## STUDENT SEMINARS : 2020-21

Seminars are for the students studying the same course. They are designed for the students to talk about topics in the course they are studying. This method is effective when a student prepares and presents a topic in the classroom. It is very effective method of peer group learning. It enhances the communication skills and presentation skills of the student and also helps in better understanding of the courses. It has been made an integral part of continuous evaluation of the student in a semester.
