# WEBINAR ON INTELLECTUAL PROPERTY RIGHTS REPORT

On the occasion of the 75th anniversary of independence, the Government of India has begun a mission to spread awareness on IPR among college and school students under the scheme – National Intellectual Property Awareness Mission (NIPAM). Intellectual Property Rights (IPR) are exclusive rights granted in the form of Patents, Designs, Trademarks, and Geographical Indications. This awareness program would expose the students of your institution to various types of IPR which will ignite their intellectual thoughts and motivate them to innovate and further transform their innovative ideas into Intellectual Property assets. Further IPR has been recognized as an important factor in grading/ accreditation of institutions/departments under NAAC /NIRF/ NBA, etc. frameworks.

Shri Thilak Vadicherla NIPAM Officer / Examiner – Patents & Designs, [also Examiner - International Search Authority (ISA) / International Preliminary Examination Authority (IPEA) - World Intellectual Property Organization (WIPO)] Intellectual Property Office, Govt. of India, GST Road, Guindy, Chennai has addressed the audience. He enlightened the audience about the procedures, objectives and benefits of the programme.

## **Objectives of the program:**

- To spread awareness on Intellectual Property (IP) so that a more conducive environment of innovation and creativity is established in the country.
- To ignite and inspire students, faculty members to innovate and protect their creation.

## **Benefits of the programme:**

- Awareness on Intellectual Property (IP)
- Innovate and protect their creations like projects etc.
- Participate in Science / Project exhibitions etc.
- Due recognition, awards / rewards
- File - Patents, Designs, Copyright etc.
- Increase the value of college/ faculty members / students
- Earn money as royalty, incentives etc. through technology transfer, licensing etc

Staff and students from all departments attended the programme.

**JUSTICE B. VASUDEVA RAO**

**Date : 21/10/2017**

It is the privilege of the institution to conduct a legal awareness program on intellectual property rights by inviting Sri B. Vasudeva Rao, Sub divisional magistrate, Guntakal Civil court on this occasion. The students were informed about the program on creating awareness on Intellectual Property Rights of how to register for innovative ideas and patents for the inventions and discovery

Sri Vasudev Rao Garu highlighted on the importance of protecting intellectual property rights in this age of plagiarism and the procedural formalities to be followed to register the innovations by students or by faculty further. He stressed the need and consequences of violating the patent rights of a person and Indian patent act 1972 was discussed by Shri Vasudeva Garu on difference between product patent and process patent.

All the staff and students from all groups B.A., B.Com and B.Sc., participated in the program and made the program a grand success

**PROGRAMME ON INTELLECTUAL PROPERTY RIGHTS**

**Chief Guest of the Programme : Justice V.Thangamani, Civil Judge,**

**Sub-divisional Magistrate Court, Guntakal**

**Date : 03/08/2018**

College has conducted a legal awareness program by inviting Smt Thangamani, Civil Judge Sub Divisional Magistrate Court, Guntakal to create awareness and on Legal awareness regarding Intellectual Property Rights. Sri Thangamani garu explained the role of importance of law and law enforcement mechanism in protecting intellectual property rights. It is the duty of every researcher or scientist of the country and innovative person to be bound by the law of Nation. Peace ,harmony and prosperity in the society are possible only if we are able to protect patents and respect the person who has innovated the new idea. It is the duty of every citizen to strictly abide by the Indian patent act in the protection of intellectual property rights.

She explained legal implications on violations of IPR act and the overall growth and development of country depends on mechanism which protects its Laws and their innovations. Students to inculcate the value of social responsibility and contribute to the peace harmony and abide by the judicial system of India.

**ABOUT THE COLLEGE**  
S.K.P. Government Degree College, affiliated to Sri Krishnadevaraya University, was established in Guntakal, Anantapur District, A.P. in the year 1968. This 52 years old institution, serving basically as a base of knowledge to the rural youth in the vicinity. The college was accredited with 'B' Grade by NAAC in Cycle 2. Department of Botany was established in the college in 1991 as a part of establishment of Science groups.

**THEME OF THE WEBINAR**  
Biodiversity, in the recent times, is being affected, remarkably, due to the threats caused by various factors. These threats cause danger to the very existence of humanity as well as all other living organisms as they are increasing rapidly. Medicinal plant diversity which is under severe threat, play a significant role in the survival of human being. There are number of methods to conserve this great treasure. Among them, the Remote sensing is an advanced technique, through which quick response for conservation of biodiversity can be initiated by using classification of the threat. Molecular studies (like DNA, RNA, Protein studies) have their own importance in the conservation of Biodiversity.
