

SKP GOVERNMENT COLLEGE; GUNTAKAL
DEPARTMENT OF PHYSICS

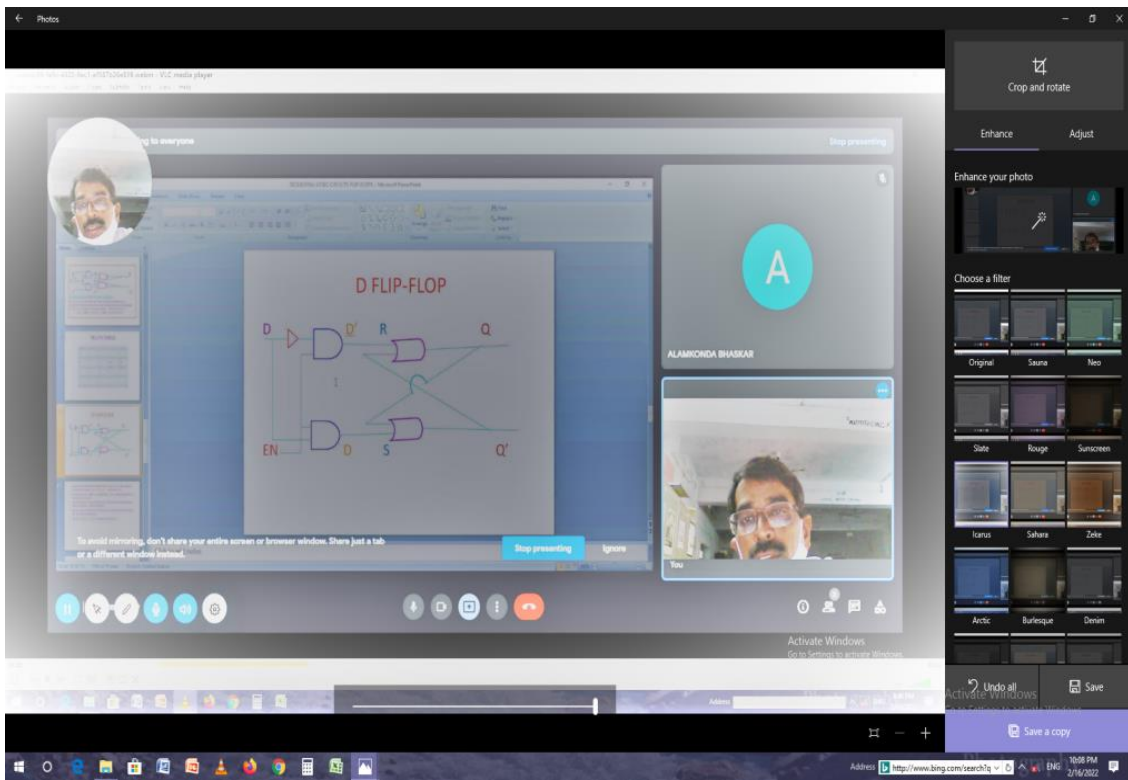

ICT CLASSES

- Technology can help improve teaching as it provides access to countless online resources.
- Teachers can use apps or online resources to enhance the conventional ways of teaching, helping keep students more engaged during the lessons.
- The use of apps and online resources also helps teachers to save a lot of time, which in turn can be used to focus on students who are struggling with lessons
- . Incorporating technology in lessons enhances collaboration and knowledge sharing between teachers.
- Use of ICT in classroom with technology is a positive thing as it increases collaboration among student
