STUDENT SEMINAR

- **Seminars are capable of keeping the students updated with the technologies.**
- **Seminars provide latest information about the things which are happening in science and technology.**
- **They must be take part in various seminars on latest topics.**
- **This would help to get more information on the particular seminar topic.**
- **Seminars also help them to convey their own ideas to their friends and teachers.**
- **They will start thinking about new things which they think could be implemented practically.**
- **This would give them a chance to collect more information about the seminar topic they are provided with.**
- **By taking seminars in front of their teachers and friends, the students will be able to talk before a crowd later in their life without any difficulty. Also they can learn their mistakes and can improve their seminar presentation skills**
- **They can improve their language.**
- **By taking seminars they will become very able to interact with the people which will turn out to be useful in their later life.**
