularly. 5. Collect feedback from the students and faculty to renew/upgrade/change the VL packages accordingly. 6. Separate records may be maintained besides regular laboratory records for the use of VL. However, both shall be considered the same while evaluating the performance of students or departments. In fact, using VL adds evaluation credits to the HEIs under ICT enabled teaching and as one of the best practices.

PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION
AP::VIJAYAWADA
Present: Sri Pola Bhaskar, IAS.

Rc.No.3/CCE-Acad.Cell-Policies/AC-6/2022

Dt: 16-05-2022

Sub: Revised Choice Based Credit System- 3/4 year conventional degree Programmes – Community Service Project /internship/Apprenticeship /On the Job Training – Standard Operating Procedure (SOP) to be followed- reg.

Ref: 1. G.O MS.No.9, Higher Education (EC) Dept. dt:11/03/2022
2. Guidelines for the Community Service Project, issued by APSCHE
3. APSCHE-Revision of syllabus under CBCS with effect from 2020-21-Guidelines -Corrigendum issued vide Lr.No.APSCHE /AC /CBCS-2019-20/Review/22 Dt. 25.03.2022

As per the orders of the Government cited in the 1st reference, there shall be mandatory internship for all UG programmes for 10 months – 1st Internship (Community Service Project) after the end of 2nd semester examinations, 2nd Apprenticeship/ Internship / On the Job Training after the end of 4th semester examinations and the 3rd and final Apprenticeship / Internship / On the Job Training in 5th or 6th semester to ensure that the students develop hands on technical skills which will be of great help in facing the world of work along with developing social consciousness and compassionate commitment towards the neighbourhood.

Community Service Project is an experiential learning strategy that integrates meaningful community service with instruction, participation, learning and community development. Community Service Project involves students in community development and service activities and applies the experience to personal and academic development. Community Service Project is meant to link the community with the college for mutual benefit. The community will be benefited with the focused contribution of the college students for the village/ local development. The college finds an opportunity to develop social sensibility and responsibility among students and also emerge as a socially responsible institution.

The following Standard Operating Procedure shall be followed for the implementation of Community Service Project (1st Internship) in all Government Degree Colleges in the state duly following the Guidelines given by APSCHE vide reference no.2 cited.

Standard Operating Procedure (SOP) for Community Service Project (1st Internship)

I Duration:

The Community Service Project shall be held after the completion of 2nd semester examinations, i.e during intervening summer of 2nd semester and 3rd semester for the duration of 4 weeks (100 Hours). For the students who are admitted in first year for the academic year 2021-22, the Community Service Project can be done anytime during III to VI semesters, including on weekends or holidays, completing the mandatory 4 weeks as per the APSCHE Guideline – Corrigendum cited vide reference no.3.

II Schedule:

- ❖ Socio-Economic Survey of the Village/Habitation (One weeks)
- ❖ Community awareness campaign (One week)
- ❖ Main Project Implementation (One week)
- ❖ Project Report writing (One week)

III Implementation of the CSP:

- A group of students or even a single student could be assigned for a particular habitation or village or municipal ward, as far as possible, in the near vicinity of their place of stay, so as to enable them to commute from their residence and return back by evening or so.
- Each faculty member is to be assigned with a class/ section/ group of 10 to 15 students depending upon availability of the faculty members. The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.
- All the Regular, Contract, Guest faculty shall be involved in CSP as faculty – mentor for a group of students.
- The Community Service Project should be different from the regular programmes of NSS/NCC/Green Corps/Red Ribbon Club, etc in an adopted village. Students shall be given choice to take up CSP in the habitation or village or municipal ward of their own choice/convenience.
- The Community Service Project is a twofold one –
 - ❖ First, the student/s could conduct a survey of the habitation, if necessary, in terms of their own domain or subject area. For ex., a

student of Arts will focus on socio-economic conditions, social survey and about the Government's social security schemes. A student of Sciences could take up a survey on the health and hygiene conditions of that habitation, similarly, with other subject areas too. Or it can even be a general survey, incorporating all the different areas. A common survey format could be designed. This should not be viewed as a duplication of work by the Village or Ward volunteers; rather, it could be another primary source of data.

- ❖ Secondly, the student/s could take up a project work related to their domain or subject area.

IV Role of the Teacher/Mentor:

- a) The faculty mentor shall provide necessary orientation and training for the students on methodology for survey, preparation of questionnaire, maintenance of Log Book, Project report and writing etc.,
- b) To assign a village/ habitation/ municipal ward to each student as per the choice of the student/convenience.
- c) To guide the students in conducting socio economic Survey in the assigned village/ habitation/ municipal ward.
- d) To guide the students to take up Community awareness campaign/special camps and to act as resource person when required.
- e) To verify and countersign the Log Book of each student
- f) To guide the students in implementation of the project and Project report.
- g) To evaluate the project and award the grade based on the active participation of the student as per the assessment methodology

V Procedure:

1. Socio-Economic Survey of the Village/Habitation – log book

A group of students under the guidance of faculty mentors conduct a Socioeconomic Survey of the Village/habitation. They will interact with people to acquire basic knowledge on the project chosen for study and conduct the survey using a structured questionnaire.

2. Community awareness campaign

The students group takes up community awareness campaigns based on the above survey conducted by identifying the problems or vulnerable

issues. They may also conduct house to house campaign on socially relevant theme. Ex: Government welfare programs, health care, consumer protection, food adulteration, digital transactions, information sources, etc.

3. Project Implementation

A group of students choose a topic related to their subject area and conduct a Project which includes, Data collection, interviews, internship in any select unit or department.

4. Project Report

The student should submit a project report duly signed by the mentor.

VI Assessment Methodology:

- ❖ There will be only internal evaluation for CSP internship.
- ❖ The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.
- ❖ The assessment is to be conducted for 100 marks.
- ❖ 4 Credits to be allocated for Community Service Project within the Choice Based Credit System (CBCS).
- ❖ **Assessment Components:**

S.No	Assessment Component	Max Marks
1.	Project Log	20
2.	Project Implementation	30
3.	Project Report	25
4.	Project Presentation	25
	Total:	100

VII Internal viva committee:

An internal Viva shall be conducted by a committee constituted by the principal of the college. The committee shall consist of the following members;

1. Mentor/ faculty in-charge of CSP

2. One faculty member from other departments within the same course combination
3. One faculty member from Languages/ other courses

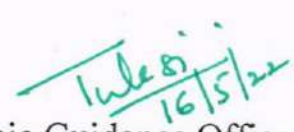

All the Principals of GDCs shall bestow their personal attention on the above SOP and implement Community Service Project (1st Internship) as per the schedule without fail.

GOVERNMENT OF ANDHRA PRADESH

ABSTRACT

Higher Education – Revised Choice Based Credit System – Conventional Degree Programmes and Engineering Programmes – Community Service Project – Internship / Apprenticeship / On the Job Training – Certain guidelines – Orders – Issued.

HIGHER EDUCATION (EC) DEPARTMENT

G.O.MS.No. 9.

Date: 11/03/2022

Read the following:-

- 1) G.O. Ms.No.46, Higher Education (CE) Dept., dated 22.12.2020.
- 2) From the Secretary, A.P. State Council of Higher Education, Mangalagiri, Guntur District, e-file bearing Computer No.1473399.

