

## BIOCHEMISTRY DEPARTMENT ACTIVITIES

The department Biochemistry conducted academic activities to improve skills and abilities of students, seminars, assignments, group discussion, quiz, essay writing, debates and many programmes were conducted during the years of 2015 to 2020 so as to encourage, improve the skills and knowledge in students

### SEMINARS:

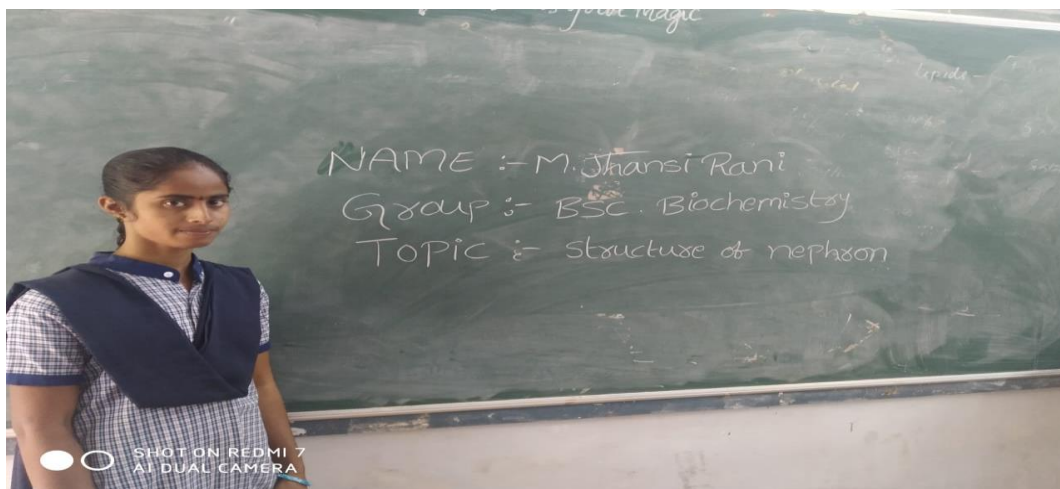

- Seminars helps students in self training and promotes independent thinking
- Seminars promotes student self confidence
- Promotes group spirit and cooperativeness

S.NO	year	Regd number	Name of the student	Topic of assignment	Topic of seminar	Marks obtained
1	2015	13151365	D.Aisha siddiqua	Specific dynamic action and biological value of complete and Incomplete protein	Specific dynamic action and biological value of complete and Incomplete protein	15
2	2016	16151314	T.sruthi	Monosaccharides	Monosaccharides	15
3	2016		V.Geethanjali	Nucleic Acids	Nucleic Acids	15
4	2017	170151336	C.Lavanya	Glycolysis	Glycolysis	15
5	2018	170151336	C.lavanya	Biochemical Correlation and diseases	Biochemical Correlation and diseases	15
6	2019	180151362	G.Rajesh	Lacoperon	Lacoperon	15
7	2020	200151297	S.Sireesha	1.Osteoporosis 2.Bacterial Growth 3.Genomic Libraries	1.Osteoporosis 2.Bacterial Growth 3.Genomic libraries	15

- **S.SIREESHA III BIO.Z.C -TOPIC: MONOCLONAL ANTIBODIES**

- **M.JHANI RANI     III BIO.Z.C..... STRUCTURE OF NEPHRON**

### ICT SEMINAR

### OVERHEAD PROJECTOR SEMINARS OF BIOCHEMISTRY STUDENTS

**PUSHPA SAI III BIO.Z.C**

**PAVITHRA III BIO.Z.C**
