

S.K.P. GOVERNMENT COLLEGE, GUNTAKAL

DEPARTMENT OF CHEMISTRY

ICT CLASSES OF 2016-2020

ICT Classes enable students a better understanding of concepts of the Subject. The complex diagrams, concepts and be visually displayed easily for better comprehending of the subject. Hence Department of Chemistry uses ICT tools like Power point presentations, use of YouTube and online resources for better understanding of the subject

Dr.P.Ramesh Babu delivering Lecture ICT tools to BSc Final Year Students

**Dr.P.Ramesh Babu, Lecturer in Chemistry explaining EMR to BSc
Final Year Students**

**Dr.S.Shahinshavali , Lecturer in Chemistry explaining Aryl Compounds using
ICT tools**

Dr.S.Shahinshavali , Lecturer in Chemistry explaining Organo Synthetic Compounds using ICT tools

**Dr.T.Jithendra, delivering Lecture on Electromagnetic Radiation to B.Sc
I year Students using PPT**

Dr.T.Jithendra, delivering Lecture on Types of Orbital's to B.Sc I year Students using PPT

**PPT Class conducted by Smt.B.Vani Sree, Lecturer in Chemistry for
I Year B.Sc Students**

**PPT Class conducted by Smt B. Vani Sree, Lecturer in Chemistry for
I Year B.Sc Students**

**Sri M. Jakeer Hussain , Lecturer in Chemistry Delivering ICT Class on Amines for B.Sc
Final Year Students**

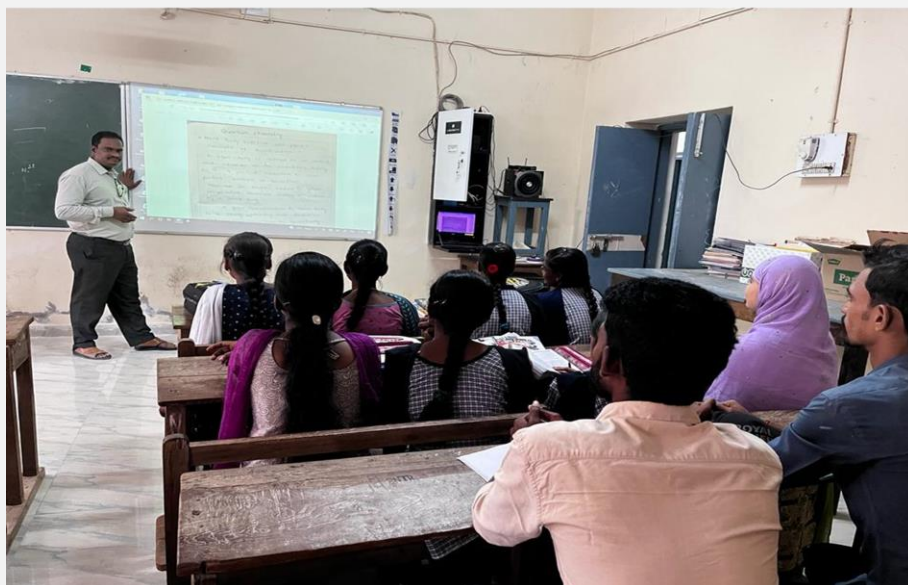

**Sri M. Jakeer Hussain , Lecturer in Chemistry Delivering ICT Class on Nitro Compounds
for B.Sc Final Year Students**

**Sri K.Raghavendra , Lecturer in Chemistry delivering PPT class to
AZO Compounds to II Year B.Sc Students**

ICT CLASS-2

**Sri.K.Raghavendra , Lecturer in Chemistry delivering PPT class to Quantum Chemistry to
II Year B.Sc (TM) Students**