@@@

ORDER:-

In the G.O. 1st read above, permission was accorded to the State funded Universities in the State of Andhra Pradesh for introduction of four (4) year Honours Programmes with ten (10) months of mandatory internship.

2. In the e-file 2nd read above, the Secretary, A.P. State Council of Higher Education has submitted that the AP State Council of Higher Education constituted Committees to redesign the curriculum framework of all UG Conventional and Professional (Engineering) Programmes and based on the recommendations of the Committees and the vision of the Hon'ble Chief Minister, a thoroughly revised curriculum with Life Skill Courses, Skill Development Courses and Skill Enhancement Courses in conventional degree programmes and skill courses in major and minor electives and skill enhancement electives in Engineering programmes was introduced from the Academic Year 2020-21. The unique feature of the revised curriculum is a 10 month mandatory internship/apprenticeship/on the job training, of which a 2 month Community Service Project was an integral part.

3. The mandatory 10 month internship is done in three phases. In the first phase, the 2-month Community Service Project shall be mandatorily done by all students during the intervening summer vacation between the first and second years of study and in the second phase a 2-month internship/apprenticeship/on the job training shall be mandatorily done by all the students during the intervening summer vacation between the second and third years of study. In the final and third phase a 6-month (one full semester) internship/apprenticeship/on the job training shall be done mandatorily either in the 5th Semester or 6th Semester of all 3/4 year conventional degree programmes and 5-year integrated PG programmes.

In case of 4-year Professional Degree Programmes, in the first phase, the mandatory 2-month Community Service Project shall be done by all students during the intervening summer vacation between the second and third years of study and in the second phase a mandatory 2-month internship/ apprenticeship/on the job training shall be done by all the students during the intervening summer vacation between the third and fourth years of study. In the final and third phase a 6-month (one full semester) internship/apprenticeship/on the job training shall be done mandatorily either in the 7th Semester or 8th Semester

Contd...2

4. In this background, Government after examination of the matter hereby issue the following guidelines for the 10 month mandatory internship/ apprenticeship/on the job training for all the 3/4 year Conventional Degree Programmes, 5-year Integrated PG programmes and to the 4-year Professional programmes from the Academic Year 2020-21:-

1. Community Service Project:

The Community Service Project is an experiential learning strategy that integrates meaningful community service with instruction, participation, learning and community development. Community Service Project involves students in community development and service activities and applies the experience to personal and academic development. Community Service Project is meant to link the community with the college for mutual benefit. The community will be benefited with the focused contribution of the college students for the village/ local development. The college finds an opportunity to develop social sensibility and responsibility among students and also emerge as a socially responsible institution. The community service project has to be undertaken as per the guidelines of A.P. State Council of Higher Education and with the approval of respective Universities

2. Internship/Apprenticeship/On the Job Training

Developing an internship policy is an impactful strategy for creating a future talent pool for the industry. The Internship program not only helps fresh pass-outs in gaining professional know-how but also benefits the employers on fresh perspectives on business issues and even discovering potential future business leaders. The main aim of this initiative is enhancement of the employability skills of the students passing out from Higher Educational Institutions. The A.P. State Council of Higher Education has prepared a revised CBCS curriculum with the help of prominent academicians so that the State of Andhra Pradesh may produce competent employable graduates as per the needs of the industries. The objectives, procedures and evaluation system are defined in the regulations of the revised CBCS curriculum as approved by the respective Universities.

3. The 10-month mandatory community service / internship / apprenticeship/on the job training is an initiative which is unique in the country and also highly challenging. The community service / internship / apprenticeship / on the job training opportunity has to be provided to all the students of higher education at different phases of their study as per the regulations. To facilitate internships and also to implement them effectively an administrative mechanism is necessary at each district level.

In order to ensure effective implementation of the mandatory 10-month internship for the students of Colleges and Universities, and on the recommendation of the A.P. State Council of Higher Education, the Government of Andhra Pradesh constitutes State Level and district level internship coordination committees in each of the districts of Andhra Pradesh with immediate effect. The composition, roles and responsibilities of the committees are as described hereunder:

Contd...3

3.1 Committees at the State Level and also at the District Levels shall be constituted with the following composition.

State Level Committee:

Chief Secretary	-	Chairman
Pr. Secretary, Higher Education	-	Member-Secretary
Chairman, AP State Council for Higher Education	-	Member
Commissioner for Collegiate Education	-	Member
Special Chief Secretary (Agri, Seri & Horti)	-	Member
Special Chief Secretary (Industries & Commerce)	-	Member
Special Chief Secretary (Labour & Factories)	-	Member
Special Chief Secretary (Municipal Admn & Urban Dev)	-	Member
Special Chief Secretary (Gram Secretariats/ Ward Secretariats)	-	Member
Commissioner of Industries	-	Member
MD, Andhra Pradesh Industrial Infrastructure Corporation (APIIC)	-	Member
Secretary (Public Enterprises)	-	Member
Secretary (Planning)	-	Member
Principal Secretary (Panchayat Raj & Rural Development)	-	Member
Principal Secretary (Skills Development & Training)	-	Member
Managing Director, APSSDC	-	Member
Principal Secretary Health, Medical & Family Welfare	-	Member
State level Industries, Trade Associations (one from each to be nominated by Chief Secretary)	-	Members
CEOs of the companies to be nominated by the Chief Secretary	-	3 Members

3.2. District level Committee

1	District Collector	-	Chairman
2	Vice Chancellors	-	Members
3	Joint Collector (Village & Ward Secretariat and Development)	-	Member - Secretary
4	Registrar of the University	-	Addl. Secretary (If there are two Registrars in a district there shall two Addl. Secretaries)
5	Manager – District Industries Center	-	Member
6	Principal of an Autonomous College	-	Member (to be nominated by the chairman)
7	Principal of a Conventional Affiliated College	-	Member (to be nominated by the chairman)
8	Principal of a Professional College	-	Member (to be nominated by the chairman)
9	Representatives from Manufacturing Sector Members (2nos)	-	Member (to be nominated by the chairman)
10	Representatives from Service Sector (2nos)	-	Member (to be nominated by the chairman)
11	GM, DIC	-	Member
12	District Level officers of APIIC	-	Member (to be nominated by Chairman)
13	2 CEO's of companies having strong presence in the respective district	-	Member (to be nominated by Chairman)
14	Local chapters of industry and trade associations	-	3 Members (one from each to be nominated by Chairman)
15	Prominent Alumni belonging to the district	-	Members (one person to be nominated by Vice-Chancellors)

3.3. Tenure of the members

The tenure of the nominated members shall be for a period of three years from the date of nomination.

3.4 Role and responsibilities of the District Level Committees:

3.4.1 Conducting meetings of the committee for a minimum of two times in a year. Once before the start of the academic year.

3.4.2 Conducting meetings with the local industrialists, service organisations, Government departments, agencies and other professionals, to explore the possibilities of the internship/ apprenticeship /on the job training in the respective organizations and establishments.

3.4.3 Explore the possibilities of vacancies for internship / apprenticeship /on the job training in various organizations and industries/ establishments, both in public and private and in Central and State Government Departments and empanel professionals/small business establishments and other agencies which can offer internships.

