

Group Discussion

In the present day world Group discussion has become one of the most important part of recruitment process. It improves thinking, listening and speaking skills, interpersonal skills; it also promotes one's confidence levels. It is an effective tool in problem solving, decision making and personality assessment. Therefore , with an idea to bring together a set of students on a platform to share their ideas, thereby giving an opportunity to exhibit not only their knowledge, but also to understand and enhance their learning by absorbing thoughts of other students , the Department of commerce regularly conduct Group 'discussion 'for the benefit of students.