3.4.4 To ensure the implementation of the provisions of Apprenticeship Act wherever applicable.

3.4.5 To review periodically the effectiveness of internship programme in consultation with all the stakeholders. To ensure that all the students are provided with internships preferably as per their interests and domain of study.

3.5. Roles and Responsibilities of the Registrars of the Universities:

3.5.1. Liaison between the colleges under the jurisdiction of the University concerned and the District Coordination Committee.

3.5.2. To finalize the guidelines for the allotment of students to various organizations.

3.5.3. To submit the demand for internships in different fields of study to the committee as and when required-

3.5.4. To prepare the lists of students participating in the internship/apprenticeship/on the job training, including in the community service project.

3.5.5. To prepare the student-demand analysis.

3.5.6. To prepare a list of students who are prepared to do the internship outside the district and to find suitable organizations and establishments.

3.5.7. To map the students and the internship offering establishments and organizations

3.5.8. To provide data and information to the committee as required by the committee

5. The Registrars of the Universities in the State of Andhra Pradesh shall adopt the above orders with the approval of their respective Statutory Boards for its implementation of the aforesaid orders in all the Universities, Colleges and its affiliated colleges under their jurisdiction from the Academic Year 2020-21.

6. The Collectors and District Magistrates shall take further action in the matter accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

COMMUNITY SERVICE PROJECT

.....Experiential learning through community engagement

1. INTRODUCTION

- Community Service Project is an experiential learning strategy that integrates meaningful community service with instruction, participation, learning and community development
- Community Service Project involves students in community development and service activities and applies the experience to personal and academic development.
- Community Service Project is meant to link the community with the college for mutual benefit. The community will be benefited with the focused contribution of the college students for the village/ local development. The college finds an opportunity to develop social sensibility and responsibility among students and also emerge as a socially responsible institution.

2. OBJECTIVES

Community Service Project should be an integral part of the curriculum, as a part of the 2 months of Summer Internships / Apprenticeships / On the Job Training, whenever there is an exigency when students cannot pursue their summer internships. The specific objectives are;

- To sensitize the students to the living conditions of the people who are around them,
- To help students to realize the stark realities of the society.
- To bring about an attitudinal change in the students and help them to develop societal consciousness, sensibility, responsibility and accountability
- To make students aware of their inner strength and help them to find new /out of box solutions to the social problems.
- To make students socially responsible citizens who are sensitive to the needs of the disadvantaged sections.
- To help students to initiate developmental activities in the community in coordination with public and government authorities.
- To develop a holistic life perspective among the students by making them study culture, traditions, habits, lifestyles, resource utilization, wastages and its management, social problems, public administration system and the roles and responsibilities of different persons across different social systems.

3. IMPLEMENTATION OF COMMUNITY SERVICE PROJECT

- Every student should put in a minimum of 180 hours for the Community Service Project during the summer vacation.
- Each class/section should be assigned with a mentor.
- The mentor should be a faculty member. Incentive could be given to the faculty mentors in terms of Academic Performance Indicators (API) scores. Or could even be made a compulsory in the service conditions laid down at the time of appointment.
- 4 Credits to be allocated for Community Service Project within the Choice Based Credit System (CBCS).
- The 180 hours of Community Service Project could be done in different areas.
- Specific Departments could concentrate on their major areas of concern. For example, Dept. of Computer Science can take up activities related to Computer Literacy to different sections of people like - youth, women, house-wives, etc... Dept. of Zoology or other life sciences departments could concentrate on health awareness, blood groupings, awareness on blood donation or organ donation, etc. Dept. of Mathematics and Statistics could dwell upon empowering the youth with analytical skills, Dept. of Commerce could create awareness on GST or Income Tax Returns or other taxes or consumerism.
- Sky will be the limit for organizing different programmes, provided the faculties are sufficiently motivated.
- A log book has to be maintained by each of the student, where the activities undertaken/involved to be recorded.
- The log book has to be countersigned by the concerned mentor/faculty incharge.
- Evaluation to be done based on the active participation of the student and grade could be awarded by the mentor/faculty member.
- The final evaluation to be reflected in the grade memo of the student.
- The Community Service Project should be different from the regular programmes of NSS/NCC/Green Corps/Red Ribbon Club, etc.
- Minor project report should be submitted by each student. An internal Viva shall also be conducted by a committee constituted by the principal of the college.

- Award of marks shall be made as per the guidelines of Internship/apprentice/ on the job training

4. PROCEDURE

- A group of students or even a single student could be assigned for a particular habitation or village or municipal ward, as far as possible, in the near vicinity of their place of stay, so as to enable them to commute from their residence and return back by evening or so.
- The Community Service Project is a twofold one –
 - First, the student/s could conduct a survey of the habitation, if necessary, in terms of their own domain or subject area. For ex., a student of Arts will focus on socio-economic conditions, social survey and about the Government's social security schemes. A student of Sciences could take up a survey on the health and hygiene conditions of that habitation, similarly, with other subject areas too. Or it can even be a general survey, incorporating all the different areas. A common survey format could be designed. This should not be viewed as a duplication of work by the Village or Ward volunteers; rather, it could be another primary source of data.
 - Secondly, the student/s could take up a project work related to their domain or subject area.
- The different areas, could be like –
 - Agriculture
 - Health
 - Marketing and Cooperation
 - Animal Husbandry
 - Horticulture
 - Fisheries
 - Sericulture
 - Revenue and Survey
 - Natural Disaster Management
 - Irrigation
 - Law & Order
 - Excise and Prohibition
 - Mines and Geology
 - Energy

A specific example,

- A student of B.Sc (BZC) will first conduct a survey of his/her habitation which could be related to a specific area or in a comprehensive way of socio-economic conditions, covering all the areas listed above.

or

- Could conduct an awareness programme on Health and Hygiene or in Organic Farming or in Fisheries or in advocating prohibition of liquor or about renewable energy, or any other activity in an area as per his/her aptitude and the problems identified in the socioeconomic survey conducted.
- A project work shall be done on a particular topic related to his/her domain subject area.

5. EXPECTED OUTCOMES

BENEFITS OF COMMUNITY SERVICE PROJECT TO STUDENTS

Learning Outcomes

- Positive impact on students' academic learning
- Improves students' ability to apply what they have learned in "the real world"
- Positive impact on academic outcomes such as demonstrated complexity of understanding, problem analysis, problem-solving, critical thinking, and cognitive development
- Improved ability to understand complexity and ambiguity

Personal Outcomes

- Greater sense of personal efficacy, personal identity, spiritual growth, and moral development
- Greater interpersonal development, particularly the ability to work well with others, and build leadership and communication skills

Social Outcomes

- Reduced stereotypes and greater inter-cultural understanding
- Improved social responsibility and citizenship skills
- Greater involvement in community service after graduation

Career Development

- Connections with professionals and community members for learning and career opportunities
- Greater academic learning, leadership skills, and personal efficacy can lead to greater opportunity

Relationship with the Institution

- Stronger relationships with faculty
- Greater satisfaction with college
- Improved graduation rates

BENEFITS OF COMMUNITY SERVICE PROJECT TO FACULTY MEMBERS

- Satisfaction with the quality of student learning
- New avenues for research and publication via new relationships between faculty and community
- Providing networking opportunities with engaged faculty in other disciplines or institutions
- A stronger commitment to one's research

BENEFITS OF COMMUNITY SERVICE PROJECT TO COLLEGES AND UNIVERSITIES

- Improved institutional commitment
- Improved student retention
- Enhanced community relations

BENEFITS OF COMMUNITY SERVICE PROJECT TO COMMUNITY

- Satisfaction with student participation
- Valuable human resources needed to achieve community goals
- New energy, enthusiasm and perspectives applied to community work
- Enhanced community-university relations.

ROLE OF STUDENTS:

- Students may not have the expertise to conduct all the programmes on their own. The students then can play a facilitator role and conduct the programmes involving Governmental agencies, Non-Governmental agencies or faculties of their college, etc.
- For conducting special camps like Health related, they will be coordinating with the Governmental agencies.
- As and when required the College faculty themselves act as Resource Persons.
- Students can work in close association with Non-Governmental Organizations like Lions Club, Rotary Club, etc or with any NGO actively working in that habitation.
- And also with the Governmental Departments. If the programme is rolled out, the District Administration could be roped in for the successful deployment of the programme.
- An in-house training and induction programme could be arranged for the faculty and participating students, to expose them to the methodology of Service Learning.

6. TIME FRAME FOR THE COMMUNITY SERVICE PROJECT

Duration: 8 weeks

Schedule:

Socio-Economic Survey of the Village/Habitation (Two weeks): A group of students under the guidance of faculty mentors conduct a Socioeconomic Survey of the Village/habitation. They will interact with people to acquire basic knowledge on the project chosen for study and conduct the survey using a structured questionnaire.

Community awareness campaign (one week): The students group takes up community awareness campaigns based on the above survey conducted by identifying the problems or vulnerable issues. They may also conduct house to house campaign on socially relevant theme. Ex: Government welfare programs, health care, consumer protection, food adulteration, digital transactions, information sources, etc.

Main Project (4 weeks): A group of students choose a topic related to their subject area and conduct a Project which includes, Data collection, interviews, internship in any select unit or department.

Report preparation (one week): The student should submit a project report duly signed by the mentor.

7. ASSESSMENT METHODOLOGY FOR COMMUNITY SERVICE PROJECT

Learning outcomes:

- To facilitate an understanding of the issues that confronts the vulnerable / marginalized sections of the society.
- To initiate team processes with the student groups for societal change.
- To provide students an opportunity to familiarize themselves with urban / rural community they live in.
- To enable students to engage in the development of the community.
- To plan activities based on the focused groups.\
- To know the ways of transforming the society through systematic programme implementation.

The following is the evaluation methodology for awarding marks/grades.

There will be only internal evaluation for this internship. Each faculty member is to be assigned with 10 to 15 students depending upon availability of the

faculty members. The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.

The assessment is to be conducted for 100 marks. The number of credits assigned is 4. Later as per the present practice the marks are converted into grades and grade points to include finally in the SGPA and CGPA.

The weightings shall be:

Project Log	20%
Project Implementation	30%
Project report	25%,
Presentation	25%

Each student is required to maintain an individual logbook, where he/she is supposed to record day to day activities. The project log is assessed on an individual basis, thus allowing for individual members within groups to be assessed this way. The assessment will take into consideration the individual student's involvement in the assigned work.

While grading the student's performance, using the student's project log, the following should be taken into account -

- a. The individual student's effort and commitment.
- b. The originality and quality of the work produced by the individual student.
- c. The student's integration and co-operation with the work assigned.
- d. The completeness of the logbook.

The assessment for the **Community Service Project implementation** shall include the following components and based on the entries of Project Log and Project Report:

- a. Orientation to the community development
- b. Conducting a baseline assessment of development needs
- c. Number and Quality of Awareness Programmes organised on beneficiary programmes and improvement in quality of life, environment and social consciousness, motivation and leadership, personality development, etc.
- d. Number and Quality of Intervention Programmes (Prevention or promotion programs that aim to promote behavioural change in defined community contexts to address social problems) organised.
- e. Follow-up Programmes suggested (Referral Services, Bringing Community Participation)

f. Developing short and mid-term action plans in consultation with local leadership and local government officers.

The **Project Report** shall be prepared as per the guidelines given in the Model Project Report.

The **Project Presentation** is to be made by the student after he/she reports back to the College. The components for assessment are –

- a. assessing the involvement in the project
- b. presentation skills
- c. final outcome of the project as evinced by the student.

Example:

Name of the Student:	X. YY ZZZ	
Class & Year of Study	II B.A. 2021 - 2022	
Registered Number	000000	
Assessment Component	Max Marks	Marks Secured
1. Project Log	20	15
2. Project Implementation	30	20
3. Project Report	25	20
4. Presentation	25	20
TOTAL OUT OF 100	100	75

Letter grade	Grade Point	Credits	Credit Point
O (outstanding)	10	2	20
A+ (Excellent)	9	2	18
A (Very Good)	8	2	16
B+ (Good)	7	2	14
B (Above average)	6	2	12
C (Average)	5	2	10
D (Pass)	4	2	8
F (Fail)	0	2	0
Ab (Absent)	0	2	0

In the above example, 75 marks are converted to letter grade / grade point.

Letter grade	Grade Point	Credits	Credit Point
B+ (Good)	7	2	14

8. MODEL OF THE PROJECT REPORT

PART – A

1. Introduction:
 - A. About the Village / Habitation.
2. Socio-Economic Survey of the Village/Habitation.
 - A. Data collection using prescribed formats.
3. Problems identified and Analyses of the problems.
4. Short-term and long term action plan for possible solutions for the problems identified and that could be recommended to the concerned authorities for implementation.
5. Community awareness programmes conducted w.r.t the problems and their outcomes.

PART - B

1. A mini-project work in the related subject w.r.t the habitation/village.
(For ex., a student of Botany may do a project on Organic Farming or Horticulture or usage of biofertilisers or biopesticides or effect of the inorganic pesticides, etc. A student of Zoology may do a project on Aquaculture practices or animal husbandry or poultry or health and hygiene or Blood group analysis or survey on the Hypertension or survey on the prevalence of diabetes, etc.)

PART - C

1. Recommendations and conclusions.
2. References

9. SUGGESTIVE LIST OF PROGRAMMES UNDER COMMUNITY SERVICE PROJECT

The following the recommended list of projects for BA, B.Com, and B.Sc programmes. The lists are not exhaustive and open for additions, deletions and modifications. Colleges are expected to focus on specific local issues for this kind of projects. The students are expected to carry out these projects with involvement, commitment, responsibility and accountability. The mentors of a group of students should take the responsibility of motivating, facilitating, and guiding the students. They have to interact with local leadership and people and appraise the objectives and benefits of this kind of projects. The project reports shall be placed in the college website for reference. Systematic, Factual, methodical and honest reporting shall be ensured.

For Arts Students

1. Village demography
2. Healthcare programmes and their implementation
3. School education
4. Youth engagement
5. Women empowerment
6. Women education
7. Domestic violence
8. Culture, traditions, values and ethics
9. Employment of different sections
10. Status of socially deprived sections
11. Implementation of state development programmes
12. Implementation and impact of welfare schemes
13. Public distribution system
14. Social inclusiveness
15. Village governance
16. Health care system and its effectiveness
17. Information sources and their effectiveness
18. Entertainment media and habits
19. Social problems
20. Family and marriage systems across different social groups
21. Religion profile and their role in social development
22. Communal harmony
23. Innovative methods and practices
24. Village industry
25. Safety and security
26. Migration for employment
27. Infrastructure development
28. Facilities for quality life across different social groups
29. Leadership in family, community and social groups
30. Implementation of central schemes
31. Village development plans

32. Child labour
33. Sex education
34. Atrocities against women
35. Awareness of central government schemes and the level of participation
36. Community engagement programmes and their impact
37. Career orientation of youth
38. Skill development programmes and their impact
39. Alcohol and smoking habits and their impact on families and society
40. Crime rate, law and order and safety needs
41. Quality of Elementary education and accessibility
42. Factors considered for electing public representatives
43. Environment protection
44. Inter religious harmony
45. Treatment of aged persons
46. Sanitation systems
47. Tribal studies
48. Telugu literature and mondalics
49. Awareness of epics among youth and children
50. Anthropological survey
51. Music and dance
52. Performing arts
53. Social evils

For Commerce Students

1. Entrepreneurship
2. Agricultural products and marketing
3. Poultry business
4. Dairy business
5. Aquaculture
6. Wage system and Labour Welfare
7. Village industry products and marketing
8. Income and wealth distribution among different sections of the society
9. Entertainment services
10. Communication services
11. Banking services and habits
12. Insurance services and habits
13. Public distribution system
14. Vegetable marketing
15. Savings and Investments
16. Online purchases
17. Digital transactions
18. Use of electrical home appliances
19. Use of electronic home appliances
20. Personal transport
21. Consumer movement
22. Unfair trade practices

23. Food habits
24. Income distribution
25. Wealth distribution
26. Expenditure pattern on different product categories
27. Buying motives
28. Consumer behavior
29. Impact of celebrity advertising
30. Impact of TV on product choices
31. Usage of cell phones
32. Self employed professionals
33. Construction
34. Leisure time management
35. Tourism
36. Leadership
37. Human resource development
38. Local administration
39. Office management in local governing bodies
40. Exports
41. Handicrafts
42. Handlooms
43. Public transport
44. Private transport
45. Cooperative societies
46. Shifts in occupations
47. Debt burden of different sections of the society
48. Time management
49. Dispute resolution systems
50. Commercial crops

For Science Students

1. Water facilities and drinking water availability
2. Health and hygiene
3. Stress levels and coping mechanisms
4. Health intervention programmes
5. Horticulture
6. Herbal plants
7. Botanical survey
8. Zoological survey
9. Marine products
10. Aqua culture
11. Inland fisheries
12. Animals and species
13. Nutrition
14. Traditional health care methods
15. Food habits

16. Air pollution
17. Water pollution
18. Plantation
19. Soil protection
20. Renewable energy
21. Plant diseases
22. Yoga awareness and practice
23. Health care awareness programmes and their impact
24. Use of chemicals on fruits and vegetables
25. Organic farming
26. Crop rotation
27. Floriculture
28. Access to safe drinking water
29. Geographical survey
30. Geological survey
31. Sericulture
32. Study of species
33. Food adulteration
34. Incidence of Diabetes and other chronic diseases
35. Human genetics
36. Blood groups and blood picture

10. COMPLIMENTING THE COMMUNITY SERVICE PROJECT THE STUDENTS MAY BE INVOLVED TO TAKE UP SOME AWARENESS CAMPAIGNS ON SOCIAL ISSUES/SPECIAL GROUPS.

The suggested list of programmes are -

Programmes for School Children

1. Reading Skill Programme (Reading Competition)
2. Preparation of Study Materials for the next class.
3. Personality / Leadership Development
4. Career Guidance for X class students
5. Screening Documentary and other educational films
6. Awareness Programme on Good Touch and Bad Touch (Sexual abuse)
7. Awareness Programme on Socially relevant themes.

Programmes for Women Empowerment

1. Government Guidelines and Policy Guidelines
2. Womens' Rights
3. Domestic Violence
4. Prevention and Control of Cancer
5. Promotion of Social Entrepreneurship

General Camps

1. General Medical camps
2. Eye Camps
3. Dental Camps
4. Importance of protected drinking water
5. ODF awareness camp
6. Swatch Bharath
7. AIDS awareness camp
8. Anti Plastic Awareness
9. Programmes on Environment
10. Health and Hygiene
11. Hand wash programmes
12. Commemoration and Celebration of important days

Programmes for Youth Empowerment

1. Leadership
2. Anti-alcoholism and Drug addiction
3. Anti-tobacco
4. Awareness on Competitive Examinations
5. Personality Development

Common Programmes

1. Awareness on RTI
2. Health intervention programmes
3. Yoga
4. Tree plantation
5. Programmes in consonance with the Govt. Departments like –
 - i. Agriculture
 - ii. Health
 - iii. Marketing and Cooperation
 - iv. Animal Husbandry
 - v. Horticulture
 - vi. Fisheries
 - vii. Sericulture
 - viii. Revenue and Survey
 - ix. Natural Disaster Management
 - x. Irrigation
 - xi. Law & Order
 - xii. Excise and Prohibition
 - xiii. Mines and Geology
 - xiv. Energy

ANDHRA PRADESH STATE COUNCIL OF HIGHER EDUCATION
(A Statutory Body of the Government of A.P)

PROF.B.SUDHEER PREM KUMAR
SECRETARY

Lr.No.APSCHE/AC/CBCS-2019-20/Review/22

Dt. 25.03.2022

To
The Registrars of

Andhra University	Acharya Nagarjuna University	Sri Venkateswara University
Krishna University	Vikrama Simhapuri University	Adikavi Nannayya University
Yogi Vemana University	Sri Krishnadevaraya University	Rayalaseema University
Dr.B.R.Ambedkar University		

Sir/Madam,

Sub: APSCH-AC-Revision of syllabus under CBCS with effect from 2020-21-Guidelines
-Corrigendum issued – Reg

Ref: G.O Ms.No.46 HE (CE) Dept. Dt: 22.12.2020

-oOo-

I am directed to inform that as the Universities are aware, the AP State Council of Higher Education has revised the syllabus of 4 year General UG Honours Programmes to be in effect from 2020-21 under Choice Based Credit System. These programmes, in accordance with the G.O under reference have an exit option at the end of three years. The syllabus of semesters I to V of the 4 year General UG Honours programmes prepared by the APSCH-AC along with the guidelines and the curricular structure is placed in the website of the Council.

I am to further inform that, as per the guidelines placed in the website of the Council, there shall be mandatory internship for all UG programmes for 10 months – 1st Internship (Community Service Project) after the end of 2nd semester examinations, 2nd Apprenticeship / Internship / On the Job Training after the end of 4th semester examinations and the 3rd and final Apprenticeship / Internship / On the Job Training in semester 6 to ensure that the students develop hands on technical skills which will be of great help in facing the world of work along with developing social consciousness and compassionate commitment towards the neighbourhood.

In order to ensure presence of work force to firms/companies/organisations etc., throughout the year and to balance the work load in Degree Colleges, only 50% of students in a class shall be allotted Internship in V Semester and the remaining 50% shall attend classes on Skill Enhancement Courses (SECs). The 50% of students who attended internship in V semester shall attend classes for SECs in VI Semester and the 50% students who attend classes for SECs in Semester V shall go internship in VI Semester. In either Semester V or VI only 50% of students in a class will be in Internship or attend classes for

SECs. The students may be given a choice to opt for internship either in semester-V or semester-VI.

Accordingly, the 10 month mandatory Apprenticeship / Internship / On the Job Training for UG programmes as per the revised CBCS curriculum with effect from 2020-21 is to be held as follows:

Internship Number	Apprenticeship / Internship / On the Job Training	Duration	To be held	Hours	Credits
1 st internship	Community Service Project	4 weeks	After the end of 2 nd semester examinations, i.e during intervening summer of semesters 2 and 3	100	4
2 nd internship	Apprenticeship / Internship / On the Job Training	4 weeks	After the end of 3 rd semester examinations, i.e during intervening summer of semesters 4 and 5	100	4
3 rd and final internship	Apprenticeship / Internship / On the Job Training	One semester	5 th or 6 th semester - 50% of students to undergo in 5 th semester while the rest 50% to undergo in 6 th semester	200	12

For the students who are admitted in first year for the academic year 2021-22, the Community Service Project can be done anytime during III to VI semesters, including on weekends or holidays, completing the mandatory 4 weeks.

The Universities are therefore requested to note the change in execution of the final internship and communicate it to all the Degree colleges affiliated to the University.

Yours faithfully,

SECRETARY

**PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION
A.P., VIJAYAWADA
Present: Dr. Pola Bhaskar, I.A.S.**

Rc. No. 01/CCE/AC-5/GER_GPI/2022

dated 12-05.2022

Sub: Collegiate Education –Implementation of Sustainable Development Goals (SDGs) - Strategies for enhancement of GER & GPI - Issue of guidelines for implementation of strategies/work plan at institutional level - Reg.

Ref: Sustainable Development India Index Report 2020-21

Education is covered under Goal No:4 (SDG4) of the Agenda 2030 for Sustainable Development.

SD Goal 4: “Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all”.

The Factors that influence the attainment of the Sustainable Development Goal (SDG) are Sustainable Development Indicators (SDIs). They impact the outcome of the Goal. SDIs mapped to Higher Education are

- I. Gross Enrolment Ratio (GER) in Higher Education (18-23 years)
- II. Gender Parity Index (GPI) in Higher Education (18-23 years)

Economic and social development may not guarantee sustainable development. Factors such as lack of access, limited resources impede sustainable development. The State Government is working towards building a quality based system that is accessible, inclusive, responsive and caters to the needs of diverse groups of young people with special focus on students from disadvantaged sections of the society by implementing “Jagananna Vidya Deevena (Full fee Reimbursement)”, “Jagananna VasathiDeevena (Maintenance fee)”.

The Department of Collegiate Education, in line with the state Government directives, has envisaged strategies for improvement of enrolment in Government Degree Colleges (GDCs) and accordingly prepared an Action Plan comprising of various activities. The expected outcome is attainment of 100% admission target in the ensuing academic year 2022-23 and thereafter in all GDCs across the state. The execution/implementation of the Work Plan at institutional level is coordinated & monitored at District/Zonal/State level.

The different levels at which Work Plan for Enhancement of GER & GPI is executed and monitored are:

- a) **Institutional Level:** Institutions are testing grounds for realization of a policy through implementation of the work plan. HOI and Lecturers are the Torch Bearers of policy/work plan execution. Lecturers perform academic duties in imparting quality education as well as support HOI in administration through various college committees.
- b) **District Level:** District Identified Colleges have to offer support through the District Resource Center (DRC) platform and also coordinate with the authorities at Zonal & State level.

- c) **Zonal Level:** Regional Joint Directors shall monitor the implementation of Work Plans at each institutional level within the zone through visits/Zonal level meetings.
- d) **State Level:** As an authority responsible for monitoring & coordinating the Work Plan at various levels i.e., institutional/ District/ Zonal/State level. CCE organizes periodical review meetings in online/offline mode.

I. Strategies for enhancement of Gross Enrolment Ratio (GER) in Higher Education (18-23 years):

The following activities are to be carried out at institutional level:

1) Organizing Campaigning in all Junior Colleges (Feeder Colleges) along with door-to-door canvassing in surrounding areas

i. Execution at Institutional Level

- Principal and Admission Promotion Committees (APCs) along with students shall interact with the principals and staff of junior colleges & Model Schools to seek their cooperation in motivating their students to take admissions into Govt. Degree Colleges by highlighting quality enhancement strategies like Teaching Learning Process Management system (TLPMS), infrastructure facilities, Innovative practices, extra-curricular activities etc. Awareness should be created among intermediate students about the courses, facilities, faculty, and quality initiatives and the student details such as group studying and mobile number are to be collected for providing guidance to the students during the admission process. Guest lectures to Intermediate students and invite Intermediate staff and students to GDCs to get first-hand information about the college.
- The APC members have to reach out to the students and parents in surrounding villages/areas through Alumni linkages or taking support from village/ward secretariats and carry out door-to-door campaigns.
- Guidance and services of Elected Representative also may be utilized.

ii. Collaborating with Junior Colleges

Plan and take measures to collaborate with Junior Colleges throughout the year and organize campaigning in all Junior Colleges (Feeder Colleges) along with door-to-door canvassing in surrounding areas at the time of admissions.

iii. Alumni Engagement

A series of alumni meetings are to be held in both offline & Online mode for arriving at strategies and for receiving support. They should be roped into canvassing along with college APC or at individual level through mouth publicity.

iv. Making Use of the Services of Village/Ward Volunteers/ Secretaries

Identification of localities of feeder areas where the potential for new

admissions is significant by making use of the services of the local secretariat employees.

2) Advertising:

- i. The Principal of the college has to take initiative to provide wide publicity through print and electronic media – newspapers, local cable TV, flexi banners, F.M radio; village secretariats, students, CPDC members, etc. Digital advertising through Instagram, twitter, Facebook, etc., shall be widely used for cost effectiveness and wider outreach.
- ii. Each College shall conduct a press conference before the commencement of online admission process with print and electronic media representatives/ reporters to showcase the infrastructure, explain the strategies being adopted for implementation of quality Teaching, Learning and Evaluation, co-curricular and extracurricular activities, innovative and best practices, etc., and request them to give wide coverage of the achievements/ infrastructure in the feeder areas so that stakeholders develop a positive perception about the college. Also advertise through FM radio (radio jingles).

3) Preparation of brochure/pamphlets:

The college shall prepare brochure/pamphlets highlighting the courses, facilities, strengths, Facilities for women students, students incentivisation programme, sports and games, extracurricular activities, IT infrastructure, JKC initiatives, Certificate/Value added courses, training for PG Entrance, Competitive exams, CCE-LMS etc., for campaigning among stakeholders and for distribution to junior college and intermediate students

4) Establishment of Help Desk:

- i. Each college should create a help desk with a minimum of two staff members and a dedicated WhatsApp linked contact phone number to guide Intermediate students.
- ii. The help desk team should be provided with internet enabled desktops/laptops, printers and stationery for the online admissions process.
- iii. The help desk team shall provide Complete guidance to the candidates on admission procedures, documents required, fee particulars, timelines, etc.
- iv. The help desk team should interact with the parents as well as students in a polite and pleasing manner.

5) Parent Interaction:

- i. Parent-Teacher meetings have to be arranged at least once in a semester by making it part of the academic calendar.

- ii. In the Parent –Teacher meetings, feedback from the parents has to be taken on programmes and invite suggestions (in recorded form) for improvement of the college
- iii. Parent suggestions/feedback has to be analyzed and discussed in the departmental review meetings and action taken reports have to be prepared.

6) Awareness on programmes/courses:

Information on courses /programmes/ value added courses/ certificate courses /Online Courses/market Oriented Programmes. B.Voc. Programmes/ Apprenticeship based Programmes etc., offered in colleges along with Programme Outcomes, Course Outcomes, Programme Specific Outcomes has to be made available to all students at the time of admission. This would create awareness among students on the course outcomes/job opportunities/ future potential for higher education etc.

7) Ensuring Quality in Teaching-Learning Processes- Strengthening of Blended Learning

- i. The educational practice of combining digital learning tools with more traditional classroom (face to face) teaching requires teachers to be trained in adapting to their new role as “mentor & coach” rather than being a knowledge provider.
- ii. The department will continue to organize Faculty Development Programmes (FDPs) to encourage technology in teaching and learning process, and to broaden horizons in their subjects.
- iii. Colleges are advised to utilise CCE-LMS , video lessons for the benefit of the students and to encourage faculty to prepare e content in 4 quadrant model
- iv. Teachers' role is invaluable and they shall act as mentors/coaches for helping students manage in any learning situation. It is up to teachers and learning designers to offer blended activities that best suit the subject, the learners' needs and the curriculum requirements.
- v. Resources such as video lectures, podcasts, recordings and articles shall be provided in order to transfer the main bulk of the necessary knowledge from teacher to student before each class (Flipped Class). This then frees up time in class for teachers to support students in activities, lead discussions and facilitate engagement.
- vi. The blended MOOC is a form of flipped classroom using in-person class meetings to supplement a massive open online course. Students access MOOC materials - perhaps from another institution or instructor if the course is openly

accessible - outside of class and then come to a class meeting for discussions or in-class activities.

8) Strengthening of libraries - Rotation of Books

- i. Library committee shall conduct a meeting with final year students to motivate them to donate their books to departmental libraries in order to utilize the same for freshers. Each Department shall maintain separate logbooks for donations and utilizations.
- ii. The College level Library Committee has to identify the alumni and educated elite in the area/nearby areas who can donate books to the library.
- iii. Library committee should identify the required books for each department and conduct a meeting with alumni and educated elite to sponsor/ donate in cash or kind.

9) Conduct of Certificate Courses:

- i. Phase II of the Choice Based Credit System (CBCS), designed in line with the National Education Policy (NEP: 2020), offers more flexibility to the student in choosing intra-disciplinary and interdisciplinary avenues of learning beyond the core subjects for holistic development of an individual.
- ii. Government Degree College (GDC) must have provision for added courses and activities which may not be directly linked with one's discipline of study but contribute to sensitizing students to cross-cutting issues for curriculum enrichment.
- iii. Hence, GDCs must offer 'Add-on Courses' or 'Certificate Courses' of short duration (STCs: Short Term Courses) that are not mandatory for acquiring a degree but are aimed at giving supplementary enrichment to students in his/her core subject or interdisciplinary topics or multi-disciplinary issues cutting across the streams (BA/BCom/BSc) either online or offline.

10) Mobilization of Resources for Infrastructure Development-Tapping of Funds through CSR/Alumni/Philanthropy/ MPLADS/Other Sources

- i. In matters of resource mobilization, strategies for alumni engagement play a vital role in the strengthening of the HEIs. An active Alumni Association (AA), would not only ensure contributions in academic matters, student support and resource mobilization but also provide linkages that would set in motion a cascading influence on the resource mobilization (both financial & infrastructural) through philanthropy and CSR initiatives or other sources.
- ii. All the HEIs are required to maintain records on the quantum of contributions received through Alumni/Philanthropy /CSR initiatives/Other Sources and audited statements of accounts with utilization reflecting the receipts.

11) Ensuring Internet Facility in All GDCs

- i. HOIs/Principals must ensure that the speed of the Internet connection and or Wi-Fi facility available in the Institution should not be less than 10 mbps.
- ii. HOIs must ensure that bills for one quarter (maximum three months Period) in the current academic year indicating internet connection and / or Wi-Fi in the name of the HEI must be shared through a .jpeg image by mail/whatsapp to the concerned Academic Officer in charge of the district in which the institution falls.

II. Strategies for enhancement of Gender Parity Index (GPI) in higher education (18-23 years):

In addition to the above activities the following strategies may be adopted for enhancing women enrolment in GDCs.

12) Ensuring Security of Girl Students, DISHA App :

- i. Awareness campaign to girl students on download & usage of DISHA app, Disha Mahila Police Stations, Disha Patrolling Vehicles, Disha Special Courts and other initiatives
- ii. Creating awareness on the efficacy of the app by highlighting awards won by "Disha women safety and security system" at the national level.
- iii. To alert girl students for adopting countermeasures during the incidents of eve-teasing, domestic violence, accidents and mischief by pranksters either to self or fellow women.

13) Ensuring Transport Facility

- i. HOI or his/her deputed committee has to approach RTC officials for arrangement of transport facilities wherever necessary.
- ii. The Department will also obtain a list from such GDCs for communicating with the HOD of APSRTC for the provision of transport facilities.

14) Medical Facility

- i. College shall provide basic medical aid (Medical facility) and must be equipped with all required first aid medication to the students and needy staff members. The services of gram/ward Sachivalayam Health Secretaries are to be availed.
- ii. Regular check-ups for girl students are to be organized with the help of local medical officers.
- iii. Girl students should be monitored for anaemia and other related issues.

15) Girls Waiting Room

- i. Revamping of Women Empowerment Cells (WECs) in GDCs which are already having WECs & creation of WEC cells in newly established GDCs for ensuring

equity. The convener of WEC must ensure that 'Girls waiting room' is fully functional with adequate amenities & is well maintained.

- ii. In addition, the convener of WEC should take all necessary measures for proper maintenance of girl's toilets and all women related amenities/facilities.

16) Women's Hostels

- i. A survey on women student's accessibility to college has to be carried out for identifying the colleges requiring women hostel facilities.
- ii. Local or nearby women hostels established and maintained by various welfare departments have to be identified for mapping with GDCs for accommodating girl students in the hostel.
- iii. In respect of colleges where there is no 'Girls Hostel', the HOI or his deputed committee has to liaise with the local administration viz. Revenue Department or Municipal Department officers for the identification of un-occupied secure Government buildings in proximity to the institution for the purpose of Hostel accommodation to accommodate girl students coming from far off places.

17) Women Related Campaigns

- i. WECs in each college shall continue to organize gender equality/gender sensitization programmes for both boys and girls with an objective to build an egalitarian society.
- ii. Women related campaigning or programmes such as '**Women safety and law**', '**Self Défense Training**', '**Know your Rights**', '**Workshop on 'Download & Usage of DISHA app**', 'Women Health' etc., are to be organized with a periodicity of at least one campaign per month.
- iii. Community outreach for inculcating leadership qualities among girl students through exposure to social issues/problems where they take lead as problem solvers shall be organized twice in a year.
- iv. To adopt inclusive strategies on girl child protection, female literacy, employability opportunities through higher education etc., in the campaigns organized at ward, village, and community level.

18) Sanitary Napkin Vending Machines

- i. Arriving at the number of vending machines required for each college through Women Empowerment Cells (WEC).
- ii. Estimation of cost for procuring the vending machines.
- iii. Approaching the Agencies through the government and/or Health Department for procuring/ purchasing vending machines.
- iv. WEC of the college has to take up the responsibility of maintaining vending machines and record utilization through entry in the stock register.

Hence, the Principals/HOIs are hereby directed to roll out the above work plan meticulously for attaining 100% admission target and optimum women enrollment. They are also instructed to run programmes/courses that are in demand, meet student aspirations and provide local/global employment for maximizing enrollment in their institutions.

Further, RJDCes are requested to monitor the implementation of the action plan of each GDC within their respective zones through online/offline meetings & visits.

**PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION
ANDHRA PRADESH :: VIJAYAWADA**

Present: Dr Pola Bhaskar, I.A.S

Pro.01/APCCE/Extracurricular Activities/AC-12/2022

Dated: 21-04-2022

Sub: Collegiate Education – Implementation of Extracurricular Activities in Government Degree Colleges – Issue of Certain Instructions - regarding.

Ref: Analysis of information taken from CCE MIS data.

With reference to the subject cited above Extra Curricular Activities like National Cadet Corps (NCC), National Service Scheme (NSS), Sports & Games, Cultural, Red Ribbon Club (RRC), Women Empowerment Cell are implemented regularly in all Colleges. These activities offer students an opportunity to work with others and to gain essential life skills, boost academic performance, broaden social skills, improve time management also.

NCC: The National Cadet Corps (NCC) has been the largest uniformed youth organisation in India, aims at character building and leadership, in all walks of life and promotes the spirit of patriotism and National Integration amongst the youth of the country. Amongst the 161 GDCs in AP, 40 GDCs are having NCC units in their Colleges with 4686 enrolled strength in three wings like Army, Navy & Air force. Some of the GDCs are earnestly longing to raise NCC units in their Institutions. Such Institutions have to fulfil some pre-conditions before applying...

- The College has to provide a regular teaching staff to conduct Institutional NCC Unit. Primarily the teacher renders service as Care Taker; later on this Officer attends Pre-Commission Course and become an Associate NCC Officer (ANO).
- Institute has to provide Store Room & Office Room to look after the NCC Activities and also has to provide training area & ground to train Cadets in Firing, Parade and Obstacle Training.
- The Principal of the Institute has to contact the Commanding Officer of the nearest Battalion to raise a new unit and submit the application form in the prescribed format to the Commanding Officer of the concerned Battalion.

Interested Principals are instructed to contact the nearest Battalion Commanding Officer, submit the application and send the details in following format to O/o CCE through cce.eca12@gmail.com mail to pursue further action.

S.No	Zone	District	Name of the College	Name of the Principal	Near NCC UNIT Address	Name of the willing Lecturer as Caretaker	Mobile Number

NSS: The **National Service Scheme (NSS)** is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community (esp. Villages) linkage, Aimed at developing student's personality through community service. NSS Colleges who adopt the villages have to increase their community services by involving all the Departments accordingly to strengthen the Units.

As per MIS information 39 GDCs do not have NCC Units in their Colleges and those GDCs are informed to start new unit based on the availability of faculty as NSS Coordinator. Colleges who do not have the NSS Units, the principals are instructed to follow the norms of the Affiliated University to start NSS Units immediately and adopt the villages for participation in the community services along with College Staff and Students.

RRC: Red Ribbon Club activities are implemented through National Service Scheme (NSS) Cell by conducting Awareness Programmes and blood donation camps. The strategy is to promote health seeking behaviour and voluntary blood donation as well as enable them to become change agents in HIV & AIDS prevention programs in the state.

All the Principals are requested to instruct the NSS Unit coordinators in the beginning of Academic year to Conduct Blood grouping as well as Blood Donation Camps and maintain records with documentary evidences.

Women Empowerment Cell: The WEC works to promote gender sensitivity in the college and conduct diverse programmes to educate, sensitize both male and female members and produce harmonious atmosphere on the campus.

Instruct the respective coordinators to encourage the girl students to participate in NCC, NSS and sports activities. Conduct programs on 'Gender Equality' and various programmes related to girl students to empower them and also form Class wise girls counselling cells to make them to participate in all programmes and various activities.

Clean and Green: The Clean and Green campaign aims to protect and care for the environment by engaging the community in leading an environmentally conscious lifestyle. Keeping the Campus clean and making it green creates healthy atmosphere in respective colleges.

Therefore all the Principals are requested to instruct NCC & NSS Units, all the Staff and students to involve the Clean and Green program with slogans like

1. Be part of the solution not part of the Pollution
2. Don't be Greedy it's time to be Greeny.
3. Go to green to keep it Clean.
4. East or West going to Green is the Best
5. Eco friendly not as deadly...etc

Encourage Staff and Students with One Department-One week to Conduct make the Campus Clean with Green.

Hence all the Principals are instructed to implement the above extracurricular activities through respective coordinators from time to time and report the same in TLP app and also in College News Letter.

Present : Dr. Pola Bhaskar, I.A.S.

Rc.No.1/SOP - Canteen/AC/CCE - 2022

Dated: 04-02-2022

**Sub: Collegiate Education Standard Operating Procedure for Running
Canteen Facility in Government Degree College Campuses - Reg.**

The following Standard Operating Procedures / guidelines are intended for hassle free establishment and running of the Canteen facility in Government Degree Colleges across the state of Andhra Pradesh and shall come into force with immediate effect:

1. The "Head of the Institution (HOI)/ Principal of the college" should convene a meeting with the stakeholders (Teachers/Students/Alumni) for taking views/suggestions on establishment/running of Canteen Facility/College Canteen in the college premises.
2. The views/suggestions may be taken on selection of location for establishing canteen, quantum of rent to be charged from the vendor, fixation of prices of tiffins / snacks/food/tea etc.
3. The HOI/Principal in consultation with the staff council shall make resolutions duly incorporating appropriate suggestions of the stakeholders. Subsequently, these resolutions are to be approved with/without modifications by the College Development and Planning Council (CPDC) of the college. College canteen shall be established only after the approval of the CPDC.
4. A canteen committee has to be formed with minimum three faculty and two students as members. Quotations are to be called from local vendors duly following transparent procedure and fix the rentals per month towards accommodation through an agreement which has to be renewed every year based on the performance.
5. Rental charges must be deposited in the CPDC account of the college and have to be utilized for College developmental activities.
6. Preference should be given to Alumni of the college honing college canon. This will ensure college cancer in act as incubation hubs that allow interaction with alumni who are well placed to offer intellectual and practical support to the students in the launching of their career and writing of goals.
7. The vendor has to be alerted in no uncertain terms that any adverse remark on food being served in the canteen, if found cost by the canteen committee shall lead to termination of the agreement.
